Paul Anderson, 2011-07-27 An epic novel of genius and obsession apocalyptic lyrical and erotically charged Spanning three centuries and two cultures *Hunger's Brides* brings to vivid life the greatest Spanish poet of her time Sor Juana In s de la Cruz and plumbs a mystery that has intrigued writers as diverse as Robert Graves Diane Ackerman Eduardo Galeano and Nobel laureate Octavio Paz Why did a writer of such gifts silence herself At the time of her death in 1695 Juana In s de la Cruz was arguably the greatest writer working in any European tongue yet she had never set foot in Europe Instead she was born among the descendants of the Aztec empire in the shadow of the mountain pass Cort s and his troops descended on their advance to Montezuma s capital A child prodigy from a barbarous wilderness her beauty and wit provoked a sensation at the viceregal court in Mexico City But at the age of nineteen still a favourite of the court Juana entered a convent and from that point her life unfolded between the mystery of her sudden flight from palace to cloister and the enigma of her final vow of silence signed in blood After a quarter century of graceful often sensuous poetry plays and theological argument Sor Juana chose silence which she maintained until she died of plague at the age of forty five Drawing on chronicles of the conquest and histories of the Inquisition myth cycles and archeological studies ancient poetry and early Spanish accounts of blood sacrifice *Hunger's Brides* is a mammoth work of inspired historical fiction framed in a contemporary mystery In the dead of a Calgary winter night a man escapes from an apartment in which a young woman lies bleeding in his arms he clutches a box he has found on her table addressed to him He is Donald Gregory a once respected now disgraced academic She is Beulah Limosneros one of his students and for a brief time his lover Brilliant erratic voracious she had disappeared two years earlier in Mexico following the thread of her growing obsession with Sor Juana Over the ensuing days and weeks as a police investigation closes in around him Gregory pieces together the contents of the box she has left him a poetic journal of her travel in Mexico diaries research notes unposted letters and a strange manuscript part biography part novel on Sor Juana *Hunger's Brides* is a dramatic unveiling of three intimate journeys a man s forced march to self knowledge a great poet s withdrawal from the world and a profane mystic s pilgrimage into modern Mexico in which the bones of the past constantly poke through a present built on the ruins of the vanquished Excerpt from *Hunger's Brides* From the moment I was first illuminated by the light of reason my inclination toward letters has been so vehement that not even the admonitions of others nor my own meditations have been sufficient to cause me to forswear this natural impulse that God placed in me that inclination exploded in me like gunpowder Sor Juana in a letter of self defence written to a bishop in 1691 just before she took a vow of silence **Love and the Universe** Albert Durrant Watson, 1913

The Mark of Cain J. Reid Meloy, 2013-06-17 *The Mark of Cain* makes available for the first time the accumulated psychoanalytic understanding of the psychopathic mind Editor Reid Meloy a leading authority on the psychology of the

psychopath has brought together in a single collection the most historically important psychoanalytic papers on the psychopath and delineated their continuing relevance to contemporary understanding According to Meloy two theoretical traditions flow into the psychoanalytic understanding of psychopathy The first tributary focuses on the early development of the psychopath in order to illuminate how a profound alteration in self regard leads both to a denigration of the other and to an impulsive search for gratification in the present The second tributary seeks to locate the psychopathic miscarriage of human potentiality within analytic theories of personality structure and clinically grounded differential diagnosis Meloy presents the major contributions associated with both of these traditions Included within this body of literature are the original formulations of concepts that have long since become part of the psychoanalytic nomenclature the affectionless juvenile offender the diagnostic significance of affect hunger the behavioral consequences of superego lacunae the recourse to promiscuous identification in the impostor and the paradoxically lethal lure of malignant narcissism Of special interest are Meloy's historical notes to each chapter and two section introductions the latter major essays in their own right The explosion of empirical research on psychopathy over the past two decades masks the fact that much contemporary work in this area is grounded in the clinical formulations of leading psychoanalysts of the twentieth century *The Mark of Cain* rescues this intimate understanding of the inner world of the psychopath and thereby contributes to clinical realism in the face of deception manipulation exploitation and even frank dangerousness *Love's Knowledge* Martha C. Nussbaum, 1990-11-15

