The Passion of Pier Paolo Pasolini Sam Rohdie, 2019-07-25 a keen and brilliant critical account of Pasolini's films and writings Italic Rohdie's personal idiosyncratic critical style is backed up by serious scholarly research as the rich bibliography attests This is one of the most original recent additions to the ever growing literature on Pasolini Choice refreshingly personal and full of unpredictable tangents Film Quarterly Sam Rohdie has written a personal wonderfully lucid account of Pier Paolo Pasolini's cinema and literature

Love and Capital Mary Gabriel, 2011-09-14 Brilliantly researched and wonderfully written Love and Capital reveals the rarely glimpsed and heartbreakingly human side of the man whose works would redefine the world after his death Drawing upon previously unpublished material acclaimed biographer Mary Gabriel tells the story of Karl and Jenny Marx's marriage Through it we see Karl as never before a devoted father and husband a prankster who loved a party a dreadful procrastinator freeloader and man of wild enthusiasms one of which would almost destroy his marriage Through years of desperate struggle Jenny's love for Karl would be tested again and again as she waited for him to finish his masterpiece Capital An epic narrative that stretches over decades to recount Karl and Jenny's story against the backdrop of Europe's Nineteenth Century Love and Capital is a surprising and magisterial account of romance and revolution and of one of the great love stories of all time

Matthew Arnold G. W. E. Russell, This book is intended to deal with substance rather than with form But in estimating the work of a teacher who taught exclusively with the pen it would be perverse to disregard entirely the qualities of the writing which so penetrated and coloured the intellectual life of the Victorian age Some cursory estimate of Arnold's powers in prose and verse must therefore be attempted before we pass on to consider the practical effect which those powers enabled him to produce And here it behoves a loyal and grateful disciple to guard himself sedulously against the peril of overstatement For to the unerring taste the sane and sober judgment of the Master unrestrained and inappropriate praise would have been peculiarly distressing This caution applies with special force to our estimate of his rank in poetry That he was a poet the most exacting the most paradoxical criticism will hardly deny but there is urgent need for moderation and self control when we come to consider his place among the poets Are we to call him a great poet The answer
