Love That Works The Art And Science Of Giving:

Love That Works ,2009 This original highly readable book poses a clear distinction between our customary form of love which almost guarantees failure and higher more generous ways of loving that can succeed and enrich both individuals and society as a whole Love That Works draws on history psychology and the theology and science of love to offer a proposal on how to be successful in love and romance It starts by showing why love fails to meet expectations often ending sadly or even tragically

Religious Giving David H. Smith,2010-04-06 Religious Giving considers the connection between religion and giving within the Abrahamic traditions Each contributor begins with the assumption that there is something inherently right or natural about the connection But what exactly is it To whom should we give how much should we give what is the relationship between our giving and our relationship to God Writing for the introspective donor congregational leader or student interested in ways of meeting human needs the authors focus on the philosophical or theological dimensions of giving The contributors goal is not to report on institutional practices but to provide thoughtful constructive guidance to the reader informed by a critical understanding of the religious traditions under review

Themes of Work and Love in Adulthood Neil J. Smelser,Erik Homburger Erikson,1980 Revised papers from a conference under the auspices of the Western Center of the American Academy of Arts and Sciences which was held May 8 9 1977 at the Center for Advanced Study of the Behavioral Sciences in Palo Alto California

What is Love? Vijay Shankar Sharma,2018-06-27 Love plays an important part in our lives Countless books and relationship experts talk about love as the panacea for all ills in the world With the entire existing knowledge on the subject of love painstakingly researched for this book it is clear that no one really knows what love is how it happens or how can it be given or taken All that is known are the chemical changes that happen inside people in love or how they feel and other non specific things Do you know what is love Do you think it is possible to define love in a definitive and actionable manner Do you think there can be actionable guidelines on how to give and get love in any relationship Do you think love between for Parents Children Siblings Friends Pets Causes and Objects cannot be compared Do you think love will work in business and leadership Do you think love will work in all human interactions Do you think love can be measured Prepare to be pleasantly surprised
