Lust in America and Other Odd Views of Reality Randall Garrison,1997 Forthcoming Books Rose Arny,1997 *Cumulative Book Index* ,1998 A world list of books in the English language **Books in Print** ,1991 American Book Publishing Record ,1997-05 **Virtual Reality** Melanie Chan,2015-07-30 The idea of virtual realities has a long and complex historical trajectory spanning from Plato s concept of the cave and the simulacrum to artistic styles such as Trompe L oeil and more recently developments in 3D film television and gaming However this book will pay particular attention to the time between the 1980s to the 1990s when virtual reality and cyberspace were represented particularly in fiction as a wondrous technology that enabled transcendence from the limitations of physical embodiment The purpose of this critical historical analysis of representations of virtual reality is to examine how they might deny repress or overlook embodied experience Specifically the author will contend that embodiment is a fundamental aspect of immersion in virtual reality rather than something which is to be transcended In this way the book aims to challenge distorted ideas about transcendence and productively contribute to debates about embodiment and technology An Ethic For Christians and Other Aliens in a Strange Land William Stringfellow,2004-09-24 From An Ethic for Christians and Other Aliens in a Strange Land America is a fallen nation Americans exist in time in the era biblically called the Fall America is a demonic principality or conglomeration of principalities and powers in which death furnishes the meaning in which death is the reigning idol Enshrined in multifarious forms and guises it enslaves human beings exacts human sacrifices captures and captivates Presidents as well as intimidating and dehumanizing ordinary citizens Strong statements yes but timely in the biblical context which forms William Stringfellow s perspective of our contemporary situation Identifying America as a fallen nation with the parable of Babylon in the Book of Revelation not with Jerusalem the holy nation as Americans are naively and vainly wont to do Dr Stringfellow issues as trenchant an indictment of our society as has been made since Philip Wylie s Generation of Vipers Shockingly prophetic dismaying and sobering William Stringfellow s rigorous biblical theology will surely offend the self righteous But the citizen of Jerusalem alien in Babylon will welcome the bluntness and insight with which he speaks **Time** Briton Hadden, Henry Robinson Luce,1974 Zero Hour America Os Guinness,2022-09-20 America has lost its way It is caught between two revolutions and alternately suppresses and squanders freedom with a prodigal carelessness Os Guinness outlines a pathway toward defining and ordering freedom righting national wrongs and passing freedom s baton from generation to generation The present moment must not be missed The Readers' Advisory Guide to Nonfiction Neal Wyatt,2007-05-14 Navigating what at she calls the extravagantly rich world of nonfiction renowned readers advisor RA Wyatt builds readers advisory bridges from fiction to compelling and increasingly popular nonfiction to encompass the library s entire collection She focuses on eight popular categories history true crime true adventure science memoir food cooking travel and sports Within each she explains the scope popularity style major authors and works and the subject s position in

Re-Dressing America's Frontier Past Peter Boag, 2011-09-01 Americans have long cherished romantic images of the frontier and its colorful cast of characters where the cowboys are always rugged and the ladies always fragile But in this book Peter Boag opens an extraordinary window onto the real Old West Delving into countless primary sources and surveying sexological and literary sources Boag paints a vivid picture of a West where cross dressing for both men and women was pervasive and where easterners as well as Mexicans and even Indians could redefine their gender and sexual identities Boag asks why has this history been forgotten and erased Citing a cultural moment at the turn of the twentieth century when the frontier ended the United States entered the modern era and homosexuality was created as a category Boag shows how the American people and thus the American nation were bequeathed an unambiguous heterosexual identity
