Cunningham, 2016-05-06 Perceptible inspiration a term used by John Wesley to describe the complicated relationship between Holy Spirit religious knowledge and the nature of spiritual being is not unlike the term Methodist which was also coined by critics of Methodism during the eighteenth century in Britain John Wesley's adversaries especially the pseudonymous John Smith with whom Wesley exchanged letters for a period of three years frequently challenged the plausibility of direct spiritual sensation which Wesley defended What does Wesley mean by perceptible inspiration What does the teaching reveal about the nature and existence of God in Wesley's thinking What does it suggest about the spiritual nature of humankind In John Wesley's Pneumatology it is argued that perceptible inspiration more than a sidebar of Methodist thought offers a useful model for considering the various features of Wesley's views on the work of the Spirit in relation to human existence participatory religious knowledge and moral theology How to Preach Samuel

Wells, 2023-09-20 In How to Preach Samuel Wells goes beyond the arts and disciplines of preparing crafting and delivering sermons to explore preaching as an act of worship and prayer Here preachers will discover how being attentive to God to Scripture to the world to their hearers and to themselves can inform and shape their message They will be renewed in joining the long tradition of witnessing to the revelation of God in every area of human experience Preaching takes many forms and responds to many different needs and occasions This broad ranging volume considers the times in which we live politics society freedom disability and war the seasons of the church year Advent Christmas Lent Easter Ascension and Pentecost the variety of biblical texts Old Testament narratives and poetry Gospel miracles and parables the writings of Paul life's key moments baptisms weddings and funerals For each topic there is reflection on the demands and opportunities presented ways of approach sermon examples and memorably wise and uncompromising practical guidelines that will nourish and inspire all who long to embrace the call to preach more faithfully **Spiritual Classics from the Early Church**, 1995 This

is an exploration of the rich spirituality of the Church Fathers found in the writings of Cyprian the Desert Fathers and Mothers Basil the Great Gregory of Nyssa John Chrysostom Augustine Benedict and Gregory the Great *Learning and Culture in Carolingian Europe* John J. Contreni, 2024-10-28 Nine of the ten essays in this collection appeared first between 1995 and 2005 Centered in the Carolingian age they explore how the seventh century Visio Baronti was read in the ninth

century and how social and cultural imperatives transformed the life of scholarship schools and learning in Carolingian Europe Several essays consider the significance of numerical and scientific studies in the Carolingian curriculum including the impact of Bede's scientific works in the schools and on the thought of John Scottus Eriugena Another reconstructs Eriugena's early career in light of his *Glossae divinae historiae* Carolingian biblical culture is the subject of two essays including a reading of Haimo of Auxerre's commentary on Ezechiel that highlights the unfinished and unpublished commentary's critique of Carolingian society A poem in the *Anthologia Latina* long ascribed to Octavian the Roman emperor is restored to the monastic culture of the ninth century Finally an article on the Laon Formulary originally published in French in 1973 is here translated and revised

Dietrich Bonhoeffer's Christian Humanism Jens Zimmermann, 2019-06-13

Jens Zimmermann locates Bonhoeffer within the Christian humanist tradition extending back to patristic theology He begins by explaining Bonhoeffer's own use of the term humanism and Christian humanism and considering how his criticism of liberal Protestant theology prevents him from articulating his own theology rhetorically as a Christian humanism He then provides an in depth portrayal of Bonhoeffer's theological anthropology and establishes that Bonhoeffer's Christology and attendant anthropology closely resemble patristic teaching The volume also considers Bonhoeffer's mature anthropology focusing in particular on the Christian self It introduces the hermeneutic quality of Bonhoeffer's theology as a further important feature of his Christian humanism In contrast to secular and religious fundamentalisms Bonhoeffer offers a hermeneutic understanding of truth as participation in the Christ event that makes interpretation central to human knowing Having established the hermeneutical structure of his theology and his personalist configuration of reality Zimmermann outlines Bonhoeffer's ethics as Christformation Building on the hermeneutic theology and participatory ethics of the previous chapters he then shows how a major part of Bonhoeffer's life and theology namely his dedication to the Bible as God's word is also consistent with his Christian humanism

Kierkegaard and the Poetry of the Gospel Frances Maughan-Brown, Rick Anthony Furtak, 2025-09-18 This is the first book in any language to collect scholarly essays on Kierkegaard's extraordinary series of Lily Discourses Long considered merely devotional writings the Lily Discourses constitute a sustained and repeated attempt to respond to the imperative issues in Matthew's Gospel Kierkegaard discovers in figures of the lily and the bird a paradoxical obligation to think together unremittingly both suffering and joy the fleeting nature of experience and the effort to endow this very transience with enduring significance In *Kierkegaard and the Poetry of the Gospel* a diverse group of emerging and established interpreters addresses the religious literary and philosophical dimensions of these discourses In the process they identify and develop a theory of language and of exemplarity crucial to all

of Kierkegaard's writings To ask what the lily and bird teach is also to ask what it means or could mean to be human This collection is pivotal in registering clarifying and celebrating Kierkegaard's multiple responses to that question suspended at the heart of his Lily Discourses It is the go to text for anyone teaching or writing about the Lily Discourses across philosophy literary studies and religion
