Song Tracey Garvis Graves, 2021-11-09 A heartwarming love story about starting over and second chances from the New York Times bestselling author of *The Girl He Used to Know* Love doesn't always wait until you're ready Layla Hilding is thirty five and recently divorced Struggling to break free from the past her glory days as the lead singer in a band and a ten year marriage to a man who never put her first Layla's newfound independence feels a lot like loneliness Then there's Josh the single dad whose daughter attends the elementary school where Layla teaches music Recently separated he's still processing the end of his twenty year marriage to his high school sweetheart He chats with Layla every morning at school and finds himself thinking about her more and more Equally cautious and confused about dating in a world that favors apps over meeting organically Layla and Josh decide to be friends with the potential for something more Sounds sensible and way too simple but when two people are on the rebound is it heartbreak or happiness that's a love song away Heard It in a Love Song is a sweet contemporary romance about finding love after heartbreak and getting a second chance at happily ever after **It**
