Sung,2011-11-09 In order to fight for a more just society it is necessary to elaborate upon the theoretical reflections that critically analyze the faith and myths that support and legitimize the trajectory of contemporary capitalism and its utopia as well as the faith and the complex relation that exists in between the notions of the subject and societies *The Wisdom and Power of the Cross* Richard Viladesau,2020-09-17 The Wisdom and Power of the Cross is the fifth and final entry in Richard Viladesau s well regarded series on the theology of the cross from the historical crucifixion of Jesus to the present day Continuing his analysis of theological history through cultural contexts this volume correlates theoretical approaches with artistic representations showing the relation of theoretical to imaginative approaches The Wisdom and Power of the Cross examines modern and contemporary thought and images which look at the cross in the light of modern historical and scriptural studies science and the novelties of modern and post modern art and music Viladesau here considers how the passion of Christ has been thought about by theologians and portrayed by artists in the modern world Contemporary art and music reveal the lasting power of traditional images of the passion as well as new possibilities for expression The Wisdom and Power of the Cross surveys both traditional approaches to soteriology and revisionist theologies that take up the challenge of the meaning of the cross today in light of critical historical studies and modern science providing new understandings of traditional concepts like original sin and redemption Through his in depth exploration of the interweaving of aesthetic and conceptual theology Viladesau once more deepens our understanding of the foremost symbol of Christianity and its role in salvation history Contradictions of Capitalist Society and Culture Raju J Das,2023-05-15 Love and truth are important aspects of culture Signifying the crisis of capitalist culture in the contemporary world are their opposites i e hate and lying respectively There is rampant lying for ideological political purposes There is also an increasing absence of genuine love i e love as caring and solidarity which under certain conditions takes romantic forms Ideological political lying is connected to the corruption of love with its confinement to the private sphere of individuals and consequent isolation from the wider unequal society This connection is via capitalism On the one

hand capitalism resorts to ideological political lying to cover up its contradictions that cause alienation suffering of the masses Lying and alienation suffering are not conducive to genuine love in society On the other hand a crisis ridden capitalism produces the right wing politics of lying post truth politics This is also a politics of hatred or post love or anti love against minorities democrats and socialists a politics that is justified by lies about these subjects The fight against hate politics and post truth politics must be part of the fight for a post capitalist world socialist democracy imagined as a truthful and caring world
