

SAILING FROM THE UNITED STATES

In this country I planted not one seed
Moved from address to address, did not plead
For justice in its courts, fell in love and out,
Thrust my arm into the sea and could not pull it out;
I did not see the summer lose its balance
Or organize the lonely in a gang, by chance
I did not build a city or a ship, or burn
The leaves that fell last autumn, in my turn
Built by the numb city building noise,
I learned my soul, morning and night are decoys
To catch a gesture to end the profit of the grave.

I raved, lost a country its hills and heroes
In a country that taught me to talk. I oppose
Its marketplace and thoroughfares, its family clung
To loveless occupation, mocking its young
Quick to grow protective imitation.
It is noon on the clock in the subway station,
On my mouth the clerks and laborers are killed,
Their galley slave brains folded and spilled
Upon my table. I will not eat upon these stains
This history, kiss this mouth, bend these sprains
For occupation. Will not change my mind.

The wind in my house is not a wind through olive trees,
I make no music of the janitor's keys,
I fashion no reed, no pipe, have not the wind for it,
Gold and violent death are counterfeit.

Bequeathed Writings and Poems of Hermann Lauscher Hermann Hesse, Published in Basel in 1901 though often attributed to 1900 *Hinterlassene Schriften und Gedichte von Hermann Lauscher* was presented as the posthumous papers of one Hermann Lauscher a playful literary device concealing the true author Hermann Hesse himself Issued by a small Basel publisher Reich this book is a curious hybrid of prose and poetry half fiction and half autobiography Hesse then in his early twenties adopted the persona of Hermann Lauscher as a kind of alter ego or fictional narrator The volume includes Lauscher's introspective sketches reflections on art and life and interspersed poems all purportedly found and published after Lauscher's untimely death In reality of course the work was entirely Hesse's own creation an early experiment in blending life and art The publication history of Hermann Lauscher is notable it had a limited release as a booklet but it succeeded in drawing critical attention Positive reviews about this book caught the eye of the eminent publisher Samuel Fischer in Berlin who then reached out to Hesse Thus Hermann Lauscher became a turning point it impressed the literary establishment enough to give the young writer his first big break with a major publisher Initially dismissed as obscure Hermann Lauscher gained retrospective acclaim for its avant garde structure and psychological acuity The work's pseudonymous framing echoing the ironic detachment of early modernism underscores Hesse's growing distrust of literary pretension Its thematic preoccupations artistic paralysis the commodification of beauty anticipate the self-referential critiques of his later novels cementing its role as a harbinger of 20th century literary introspection This new edition features a contemporary translation of Hermann Hesse's early work making his philosophical and existential literature accessible to modern readers Enhanced by an illuminating afterword that focuses on Hesse's personal and intellectual relationship with Carl Jung a concise biography a glossary of essential philosophical terms integral to his writings and a detailed chronology of his life and major works this robust edition introduces readers to the brilliance of Hesse's literature It captures the depth and nuance of Hesse's thought and highlights its enduring impact on contemporary culture and spiritual inquiry throughout the 20th century The New York Times Book Review, 1991-07 **Herd Register** American Jersey Cattle Club, 1929 *The Poems and Sonnets of Louise Chandler Moulton* Louise Chandler Moulton, 1908 Louisa May Alcott and Little Women Biography, Critique, Publications, Poems, Songs and Contemporary Relevance Gloria T. Thurston, 2009-12-21 The hero's descent into the Underworld is not only one of the oldest stories in western literature it is also one of the most often retold Why do so

many modern poets British and American black and white male and female from the metropole and from the margins stage Underworld descents in their works Through a series of contextualized close readings this study traces the cultural work performed by modern deployments of the classical narrative While some poets engage their literary forebears to exorcise anxiety and others use Hell to sharpen their cultural critique most recent poets including James Merrill Derek Walcott Tony Harrison and Seamus Heaney have found the Underworld descent to be a useful framework for addressing the claims of history and politics
