Fragments of a Love Story Llewellyn Vaughan-Lee,2011-09-01 The mystical path is the most intoxicating and paradoxical difficult and even dangerous journey one can ever take Fragments of a Love Story is a series of personal writings describing the passionate love heartache and confusion that belong to this journey In particular Llewellyn Vaughan Lee explores what for him is a central paradox what belongs to the individual the I who makes the journey and what belongs to God Whose journey really is it He discusses this primary mystical question from his own experiences of 40 years travelling the mystical path within the context of the Sufi tradition Some of these passages are very personal heartfelt full of contradictions and difficulties he has experienced Other passages are more objective more detached placing his experiences and questions clearly within this ancient mystical tradition In this way he shows how the Sufi path is lived today by a contemporary mystic Fragments of a Love Story takes the reader beneath the surface into the heart of the mystical relationship with the Divine which for the Sufi is the relationship of lover and Beloved He describes how this secret love affair is within the heart of each of us waiting to come alive unique to each of us and yet how confusing it can be especially for our rational Western consciousness This book is about the story of the soul and the passion that exists within the core of our being and how demanding and difficult it is to live this love affair But it also describes the beauty wonder and power of the divine love that awakens within the heart a love that is within each of us Llewellyn Vaughan Lee is a Sufi teacher and author and these writings come from his own experience of the Sufi path

Jesus and Mary Magdalene: a Love Story M. P. Burns, 2008-08-14 Forget Dan Brown this is very probably the REAL story and it's more beautiful than you could imagine In this book the author attempts to tell the story of Jesus and Mary in the first person hoping thereby to enter their minds to some degree Jesus as well as being the Eternal Word of God is seen as being completely human like us in all things except sin as St Paul puts it The implication is that besides experiencing weakness limitation and even ignorance he must have been a fully integrated sexual being with his sexuality playing a decisive part in his psychology In accordance with the theory advanced by Ramon K Jusino in his article Mary Magdalen author of the fourth Gospel Mary is seen as the mysterious disciple whom Jesus loved who features prominently in the fourth Gospel Their relationship is explored with what is hoped is openness and honesty The work is itself fictional but follows closely the Gospel narratives The generous preview gives a good taste of the book
