Love Me Love Myie:

Scaedrein Infiltration Puppet,2010-08-05 Scaederin Infiltration depicts the tail end of multiple conspiracies spanning an eighteen year period and how seemingly insignificant events are determining factors for the fate of three different cultures. The secrets kept, the lies told to protect the larger agendas. This book tells of love and conflict at many levels, the reawakening of the spirit. The civil rights of two different species are under the knife. A majority of the known galaxy under control by these Scaedreins while the other remaining galactic super powers sit with their hands tied, unable to do anything at the moment. The story is initially centered around the first three main characters whose exploits get them tangled in this web of deceit, betrayal, and cultural revolution. A twisting plot that grows while the characters move through corridors, tunnels, caves, and jungles. The questions of where, how, when, and why the events are taking place depicted by other primary characters in the political world of the story: the Scaedrein Captain, the lead directors, the Jid commander, and Tyagnoome. The midway point is defined by a spearhead offensive designed to engage the enemy at three different locations, but is it designed to fail? A connecting significance to a larger piece of this story based deeply on the beliefs of others, but of the stories I've read, none have ever left me guessing as much as this book, and I wrote it. This story is told by unheard voices sailing across the kintetic web of creation, then depicted by those who choose to listen. I am Puppet, the pen is my master.
