Jim Shepard

Love And Hydrogen New And Selected Stories:

Love and Hydrogen Jim Shepard, 2004-01-27 I've been a problem baby a lousy son a distant brother an off putting neighbor a piss poor student a worrisome seatmate an unreliable employee a bewildering lover a frustrating confidante and a crappy husband Among the things I do pretty well at this point I'd have to list darts re closing Stay Fresh boxes and staying out of the way This is the self eulogy offered early on by the unwilling hero of the opening story in this collection a dazzling array of work in short fiction from a master of the form The stories in Love and Hydrogen familiar to readers from publications ranging from McSweeney's to The New Yorker to Harper's to Tin House encompass in theme and compassion what an ordinary writer would seem to need several lifetimes to imagine A frustrated wife makes use of an enterprising illegal gun salesman to hold her husband hostage two hapless adult education students botch their attempts at rudimentary piano but succeed in a halting awkward romance a fascinated and murderous Creature welcomes the first human visitors to his Black Lagoon and in the title story the stupefyingly huge airship Hindenburg flies to its doom representing in 1937 mankind's greatest yearning as well as its titanic failure Generous in scope and astonishing in ambition Shepard's voice never falters the virtuosity of Love and Hydrogen cements his reputation as in the words of Rick Bass a passionate writer with a razor sharp wit and an elephantine heart in short one of the most powerful talents at work today Like You'd

Understand, Anyway Jim Shepard, 2008-11-19 Following his widely acclaimed Project X and Love and Hydrogen Here is the effect of these two books wrote the Chicago Tribune A reader finishes them buzzing with awe Jim Shepard now gives us his first entirely new collection in more than a decade Like You'd Understand Anyway reaches from Chernobyl to Bridgeport with a host of narrators only Shepard could bring to pitch perfect life Among them a middle aged Aeschylus taking his place at Marathon still vying for parental approval A maddeningly indefatigable Victorian explorer hauling his expedition whaleboat and all through the Great Australian Desert in midsummer The first woman in space and her cosmonaut lover caught in the star crossed orbits of their joint mission Two Texas high school football players at the top of their food chain soliciting their fathers attention by leveling everything before them on the field And the rational and compassionate chief executioner of Paris whose occupation during the height of the Terror eats away at all he holds dear Brimming with irony compassion and withering humor these eleven stories are at once eerily pertinent and dazzlingly exotic and they showcase the work of a protean prodigiously gifted writer at the height of his form Reading Jim Shepard according to Michael Chabon is like encountering our national literature in microcosm **Project X** Jim Shepard, 2007-12-18 In the wilderness of junior

high Edwin Hanratty is at the bottom of the food chain His teachers find him a nuisance His fellow students consider him prey And although his parents are not oblivious to his troubles they can't quite bring themselves to fathom the ruthless forces that demoralize him daily Sharing in these schoolyard indignities is his only friend Flake Branded together as misfits their fury simmers quietly in the hallways classrooms and at home until an unthinkable idea offers them a spectacular and

terrifying release From Jim Shepard one of the most enduring and influential novelists writing today comes an unflinching look into the heart and soul of adolescence Tender and horrifying prescient and moving Project X will not easily be forgotten

Phase Six Jim Shepard,2021 In a tiny settlement on the west coast of Greenland 11 year old Aleq and his best friend frequent trespassers at a mining site exposed to mountains of long buried and thawing permafrost carry what they pick up back into their village and from there Shepard s harrowing and deeply moving story follows Aleq one of the few survivors of the initial outbreak through his identification and radical isolation as the likely index patient While he shoulders both a crushing guilt for what he may have done and the hopes of a world looking for answers we also meet two Epidemic Intelligence Service investigators dispatched from the CDC Jeannine an epidemiologist and daughter of Algerian immigrants and Danice an MD and lab wonk As they attempt to head off the cataclysm Jeannine moving from the Greenland hospital overwhelmed with the first patients to a Level 4 high security facility in the Rocky Mountains does what she can to sustain Aleq Publisher s description

