Lunch With The Stationmaster:

Lunch with the Stationmaster Derek Hansen, 2014-06-01 the bestselling author of *Sole Survivor* *Lunch with the Generals* and *Lunch with Mussolini* returns with a gripping new novel that crosses decades and continents Derek Hansen takes us back to Gancio 9291's restaurant It is a Thursday and as usual Ramon Lucio Milos and Neil have gathered for their weekly lunch appointment It is Neil 9291's turn to take the floor except that Milos steps in and demands to tell his story He has no choice in the matter he says 9291 this story has already been too long awaiting the telling It is not just an obligation but a repayment of a debt 9291 With those words he hooks the three other men and Derek Hansen hooks his readers We are taken back to Hungary in the 1940s a time when Jews are persecuted and rumours of the terrifying death camps are already circulating this is a novel with huge range set within a real historical landscape populated by figures like Adolf Eichmann and the Russian and Hungarian secret police It is also the story of two brothers who vie for the affections of the same girl during a time of turmoil and separation a story which begins in Hungary and seeks its conclusion in Australia two boys who are forced to deal steal and kill to survive

Remember Me Derek Hansen, 2010-02-01 From the bestselling author of *SOLE SURVIVOR* comes a story of loss of innocence and unexpected repercussions of war It began innocently It destroyed innocence forever When a twelve year old boy writes an essay and inadvertently uncovers a wartime secret he unleashes a chain of events which rips a close community apart turning neighbour against neighbour friend against friend It is Auckland 1956 While the country has been spared the destruction which ravaged Europe and Asia beneath the surface bitter memories and old enmities run deep the war may be over but as the boy discovers it is far from done with In a poignant and gripping tale of events which challenge and define a post war community master storyteller Derek Hansen superbly captures the spirit of inner city life in the mid fifties when migrants and war survivors came to a land of peace and the promise of a new life only to have it challenged in unexpected and life changing ways Derek Hansen has an uncanny knack for bringing back the substance and subtleties of the times and places about which he writes In this instance having been raised in Auckland in the 1950s his eye is unerring Ripping yarn builds to an enthralling climax **THE PRESS**
