

# LUST vs. LOVE

What's the Real Deal?

## LUST

- Based on physical attraction
- Short-term focus
- Selfish desire
- Can be fleeting and superficial
- Leads to temporary satisfaction
- Driven by hormones
- Can be impulsive and reckless
- Often leads to heartbreak

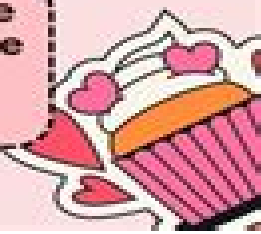

## LOVE

- Based on emotional connection
- Long-term commitment
- Selfless giving
- Deep and meaningful
- Creates lasting happiness
- Driven by genuine feelings
- Requires patience and understanding
- Builds a strong and healthy relationship

Remember, lust and love are two very different things. While lust may provide temporary satisfaction, it cannot replace the deep and meaningful connection that comes with genuine love. Choose wisely and let your heart lead the way.

*Enterludes* Nadine G., 2010-07-08 We should talk about love We should talk about lust We should talk about sex We should talk the aftermath We should talk about the spirit We can talk We must talk Lets converse Nadine G Enterludes is a collection of poetry that depicts a common human experience The reader takes a journey through love misdirection and finding self while exploring the entities one allows to enter ones life Chapter one Love explores the pitter patter we get in our hearts as children it explores the fantasies of love and begins to illustrate how these ideals often contradict the realities of love This section of the book discusses the feelings that love evokes which are often pleasant in nature However it also explores the concept of defining love and identifying whether or not one truly knows real love The ideals of love become more convoluted when lust enters the picture Chapter two Lust illustrates the temptation to move from that which is heart felt to that which is physically felt Lust is often described as a deadly sin Yet it is very alluring and promotes immediate gratification without any thought of consequence Lust is a powerful thought that often leads to actions Chapter three Sex acknowledges the feelings and emotions evoked when temptation wins and actions are taken It discusses a thirst quenched and the pleasures that arise from physical connection It also alludes to the dangers of acting with only the thought of immediate satisfaction without thought of long lasting consequence Chapter four The Aftermath becomes the voice of reason as one has to face the plethora of consequences that surround each decision IT explores the law of nature every action has a reaction Taking action of lust can cause consequences that can taint the beauty of love The dilemma then arises how does one know whether their actions are based on love or based on lust Chapter Five Spirit allows for the true definition of love to be explored by utilizing the lessons learned throughout the journey A higher level of consciousness is explored as both positive and negative repercussions are deconstructed Love begins to be redefined and no longer partialized Spirit teaches a simple lesson what one allows to enter into the home will dictate how one lives It sparks the questions What is important to you What will you continue to allow into your life Is it a spirit of love Is it a spirit of lust Is it a spirit of sex Is it a spirit of self Is it a spirit of God What are your Enterludes The author Nadine G states penetration is lasting and deep touching every corner of
