to the present *Longing for Love* Debra Clopton, 2019-07-28 Sometimes a dream might need a rewrite Erin Sinclair's dream of running a successful B & B is on shaky ground Her tiny Inn is building a good reputation but needs more guest and more good reviews When a New York Times bestselling author's agent books the honeymoon suite as a writing retreat it is an opportunity to put The Inn at Sunset Bay on the map The Nash Bond is coming to her B & B for two months and Erin can hardly believe it But he has a reputation of being hard to handle when he's in the midst of a book And he's reclusive too So what is he doing coming to her B & B And what if she's unable to satisfy him What if instead of a good review he gives her a terrible review Everything is on the line is she up for the challenge She has to be Nash Bond needs this book He needs to get out of the slump he's in but a year ago his life changed when he lost his adoptive father his hero and the words that had once flowed without worry suddenly dried up in his grief Now his agent is shaking things up by booking him a special room in a special place her words and she insists he give it a try She reminds him his publisher is getting impatient He knows everything is on the line He doesn't like it at all and when he meets the gorgeous but pushy B & B owner sparks fly He's suddenly feeling things he's never felt before but with his past he knows all too well that longing for love leaves a person open to pain thus he locked his heart away a long time ago and has no plans to change But on the shores of Sunset Bay can romance bloom Can love heal a broken heart and give him a happily ever after he never thought he wanted Or needed

 volume was first published by Inter Disciplinary Press in 2015 This volume presents interdisciplinary explorations aiming to
 understand the interaction and interconnection between the concepts of love and gender Throughout the chapters the reader
 can pursue various representations of gender and love and explore how their meanings are produced in different periods and
 geographies These representations produce embodied individuals and shared meanings in which gender and love mutually
 construct each other As you will see in the following chapters what we set out to understand most of the time was not
 individual relationships but the relations of power Thus these essays show how gender and love are represented in various
 discourses produced in knowledge in philosophy psychology literature and popular culture and regulated by the discursive
 practices and disciplinary techniques of different societies *Believe in Love & Joy: The Collection of the Greatest

Stöckl, 2021-01-18 Despite the recent turn to affects and emotions in the humanities and despite the unceasing popularity of romantic and erotic love as a motif in fictional works of all genres the subject has received surprisingly little attention in academic studies of contemporary drama Love in Contemporary British Drama reflects the appeal of love as a topic and

driving force in dramatic works with in depth analyses of eight pivotal plays from the past three decades Following an interdisciplinary and historical approach the study collects and condenses theories of love from philosophy and sociology to derive persisting discourses and to examine their reoccurrence and transformation in contemporary plays Special emphasis is put on narratives of love s compensatory function and precariousness and on how modifications of these narratives epitomise the peculiarities of emotional life in the social and cultural context of the present Based on the assumption that drama is especially inclined to draw on shared narratives for representations of love the book demonstrates that love is both a window to remnants of the past in the present and a proper subject matter for drama in times in which the suitability of the dramatic form has been questioned
