Art of Affection Ellen Butler, 2015-08-24 Holly Hartland has spent the last year in Los Angeles finalizing her divorce from an abusive husband and getting her career as an art gallery curator back on track while trying to raise her young daughter She shares a nanny with LAPD detective Gary Sumner whose wife ran off to France with another man abandoning him and his daughter With full time careers to juggle Gary and Holly end up relying on each other to help keep watch over their girls who've become fast friends The platonic co parenting roles they've adopted are perfect for two people who've sworn off romance but the burgeoning sexual chemistry they share proves hard to ignore When a Christmas wish puts the children in danger Holly and Gary are forced to set aside their trust issues and work as a real team to keep their families safe But can they overcome their baggage enough to open up their hearts to love Sensuality Level Sensual **Architect and Engineer of California**, 1909 *Service and Style* Jan Whitaker, 2007-04-01 Downtown department stores were once the heart and soul of America's pulsing Broadways and Main Streets With names such as City of Paris Penn Traffic The Maze Maison Blanche or The Popular they suggested spheres far beyond mundane shopping Nicknames reflected the affection customers felt for their favorites whether Woodie's Wanny's Stek's O T's Herp's or Bam's The history of downtown

department stores is as fascinating as their names and as diverse as their merchandise. Their stories encompass many themes: the rise of decorative design, new career paths for women, the growth of consumerism, and the technological ingenuity of escalators and pneumatic tubes. Just as the big stores made up their own small universes, their stories are microcosmic narratives of American culture and society. The big stores were much more than mere businesses. They were local institutions where shoppers could listen to concerts, see fashion shows, and art exhibits, learn golf or bridge, pay electric bills, and plan vacations, all while their children played in the store's nursery under the eye of a uniformed nursemaid. From Boston to San Diego and Miami to Seattle, department stores symbolized a city's spirit, wealth, and progressiveness. Situated at busy intersections, they occupied the largest and finest downtown buildings, and their massive corner clocks became popular meeting places. Their locations became the epicenters of commerce, the high point from which downtown property taxes were calculated. Spanning the late 19th century well into the 20th, their peak development mirrors the growth of cities and of industrial America when both were robust and flourishing. The time may be gone when children accompany their mothers downtown for a day of shopping and lunch in the tea room, when monogrammed trucks deliver purchases for free the very same day, and when the personality of a city or town can be read in its big stores. But they are far from forgotten, and they still have power to influence how we shop today. Service and Style recreates the days of downtown department stores in their prime from the 1890s through the 1960s. Exploring in detail the wide range of merchandise they sold, particularly style goods such as clothing and home furnishings, it examines how they displayed, promoted, and sometimes produced goods. It reveals how the stores grew, why they declined, and how they responded to and shaped the society around them.

The Colors of Deception Norm Friberg, 2003. Bob Weber is The Sailing Detective. Welcome to his world. Bob Weber's proven expertise in the unravelling of sailing disasters makes him the investigator of choice when a young man disappears from a chartered yacht. Hired by a mysterious, alluring woman to find her missing boyfriend, Weber unearths a baffling series of clues and finds himself drawn into a menacing, seductive, and deadly chain of events. He finds he can believe in only one thing: that no one is telling the whole truth. Weber must rely on his own instincts to uncover the astonishing motive behind the web of deceit and then to think his way out of the most dangerous situation he has ever faced. *The Colors of Deception* is the first in Norm Friberg's series of Bob Weber novels. Love Later On Peggy Knickerbocker, 2021-06-01. Peggy Knickerbocker, a native San Franciscan and daughter of a drama critic and a political activist, had a long and charmed career in the world of food. She taught cooking, ran a catering business in the 1970s, and co-owned with her childhood friend Flicka McGurrin two colorful restaurants; one still thrives on the waterfront with McGurrin as sole owner. In 1989, she left the business to write about food. At first, she wrote steadily for magazines such as *Saveur*, *Food and Wine*, and *Gourmet*, and then went on to write four cookbooks, the last won a James Beard Award. She'd eaten her way through every continent by the time she was done writing about food. Along the way, Knickerbocker had the

greatest friends and a fascinating life including years in Paris She d wrestled most of her demons to the mat but with men she d faltered After an early divorce and one or two good relationships she repeatedly under served herself with her choices Late in middle age Peggy realized that she was quite satisfied with her life That was when the man appeared She d never considered a businessman let alone one originally from the Midwest Since Knickerbocker had come of age in San Francisco s Bohemian North Beach during 70 s she d gone for unconventional and often unavailable men Robert Fisher a widower a man with innumerable attractions pursued her hotly She clung to her independence only to realize she could have it all She discovered the man with whom she d spend her life and along the way the subject of this book Americans and the California Dream, 1850-1915 Kevin Starr,1986-12-04 Series statement from author s Material dreams Bibliography p 460 479
