Kill the Elevator Speech Felicia J Slattery, 2014-11-18 Contrary to popular marketing and networking wisdom regurgitating a memorized elevator speech all over a poor unsuspecting soul who happens to ask the dreaded what do you do question does not work to establish a true connection with another human being Kill the Elevator Speech is about why those standard memorized verbal vomits are so horribly wrong and what to do and say instead that will actually bring people together help others understand who you are and create the beginnings of a referral and professional relationship to go beyond the initial handshake and obligatory card swap The reader will learn how to walk into any room confidently knowing how to handle answer and completely address the question what do you do with ease and grace while

also making the person they are speaking to feel comfortable and connected **How to Get Unstuck** Matt

Perman, 2018-05-01 *How to Get Unstuck* introduces readers to the ten core principles at the heart of becoming an effective person whose life genuinely flourishes and impacts others positively. Bad news: first we all get stuck. It's a fact of life. But the good news is that it is possible to get unstuck and overcome the obstacles to doing great work and getting the right things done. The question becomes: How do you get unstuck in your productivity in both work and life, and how to do it in a spiritually healthy way? Matt Perman, author of *What's Best Next* and director of career development at The King's College NYC, has spent his career helping people learn how to do work in a gospel-centered and effective way, combining theological substance with practical self-management. In *How to Get Unstuck*, he will walk you step by step through the core principles that free you to be more effective in everything you do by helping you understand how you get stuck and what your obstacles are. Prepare to get unstuck by grappling with who you are and how you see yourself. Develop a practice of personal management.

Overcome obstacles and adapt to unforeseen problems. Drawing on the wisdom of the Bible and on the best of today's research, *How to Get Unstuck* shows believers and non-believers alike how to live productive, integrated lives and develops a poignant portrayal of true effectiveness. Included is a detailed plan for getting started using the principles and applying them to real-life situations. *Never Eat Alone* Keith Ferrazzi, Tahl Raz, 2005-02-22 Do you want to get ahead in life? Climb the ladder to personal success. The secret master networker Keith Ferrazzi claims is in reaching out to other people. As Ferrazzi discovered early in life, what distinguishes highly successful people from everyone else is the way they use the power of relationships so that everyone wins. In *Never Eat Alone*, Ferrazzi lays out the specific steps and inner mindset he uses to reach out to connect with the thousands of colleagues, friends, and associates on his Rolodex: people he has helped and who have helped him. The son of a small-town steelworker and a cleaning lady, Ferrazzi first used his remarkable ability to connect with others to pave the way to a scholarship at Yale, a Harvard MBA, and several top executive posts. Not yet out of his thirties, he developed a network of relationships that stretched from Washington's corridors of power to Hollywood's A-list, leading to him being named one of *Crain's* 40 Under 40 and one of *Davos* Global Leader for Tomorrow. Ferrazzi's form of connecting to the world around him is based on generosity: helping friends connect with other friends. Ferrazzi distinguishes genuine relationship building from the crude, desperate glad-handling usually associated with networking. He then distills his system of reaching out to people into practical, proven principles. Among them: Don't keep score. It's never simply about getting what you want. It's about getting what you want and making sure that the people who are important to you get what they want too. Ping constantly. The ins and outs of reaching out to those in your circle of contacts all the time, not just when you need something. *Never Eat Alone*. The dynamics of status are the same whether you're working at a corporation or attending a society event. Invisibility is a fate worse than failure. In the course of the book, Ferrazzi outlines the timeless strategies shared by the world's most connected individuals, from Katherine Graham to Bill Clinton, Vernon Jordan to the Dalai Lama. Chock full
