You Can Overcome the Jealousities in Your Life KaShana K. J. Gallentine, 2011-02 What is a jealousy site you might ask The term jealous means very watchful or careful in guarding or

keeping resentfully suspicious of a rival or a rival's influence resentfully envious resulting from such feelings requiring exclusive loyalty. An ite is a native inhabitant or citizen of a descendent from or offspring of an adherent of believer in or member of. A jealousite is anyone that God wants to deal with who is in need of cleansing from jealousy and envy in your territory and life even if it's yourself. So you've fallen into the pit of sin and jealousy and envy has a hold on you. Is it too late for you or those in your territory or life who may be struggling with this sin? The answer is no. So many are stuck or at a standstill in life while others are watching enviously at those who are pursuing ahead. We can no longer ignore this crisis for it affects our relationships on all levels. Whether it be in your home in the workplace in your school in your church in your family in your friendships or in your nation. Jealousy and envy is lurking through the eyes and hearts of those who are in need of a God-sized transformation. If you are tired of living an average defeated self-consumed and insecure life, this book was designed with you in mind. You don't have to sit back and watch others get to the finish line. You can get in the race and finish your course also. No longer do you have to compare yourself to others but you can find peace with God and others by accepting your value and worth. You yes, you are called to make a difference and a contribution in the lives of others. This book's message is a beckoning call for healing, deliverance, restoration and forgiveness to the broken-hearted. If you've been desiring to get ahead in life to advance beyond the pain, sufferings and struggles you've been experiencing, this is your time.
