The Body in the Reservoir Michael Ayers Trotti,2010-02-15 Centered on a series of dramatic murders in nineteenth and early twentieth century Richmond Virginia The Body in the Reservoir uses these gripping stories of crime to explore the evolution of sensationalism in southern culture In Richmond as across the nation the embrace of modernity was accompanied by the prodigious growth of mass culture and its accelerating interest in lurid stories of crime and bloodshed But while others have emphasized the importance of the penny press and yellow journalism on the shifting nature of the media and cultural responses to violence Michael Trotti reveals a more gradual and nuanced story of change In addition Richmond s racial makeup one third to one half of the population was African American allows Trotti to challenge assumptions about how black and white media reported the sensational the surprising discrepancies offer insight into just how differently these two communities experienced American justice An engaging look at the connections between culture and violence this book gets to the heart or perhaps the shadowy underbelly of the sensational as the South became modern

Dirt and Disease Naomi Rogers,1992 Dirt and Disease is a social cultural and medical history of the polio epidemic in the United States Naomi Rogers focuses on the early years from 1900 to 1920 and continues the story to the present She explores how scientists physicians patients and their families explained the appearance and spread of polio and how they tried to cope with it Rogers frames this study of polio within a set of larger questions about health and disease in twentieth century American culture

Architecture and Town Planning in Colonial North America James D. Kornwolf,Georgiana Wallis Kornwolf,2002 Incorporating more than 3 000 illustrations Kornwolf s work conveys the full range of the colonial encounter with the continent s geography from the high forms of architecture through formal landscape design and town planning From these pages emerge the fine arts of environmental design an understanding of the political and economic events that helped to determine settlement in North America an appreciation of the various architectural and landscape forms that the settlers created and an awareness of the diversity of

the continent's geography and its peoples Considering the humblest buildings along with the mansions of the wealthy and powerful public buildings forts and churches Kornwolf captures the true dynamism and diversity of colonial communities their rivalries and frictions their outlooks and attitudes as they extended their hold on the land *The Greenwood Guide to American Popular Culture: Editorial cartoons through Illustration* M. Thomas Inge, Dennis Hall, 2002 *Pandita Ramabai's American Encounter* Pandita Ramabai, 2003-02-20 A rare and remarkable insight into an Indian woman's take on American culture in the 19th century refracted through her own experiences with British colonialism Indian nationalism and Christian culture on no less than three continents a fabulous resource for undergraduate teaching Antoinette Burton In the 1880s Pandita Ramabai traveled from India to England and then to the U S where she spent three years immersed in the milieu of progressive social reform movements of the day Born into a Brahmin family and widowed while still young she converted to Christianity while in England In India she was an activist for the education of women and the improvement of the status of widows Abroad she was iconized as a champion of the oppressed Hindu woman The Peoples of the United States is Ramabai's comprehensive description of American life ranging from government to economy education to domestic activity As an account of a Western society by an Indian woman and a feminist it reverses the established equation of male Orientalist travel narratives First published in Marathi in 1889 it is offered here in an elegant and engaging English translation by Meera Kosambi who also provides a critical introduction and extensive annotations *American History in Image and Text* John Bidwell, 1988 **A Race for Real Sailors** Keith McLaren, 2021-03-26 In the summer of 1920 the public following the latest America's Cup series were frustrated to find that every time the wind got up the organizers called off the race There was muttering in the taverns of Halifax and Lunenburg why not show these fancy yachtsmen what real sailors can do A Nova Scotia newspaper donated a trophy and put out a challenge to their rivals in New England inviting them to meet the Maritimes best in a race for real sailors A Race for Real Sailors is a vibrant history of the Fishermen's Cup series which dominated sporting headlines between the two world wars The salt spray practically blows off the page as the author's arresting style captures the drama of each race and the personalities of the ships that contested them the Delawana and the Esperanto the Columbia and the Gertrude L Thebaud and dominating them all the Bluenose the big brute from Lunenburg whose image shines on the Canadian dime to this day Vying for the spotlight are the boats larger than life skippers among them Marty Welch the hard charging American who first took the cup Ben Pine the Gloucester scrap dealer whose passion kept the races afloat when they seemed destined to fade away and the irascible impossible Angus Walters master of the Bluenose who repeatedly broke American hearts but whose own heart was broken by Canada's refusal to come to the rescue of his beloved vessel This stirring and poignant tale is illustrated with 51 historical photographs and five maps and rounded out by a glossary of sailing terms and an appendix of the ever changing race rules This is a story that will keep even confirmed landlubbers pegged to their seats a tale of iron men and wooden ships whose time will never come again **The**
