Broken Sentinel Leah Sherri, 2025-01-25 There is a world unknown to those who dream A world that has been at war for hundreds of years A war that is fought in the unconsciousness of those who dream between the Guardians and Night Terrors For the past twenty five years the guardians have been on the run hunted by the Night Terrors with no hope for survival except for the prophecy that was foretold at the beginning of the war One that stated there would be two Guardians Keepers who would tip the scale and bring peace finally ending the war But with one missing and the other refusing to accept her foretold future will the Guardians prevail or be destroyed by the Night Terrors and dreams thrown into darkness forever I was nine when I lost my mother Nine when I realized the true evils in the world Nine when everything changed My mother always told me I was special that Micah and I were meant to do great things She never said anything about bringing an end to the war my ancestors started She never said Micah and I were the chosen ones the Keepers of Prophecy foretold by The Messenger She never said that I would see the ones I love die in front of me or that this gift would be a curse Now at fifteen I feel alone Micah is nowhere to be found I was adopted four and a half years ago Only my four year old sister Rylee knows who or what I am I don't want this curse I would have done anything to get rid of it That was until I met Kara and her friends others of my kind Now I have a choice to make their lives in trade for not only my own without this curse but my mother's as well
