Measure Twice, Love Once Yvonne Kohano, 2015-04-21 Fortune smiles upon the brave and frowns upon the coward For Geno Altimari the old Latin proverb proved to be true One pivotal night and a denied entreaty changed everything It cost him years of friendship and missed opportunity for a life that might have been his destiny simply because he was afraid Love was never the same Burying his caution under a laid back smile made it easier to hide his regrets When karma offers him a second chance he wants to be the man everyone believes he is His personal apprehension is harder to conquer But Agnes Amendola needs him and her daughter longs for something special to make her life complete something in Geno's power to provide Can he overcome his anxiety over his past mistakes As their teacher said in first grade Altimari and Amendola sound destined to be together Maybe this time fortune will smile upon them

The Flynn's Crossing series is contemporary romance set in the northern California foothills suspense driven by small town secrets and complex characters in compelling stories about friendship and love You can enjoy the books out of order without ruining their surprises

Monday Motivation Aaron P. Mikulsky, 2022-07-09 Shortly after joining a new company Aaron began writing weekly emails to his team On Monday July 21 2014 he sent his first Monday MO It was short Care more than others think is wise Risk more than others think is safe Dream more than others think is practical Expect more than others think is possible Set excellence as your standard Aaron received tremendous feedback that these weekly Monday MOs or Monday Motivations were valuable People craved someone who

cared about them personally acknowledged them and respected them They wanted to authentically be encouraged to learn grow improve and be supported People desperately longed for a jolt of positivity and motivation each week Time progressed and the influence of the Monday MO grew Colleagues outside of Aaron s organization wanted to be included in his distribution He was also asked to include spouses parents children and friends MOs were forwarded to others outside of the company who then asked to be included The audience soon became quite large and diverse The Monday MOs were based on topics relevant to the times something Aaron may have recently read or on a subject matter someone wanted him to write about He selected the ones that have stood out the most and has organized them by theme The final product is the book before you Unlike many books that are meant to be read from start to finish this book may be read in any order Pick a topic and read as many as you find beneficial Some may resonate more than others but the hope is that you find many that interest and inspire you This book is for you if you are a curious person who wishes to stretch your mind and get exposure to new perspectives Now go read a MO God's Measure, and Other Sermons John Thomas Forbes,1898 **The Measure** ,1925
