Ed McBain

Lullaby Vespers And Widows Three Classic Novels Of The 87th Precinct:

Lullaby Ed McBain, 2001 *McBain Trio* Ed McBain, 2011 Three classic novels of the 87th precinct Ed McBain/Evan Hunter Erin E. MacDonald, 2014-01-10 One of the most prolific crime writers of the last century Evan Hunter published more than 120 novels from 1952 to 2005 under a variety of pseudonyms He also wrote several teleplays and screenplays including Alfred Hitchcock's *The Birds* and the 1954 novel *The Blackboard Jungle* When the Mystery Writers of America named Hunter a Grand Master he gave the designation to his alter ego Ed McBain best known for his long running police procedural series about the detectives of the 87th Precinct This comprehensive companion provides detailed information about all of Evan Hunter's Ed McBain's works characters and recurring themes From police detective and crime stories to dramatic novels and films this reference celebrates the vast body of literature of this versatile writer **Lullaby** Ed McBain, 2004-09 Detectives Carella and Meyer investigate the murders of a babysitter and her infant charge Fat Ollie's Book Ed McBain, 2003-11-25 While investigating a councilman's murder with Kling and Carella Fat Ollie's manuscript for a novel he is writing is stolen from a briefcase in his car **American Book Publishing Record**, 2002 **Vespers** Ed McBain, 2004-09-28 When the symbol of a Satanic cult is left at the murder scene of a young Catholic priest the cops of the 87th Precinct must keep it from becoming the spark which ignites the racial and ethnic tensions smoldering in the city

Widows Ed McBain, 2004-10-26 When a beautiful young woman is found murdered in a lush penthouse apartment the only clues are a steamy collection of erotic letters and 32 separate knife wounds Soon the young woman's elderly lover who leaves behind his ex wife two daughters and a current wife is also murdered Reissue *The Frumious Bandersnatch* Ed McBain, 2004-01-02 It should have been the night that launched a new pop idol Tamar Valparaiso is young and beautiful with the body and voice of an angel and the stage is set for her to launch her debut album *Bandersnatch* on a luxury yacht in the heart of the city But halfway through her performance while the partygoers look on helplessly masked men drag Tamar off the stage and into a waiting speedboat Detective Steve Carella is just showing up for the graveyard shift when news of the kidnapping comes in Working disjointedly with a Joint Task Force that calls itself *The Squad* Carella and the men and women of the Eight Seven must find Tamar before time or indeed her very life runs out In this brilliant look at the music industry Ed McBain once again combines his mastery of the form with the fast paced dialogue and intricate plotting that have become his signature *Crime Writers* Elizabeth Haynes, 2011-01-19 This invaluable resource provides information about and sources for researching 50 of the top crime genre writers including websites and other online resources *Crime Writers A Research Guide* is an easy to use launch pad for learning more about crime fiction authors including those who write traditional mystery novels suspense novels and thrillers with crime elements Emphasizing the best and most popular writers the book covers approximately 50 contemporary authors plus a few classics like Agatha Christie Each entry provides a brief quotation that gives some indication of writing style a biographical sketch lists of major works and awards and research sources

including websites biographies criticism and research guides There are also read alike for selected authors Of special note is the inclusion of websites and other online resources such as blogs and social networking sites which are often overlooked in author reference sources The book also provides an overview of the genre and subgenres a timeline and a comprehensive bibliography An ideal resource for genre studies and literature classes this guide will also be invaluable to readers advisors book club leaders students and genre fans

The Blackboard Jungle Evan Hunter, 2004-09-28 Written in 1954 this controversial story cracked down on the public school system and dramatized student violence as no other novel of its time It also spawned the classic 1955 film that introduced the world to Sidney Poitier and rock and roll music Now reissued for its 50th anniversary

Fiddlers Ed McBain, 2007-02-01 A police detective hunts for a pattern in a puzzling murder spree in this mystery by a master Time A blind violinist taking a smoke break A cosmetics sales rep cooking an omelet in her own kitchen A college professor trudging home from class A priest contemplating retirement in the rectory garden An old woman walking her dog These are the seemingly random targets all shot twice in the face But most serial killers don't use guns Most serial killers don't strike five times in two weeks And most serial killers victims have something more in common than just being over fifty years of age Now it falls to Det Steve Carella and his colleagues in the 87th Precinct to find a connection that will crack this case before another body is found As Entertainment Weekly said about this long running much loved police procedural series Imagine your favorite Law Order cast solving fresh mysteries into infinity with no reruns and you have some sense of McBain's grand ongoing accomplishment