The World to Come Jim Shepard,2017-02-21 Bursting with wicked humor and driven by an incomparable understanding of what it means to be human *The World to Come* is the inimitable work of the most ambitious story writer in America *The Daily Beast* Now a major motion picture Shepard traverses both borders and centuries seamlessly inhabiting a multitude of disparate men and women and giving voice to visionaries pioneers and secret misfits from nineteenth century explorers departing on one of the Arctic s most nightmarish expeditions to twentieth century American military wives maintaining hope at home Shepard s characters confront everything from the emotional pitfalls of everyday life to colossal catastrophes battling natural forces the hazards of new technology and their own implacable shortcomings Shepard has a knack for compressing a novel s worth of life into 30 or 40 pages *The Boston Globe*

The Book of Aron Jim Shepard,2015-05-12 The acclaimed National Book Award finalist one of the United States finest writers according to Joshua Ferris full of wit humanity and fearless curiosity now gives us a novel that will join the short list of classics about children caught up in the Holocaust Aron the narrator is an engaging if peculiar and unhappy young boy whose family is driven by the German onslaught from the Polish countryside into Warsaw and slowly battered by deprivation disease and persecution He and a handful of boys and girls risk their lives by scuttling around the ghetto to smuggle and trade contraband through the quarantine walls in hopes of keeping their fathers mothers brothers and sisters alive hunted all the while by blackmailers and by Jewish Polish and German police not to mention the Gestapo When his family is finally stripped away from him Aron is rescued by Janusz Korczak a doctor renowned throughout prewar Europe as an advocate of children s rights who once the Nazis swept in was put in charge of the Warsaw orphanage Treblinka awaits them all but does Aron manage to escape as his mentor suspected he could to spread word about the atrocities Jim Shepard has masterfully made this child s eye view of the darkest history mesmerizing sometimes comic despite all odds truly heartbreaking and even inspiring Anyone who hears Aron s voice will remember it forever

You Think That's Bad Jim Shepard,2011-03-22

Following *Like You'd Understand Anyway* awarded the Story Prize and a finalist for the National Book Award Jim Shepard returns with an even more wildly diverse collection of astonishingly observant stories Like an expert curator he populates the vastness of human experience from its bizarre fringes and lonely breathtaking pinnacles to the hopelessly mediocre and desperately below average with brilliant scientists reluctant soldiers workaholic artists female explorers depraved murderers and deluded losers all wholly convincing and utterly fascinating A black world operative at Los Alamos isn't allowed to tell his wife anything about his daily activities but he can't resist sharing her intimate confidences with his work buddy A young Alpine researcher falls in love with the girlfriend of his brother who was killed in an avalanche he believes he caused An unlucky farm boy becomes the manservant of a French nobleman who's as proud of his military service with Joan of Arc as he is aroused by the slaughter of children A free spirited autodidact grieving her lost sister traces the ancient steps of a ruthless Middle Eastern sect and becomes the first Western woman to travel the Arabian deserts From the inventor of the Godzilla epics to a miserable GI in New Guinea each comes to realize that knowing better is never enough Enthralling and unfailingly compassionate *You Think That's Bad* traverses centuries continents and social strata but the joy and struggle that Shepard depicts with such devastating sensitivity all the heartbreak alienation intimacy and accomplishment has a universal resonance

Cuba in Mind Maria Finn Dominguez, 2004-06-08 Since Columbus arrived in 1492 and called Cuba the most beautiful country that human eyes have ever seen few places on earth have evoked such passion The thirty one writers in *Cuba in Mind* offer ample proof of the fascinations that have lured generations of travelers In this richly varied anthology of poetry fiction and nonfiction we hear from such famous visitors as Anthony Trollope Langston Hughes Ernest Hemingway and Graham Greene Poets and journalists offer their responses from Allen Ginsberg and Jayne Cortez to Alma Guillermoprieto and Robert Stone and novelists weigh in with such fictional portrayals as Elmore Leonard's *Cuba Libre* and Pico Iyer's *Cuba and the Night* Cuban exiles immigrants and their offspring provide their unique perspective from Cristina Garcia's essay *Simple Life* to excerpts from Oscar Hijuelos's novel *The Mambo Kings Play Songs of Love* and from Carlos Eire's memoir *Waiting for Snow in Havana* Embracing salsa and santeria politics and baseball the island's sparkling beaches and the teeming Havana streets *Cuba in Mind* captures the vibrancy the contradictions the heat and the humor of Cuba as shown by some of the best writers in the English language Contributors Thomas Barbour Jos Barreiro Ruth Behar William Cullen Bryant Jayne Cortez Stephen Crane Andrei Codrescu Eleanor Early Carlos Eire Kimi Eisele Cristina Garcia Allen Ginsberg Graham Greene Alma Guillermoprieto Elizabeth Hanly Ernest Hemingway Consuelo Hermer Oscar Hijuelos Langston Hughes Pico Iyer Elmore Leonard Rosa Lowinger Marjorie May Tom Miller Holly Morris Ricardo Pau Llosa Robert Stone Jim Shepard Isadora Tattlin Anthony Trollope Walter D Wilcox

