Complete Poetical Works by Samuel Taylor Coleridge **The Poetical Works** Samuel Taylor Coleridge, 2016-08-29 The aim and purport of this edition of the Poetical Works of Samuel Taylor Coleridge is to provide the general reader with an authoritative list of the poems and dramas hitherto published and at the same time to furnish the student with an exhaustive summary of various readings derived from published and unpublished sources viz 1 the successive editions issued by the author 2 holograph MSS or 3 contemporary transcriptions Occasion has been taken to include in the Text and Appendices a considerable number of poems fragments metrical experiments and first drafts of poems now published for the first time from MSS in the British Museum from Coleridge's Notebooks and from MSS in the possession of private collectors The text of the poems and dramas follows that of the last edition of the Poetical Works published in the author's lifetime the three volume edition issued by Pickering in the spring and summer of 1834 I have adopted the text of 1834 in preference to that of 1829 which was selected by James Dykes Campbell for his monumental edition of 1893 I should have deferred to his authority but for the existence of conclusive proof that here and there Coleridge altered and emended the text of 1829 with a view to the forthcoming edition of 1834 In the Preface to the new edition of 1852 the editors maintain that the three volume edition of 1828 a mistake for 1829 was the last upon which Coleridge was able to bestow personal care and attention while that of 1834 was arranged mainly if not entirely at the discretion of his latest editor H N Coleridge This no doubt was perfectly true with regard to the choice and arrangement of the poems and the labour of seeing the three volumes through the press but the fact remains that the text of 1829 differs from that of 1834 and that Coleridge himself and not his latest editor was responsible for that difference *Canterbury tales. Lee).* Harriet Lee, 1832 *The Poetical Works I* Samuel Taylor Coleridge, 2016-08-26 Samuel Taylor Coleridge English poet literary critic and philosopher who with his friend William Wordsworth was a founder of the Romantic Movement in England and a member of the Lake Poets and he wrote the poems *The Rime of the Ancient Mariner* and *Kubla Khan* as well as the major prose work *Biographia Literaria* His critical work especially on Shakespeare was highly influential and he helped introduce German idealist philosophy to English speaking culture Coleridge coined many familiar words and phrases including suspension of disbelief He was a major influence on Emerson and American transcendentalism Throughout his adult life Coleridge had crippling bouts of anxiety and depression it has been speculated that he had bipolar disorder which had not been defined during his lifetime He was physically unhealthy which may have stemmed from a bout of rheumatic fever and other childhood illnesses He was treated for these conditions with laudanum which fostered a lifelong opium addiction *The Bookseller*, 1912 Official organ of the book trade of the United Kingdom *Short Poems* Jean Elizabeth Ward, 2008-08-11 Several illustrations along with a Mandala with Elvis Presley in it by the author Various short poems by Jean Elizabeth Ward Han Dynasty Poets Tang Dynasty Poets Basho Japanese Poet Shakespeare John Milton Ezra Pound John Donne American Indian Poems Kimo Poems Haiku Poems Senryu Poems A Naani Poem various styles and authors with history intermingled A delight for the reader without
