George Charles Anter,2018-06-25 Hello there When I was thirty eight years old I discovered that I am the original Jesus Christ and when that happened I knew for sure that this was the greatest discovery that was a culmination of every great discovery and accomplishment that came before At that point as the scientist that I am I knew that my duty to the world was to write down every one of my thoughtforms to share with humanity because my thoughtforms allow all to live their Christ selves effortlessly because they actually make up the divine superstructure of the universe So in reading these thoughtforms they are being activated in your true awareness so that you are able to consciously understand what makes up the original Christ mind and what bridges the gap into your real Christ self This book is part 1 of the construction of the fifth dimension because as Christ I was able to defeat Satan in the Battle of Armageddon I will describe in depth how that happened and that started the fifth dimension of which these thoughtforms are the divine bolts that were invented by me to allow us effortless divinity