The Communicative Mind Line Brandt, 2013-11-04 Integrating research in linguistics philosophy semiotics neurophenomenology and literary studies *The Communicative Mind* presents a thought provoking and multifaceted investigation into linguistic meaning construction It explores the various ways in which the

intersubjectivity of communicating interactants manifests itself in language structure and use and argues for the indispensability of dialogue as a semantic resource in cognition The view of the mind as highly conditioned by the domain of interpersonal communication is supported by an extensive range of empirical linguistic data from fiction poetry and written and spoken everyday language including rhetorically creative metaphors and metonymies The author introduces Cognitive Linguistics to the notion of enunciation which refers to the situated act of language use and demonstrates the centrality of subjectivity and turn taking interaction in natural semantics The theoretical framework presented takes contextual relevance viewpoint shifts dynamicity and the introduction into discourse of elements with no real world counterparts subjective motion fictivity and other forms of non actuality to be vital components in the construction of meaning The book engages the reader in critical discussions of cognitive linguistic approaches to semantic construal and addresses the philosophical implications of the identified strengths and limitations Among the theoretical advances in what Brandt refers to as the cognitive humanities is Fauconnier and Turner s theory of conceptual integration of mental spaces which has proved widely influential in Cognitive Poetics and Linguistics offering a philosophy of language bridging the gap between pragmatics and semantics With its constructive criticism of the general mechanism hypothesis according to which blending can explain everything from the origin of language to binding in perception Brandt s book brings the scope and applicability of Conceptual Integration Theory into the arena of scientific debate The book contains five main chapters entitled Enunciation Aspects of Subjectivity in Meaning Construction The Subjective Conceptualizer Non actuality in Construal Conceptual Integration in Semiotic Meaning Construction Meaning Construction in Literary Text and Effects of Poetic Enunciation Seven Types of Iconicity **Ajax Is**

All About Attack Jim Shepard, 2015-05-04 A Vintage Shorts Short Story Month Selection Velibor Vasovic is not political He is a soccer player has played for Partizan Belgrade and his national team Scored Partizan s only goal against Real Madrid in the European Cup He is the rock supporting any defense But in 1966 he starts playing for Ajax Amsterdam firmly in the West And politics catches up to him Jim Shepard is the wildly inventive guru of the historical fiction short story a finalist for the National Book Award and one of the United States finest writers Joshua Ferris Ajax Is All About Attack is classic Shepard from the collection Love and Hydrogen An eBook short Literary Luminaries of the Berkshires Bernard A.

Drew, 2015-06-29 The literary history behind this beautiful mountain region The Massachusetts Berkshires have long been a mecca for literary greats from Henry Wadsworth Longfellow and Edith Wharton to Sinclair Lewis and Joan Ackermann The Green River in Great Barrington inspired William Cullen Bryant s poetry Charles Pierce Burton s childhood hometown Adams became the setting for his frolicking Boys of Bob s Hill children s books During an interlude in Lenox Patricia Highsmith consulted a local undertaker for details to use in The Talented Mr Ripley In this book Bernard A Drew brings together a fascinating chronicle of some 250 wordsmiths who took inspiration from the hills and valleys of the Berkshires **Bottom of the Ninth** John McNally, 2003 Skillfully edited by John McNally Bottom of the Ninth Great Contemporary Baseball Short

Stories collects nineteen contemporary baseball short stories from a successful mix of well established writers lesser knowns and a few up and comers These stories are characterized by the same dramatic elements that draw people to the sport itself the mythologizing of players the obsessions and romance of the game the bonds between players and fans parents and children From a key play a missed catch a chance lost these are tales of characters facing high stakes and calls to action metaphorically and literally in the bottom of the ninth

The Best American Short Stories ... and the Yearbook of the American Short Story ,2002