Hark! Ed McBain, 2004-08-04 Ed McBain concocts a brilliant and intricate thriller about a master criminal who haunts the city with cryptic passages from Shakespeare directing the detectives of the 87th Precinct to a future crime if only they can figure out what he means The 87th Precinct gets a visit from one of the city's most accomplished criminals a thief known as the Deaf Man Because he might be deaf Or he might not So little is known about the man who is harassing Detective Steve Carella with puzzling messages that it is hard to tell But as soon as a pattern emerges the detectives of the 87th are forced to hit the books and brush up on their Shakespeare because each new clue contains a line from one of his works Unless they can crack the complicated riddles and beat the Deaf Man at his own cat and mouse game someone is going to end up hurt or something will be stolen or both It's always so hard to tell with the Deaf Man Ed McBain brings his most intelligent and devious criminal back to the 87th Precinct with a richly plotted and literary crime

The Last Dance Ed McBain, 1999-11-17 The fiftieth novel in the 87th Precinct series Ed McBain returns to Isola where detectives Meyer Meyer and Steve Carella investigate a murder which leads them to the seedy strip clubs and bright lights of the theater district In this city you can get anything done for a price If you want someone's eyeglasses smashed it'll cost you a subway token You want his fingernails pulled out His legs broken You want him more seriously injured You want him hurt so he's an invalid his whole life You want him skinned you want him burned you want him don't even mention it in a whisper killed It can be done Let me talk to someone It can be done The hanging death of a nondescript

old man in a shabby little apartment in a meager section of the 87th Precinct was nothing much in this city especially to detectives Carella and Meyer But everyone has a story and this old man s story stood to make some people a lot of money His story takes Carella Meyer Brown and Weeks on a search through Isola s seedy strip clubs and to the bright lights of the theater district There they discover an upcoming musical with ties to a mysterious drug and a killer who stays until the last dance The Last Dance is Ed McBain s fiftieth novel of the 87th Precinct and certainly one of his best The series began in 1956 with Cop Hater and proves him to be the man who has been called so good he should be arrested *Money, Money, Money* Ed McBain,2001-10-19 It is Christmas in the city but it isn t the giving season A retired Gulf War pilot a careless second story man a pair of angry Mexicans and an equally shady pair of Secret Service agents are in town after a large stash of money and no one is interested in sharing The detectives at the 87th are already busy for the holidays Steve Carella and Fat Ollie Weeks catch the squeal when the lions in the city zoo get an unauthorized feeding of a young woman s body And then there s a trash can stuffed with a book salesman carrying a P 38 Walther and a wad of big bills The bad bills and the dead book salesman lead to the offices of a respected publisher Wadsworth and Dodds This is good news for Fat Ollie because he s working on a police novel one written by a real cop and he s sure it s going to be a bestseller *Alice in Jeopardy* Ed McBain,2005-01-03 From the master of the suspense novel comes another gripping tale of mystery money and mayhem that skillfully weaves together an elegant plot and compelling characters once again I have your children Don t call the police or the ll die It s a nightmare no parent should ever endure Especially Alice Glendenning a South Florida real estate agent who hasn t managed to sell a single home or collect any insurance money after her husband s fatal boating accident Her daughter and son s kidnappers demand 250 000 the exact amount she s supposed to receive from the insurance company To complicate matters her housekeeper has contacted the police a glaring error in judgment that puts a spotlight on the crime the children s lives at risk and Alice in jeopardy *Learning to Kill* Ed McBain,2007-06-04 A gripping collection of crime stories from the author of the acclaimed 87th Precinct novels People Ed McBain s 87th Precinct is perhaps the finest police procedural series of all time Publishers Weekly But before he turned to novels McBain wrote short crime fiction under various names for pulp magazines including Manhunt and Argosy Collected in this anthology are twenty five of these early stories organized under headings such as Women in Jeopardy Private Eyes Loose Cannons and Gangs For fans of Ed McBain the author s introduction to this anthology will be just as exciting as the stories themselves There and in his introductory notes to each section he offers valuable insight into his writing and his singular career **The Chisholms** Evan Hunter,2003-12-30 Follows one American family in their quest to stake their claim to the American frontier as they search for the ultimate American dream **St. James Guide to Science Fiction Writers** Jay P. Pederson,1996 Concise discussions of the lives and principal works of prominent science fiction authors written by subject experts **Contemporary Authors New Revision Series** Pamela Dear,2001-07 In response to the escalating need for up to date information on writers Contemporary Authors New Revision

Series brings researchers the most recent data on the world's most popular authors. These exciting and unique author profiles are essential to your holdings because sketches are entirely revised and up to date and completely replace the original Contemporary Authors entries.