This volume brings together Nussbaum's published papers on the relationship between literature and philosophy especially moral philosophy The papers many of them previously inaccessible to non specialist readers deal with such fundamental issues as the relationship between style and content in the exploration of ethical issues the nature of ethical attention and ethical knowledge and their relationship to written forms and styles and the role of the emotions in deliberation and self knowledge Nussbaum investigates and defends a conception of ethical understanding which involves emotional as well as intellectual activity and which gives a certain type of priority to the perception of particular people and situations rather than to abstract rules She argues that this ethical conception cannot be completely and appropriately stated without turning to forms of writing usually considered literary rather than philosophical It is consequently necessary to broaden our conception of moral philosophy in order to include these forms Featuring two new essays and revised versions of several previously published essays this collection attempts to articulate the relationship within such a broader ethical inquiry between literary and more abstractly theoretical elements **Finding the Right Woman for You** Michelle McKinney Hammond, 2005-01-01

And now a look at the single life geared toward the male perspective Relationship expert Michelle McKinney Hammond turns her attention to single men and offers them an insider's glimpse into the mysterious world of woman She outlines how to seek a fulfilling relationship with the opposite sex how to clean up their dating life and how to thoughtfully pursue the woman of their dreams Male readers will deem this the ultimate guide to successfully finding and keeping the love of their life

Dismemberment in the Fiction of Toni Morrison Jaleel Akhtar,2014-06-19 Dismemberment in the Fiction of Toni Morrison is a multifaceted study of Toni Morrison s fiction It investigates racism and the concomitant experiences of dismemberment in Morrison s fiction from multiple perspectives including history psychology and culture Looking at dismemberment from multiple perspectives rather than the more generic and abstract expression of fragmentation likens the impact of racism on individuals to the splitting of bodies amputation phantom limbs and traumatic memories and in more concrete and visceral terms Morrison s art of story telling involves an interactive conversation from multiple perspectives demanding more attentive participation from her readers in deconstructing the meaning of her narratives Studying her fiction from multiple perspectives suggests various ways of examining the pernicious impact of racism which produces various forms of dismemberment in her characters This investigation does this without giving prominence to one perspective at the expense of other equally relevant modes of interpretation Morrison s depiction of the trauma of racism on the psyche of her characters and the concomitant experiences of dismemberment has its roots in the historical and social realities of African Americans The psychological impact of racism on Morrison s characters requires viewing through the lens of the historical and social realities that play a significant role Morrison enacts racial alienation and dismemberment as complex processes it is consequently important to look at her project from multiple perspectives Examining the lived reality of African Americans from only one perspective ignores dismemberment in the light of the socio political and historical realities of African American experience in the United States and entails reconsideration of the physical historical social and psychological realities This investigation argues for the importance of combining these historical and psychological as well as sociocultural analyses of Morrison s fiction in order to acquire a more rounded understanding of racism and its debilitating

effects on the psyche By situating Morrison s fiction within a variety of discourses this study offers a multifaceted highly interdisciplinary framework for a more rewarding analysis of her fiction **Ambassadors of Light** Jasmuheen,2000

Rabindranath Tagore is an extraordinary collection that showcases the multifaceted genius of one of India's greatest literary figures. Encompassing poetry, prose, plays, and essays, this anthology is a testament to Tagore's profound exploration of human emotions and his nuanced understanding of nature and society. Written in both Bengali and English, the works reflect a unique blend of lyrical beauty and philosophical depth, illustrative of literary innovations that bridge Eastern and Western traditions. The context of the early 20th century, marked by colonial tensions and a burgeoning spirit of nationalism, informs much of Tagore's writing, resonating with themes of identity, freedom, and the interplay between individuals and their cultural landscapes. Rabindranath Tagore, the first non-European laureate of the Nobel Prize in Literature, was not only a poet but also a painter, philosopher, and educator. Born into a prominent Bengali family in 1861, Tagore was immersed in a rich cultural environment that cultivated his artistic inclinations. His travels through Europe and interactions with global intellectuals greatly influenced his worldview, allowing him to synthesize diverse ideas and express them through his art. His commitment to social reform and spirituality deeply informed his literary output, which remains timeless and universal. This compendium is essential for anyone seeking to delve into the rich tapestry of Tagore's thought and creativity. It serves not just as a collection of literary works but as an invitation to reflect on the complexities of existence, love, and beauty. Readers, both familiar and new to his oeuvre, will find themselves captivated by Tagore's lyrical mastery and his enduring relevance in today's world.
