Benton,2005-03 It s time for a change *The Fran with Four Brains* Jim Benton,2006-12-26 SO MUCH TO DO SO LITTLE TIME The Invisible Fran Jim Benton,2004-09 Two heads Are dumber than one The Early Reader in Children's Literature and Culture Jennifer Miskec,Annette Wannamaker,2015-12-22 This is the first volume to consider the popular literary category of Early Readers books written and designed for children who are just beginning to read independently It argues that Early Readers deserve more scholarly attention and careful thought because they are for many younger readers their first opportunity to engage with a work of literature on their own to feel a sense of mastery over a text and to experience pleasure from the act of reading independently Using interdisciplinary approaches that draw upon and synthesize research being done in education child psychology sociology cultural studies and children s literature the volume visits Early Readers from a variety of angles as teaching tools as cultural artifacts that shape cultural and individual subjectivity as mass produced products sold to a niche market of parents educators and young children and as aesthetic objects works of literature and art with specific conventions Examining the reasons such books are so popular with young readers as well as the reasons that some adults challenge and censor them the volume considers the ways Early Readers contribute to the construction of younger children as readers thinkers consumers and as gendered raced classed subjects It also addresses children s texts that have been translated and sold around the globe examining them as part of an increasingly transnational children s media culture that may add to or supplant regional ethnic and national children s literatures and cultures While this collection focuses mostly on books written in English and often aimed at children living in the US it is important to acknowledge that these Early Readers are a major US cultural export influencing the reading habits and development of children across the globe **The Fashion Disaster** Carolyn Keene,2007-02-06 Nancy Drew investigates when someone steals a basket of gourmet dog biscuits from a dog show **Frantastic Voyage** Jim Benton,2006 Franny s faithful lab assistant Igor has swallowed a doomsday device that is ready to go off at any moment For any regular scientist there is only one way to get the device out um make that two ways But Franny K Stein is no ordinary scientist so she concocts her own way to get the device back and save her friend With her miniaturization machine Franny shrinks herself to the size of a pin and goes on a field trip like no other through the body of a ticking time dog Fasten your seatbelts it s going to be a bumpy ride **Beyond Leveled Books** Franki Sibberson,Karen Szymusiak,Lisa Koch,2023-10-10 In Beyond Leveled Books Second Edition Franki Sibberson Karen Szymusiak and Lisa Koch provide even more resources to help teachers understand and meet the needs of transitional readers The key topic of series books has been revised and enlarged with charts outlining new series with the challenges they pose and supports readers need New lessons have been added and most chapters now include a related article from a literacy expert Some of the contributors include Kathy Collins Larry Swartz and Mary Lee Hahn Leveled books are an indispensable tool for teaching children to read especially for emergent readers but the authors of Beyond Leveled Books are sounding the alarm about the overuse and misuse of leveling and the way it restricts teacher

autonomy and undermines student choice and reading engagement The authors lay out a blueprint for using leveled books effectively within a student centered and differentiated approach that is designed to motivate all readers particularly transitional ones Teaching Transitional Readers Beyond Leveled Books is packed with resources to help teachers understand and meet the needs of transitional readers including examples of classroom instruction sample mini lessons strategies for small group instruction assessment techniques and articles by literacy experts Resources for K 5 Classrooms The book explores the uses and limitations of leveled texts in primary reading instruction including ideas for how to organize your classroom library and a list of great books and series to use alongside leveled text in supporting new readers Gateway to Independent Reading The authors provide explicit tools for helping students consolidate their skills and reading strategies to read widely and deeply to increase their vocabulary and build critical thinking Making Reading Fun Teach students to experience joy from reading through deeper comprehension and application Beyond Leveled Books is an essential resource for K 5 teachers looking to help all readers including budding readers struggling readers transitional readers and readers who have plateaued

Bad Hair Day Jim Benton, 2019-07-23 Franny K Stein is back with another laugh out loud experimental adventure in the eighth book in the Mad Scientist series from Jim Benton the New York Times bestselling author illustrator of the Dear Dumb Diary and It's Happy Bunny series Franny K Stein isn't a fan of glamour She doesn't style her hair the thought of wearing makeup makes her want to gag and she couldn't care less about wearing dressy dresses when she'd much prefer her lab coat But sometimes Franny wonders if her mom wishes she were different Which gives Franny an idea for an experiment What if she can turn the beauty products her mom loves into something more exciting Every experiment has its experimental error and when Franny's hair takes on a life of its own Franny must save the day and her hair to finally realize her mom loves her just the way she is

Recipe for Disaster Jim Benton, 2020-07-21 Franny K Stein is back with another laugh out loud experimental adventure in the ninth book in the Mad Scientist series from Jim Benton the New York Times bestselling author illustrator of the Dear Dumb Diary and It's Happy Bunny series Franny K Stein isn't a good baker But when she sees that the fundraisers for the art and music departments at her school aren't making enough money she decides to take matters into her own hands Using her genius mind and kitchen which is really just another type of laboratory she sets out to create The Most Delicious Muffin On Earth Sales of course go through the roof But bad things can happen when people become exposed to the best thing they've ever tasted They can become overenthusiastic

The Frandidate Jim Benton, 2008-09-02 Franny K Stein Mad Scientist has always had her eye on world domination but she has to start somewhere like her class elections If people voted for her they were giving her all the control she wanted But Franny's platform doesn't have the same appeal as her competitors who are offering new playground equipment so she finds another platform The Frandidate Made of DNA samples from a dog a chameleon and a parrot along with a scrap of carpet so she'll know where people stand Franny creates the perfect candidate who says and does exactly what people want to hear

But soon her suit starts making promises she knows she won't be able to keep and Franny realizes she might have gone too far. **The Frandidate** will give you everything you want: science humor and some old-fashioned politics. **Mood Science** Jim Benton, 2021-08-31. Fans of *Goosebumps* and Bill Nye the Science Guy will fall head over heels for Franny K. Stein, who is back with another laugh-out-loud experimental adventure in the tenth book in the *Mad Scientist* series. Franny K. Stein has had quite enough of her feelings getting in the way. So she physically removes them with the help of one of her machines. But it turns out that not having feelings can make things even worse, especially when you've accidentally released a virus that's turning everybody into toads. Good thing she has the help of her grandma, Granny Fran, and her Sense of Duty to help her shake the apathy. **The Fran with Four Brains** Jim Benton, 2013-06-18. *Goosebumps* and Bill Nye the Science Guy fans meet Franny. Being a mad scientist in the modern world is very hard work. With so much that needs to be done in such a short period of time, multitasking can become overwhelming. Franny needs some additional help. But for Franny, there is only one person in the world she trusts to help her with her experiments herself. So she acquires assistance the mad scientist way by building a few real live steel-plated Franbots.
