Martin Luther's Hebrew in Mid-Career Andrew J. Niggemann, 2019-07-05 In this study Andrew J Niggemann provides a comprehensive account of Martin Luther's Hebrew translation in his academic mid career Apart from the Psalms no book of the Hebrew Bible has yet been examined in any comprehensive manner in terms of Luther's Hebrew translation Andrew J Niggemann furthers the scholarly understanding of Luther's Hebrew by examining his Minor Prophets translation one of the final pieces of his first complete translation of the Hebrew Bible As part of the analysis he investigates the relationship between philology and theology in his Hebrew translation focusing specifically on one of the themes that dominated his interpretation of the Prophets his concept of *Anfechtung* The PhD dissertation this book is based on was awarded the Coventry Prize for the PhD dissertation in Theology with the highest mark and recommendation University of Cambridge St Edmund's College in 2018

Protestants and the Cult of the Saints Carol Piper Heming, 2003-08-01 The role of the saints became a theological dilemma for scholars and laity alike throughout the Reformation era As Protestants tried to remove themselves from the hold of the Catholic Church the cult of the saints remained a formidable presence Through the analysis of 180 pamphlets published by reformers in German speaking Europe Carol Heming shows the struggle Protestants faced in purging the cult of the saints from their culture and religion Heming examines why Reformation leaders so strongly and universally denounced the cult of the saints and whether the holy patrons disappeared from Protestant areas without benefit of champion or defender Complete scriptural references used in the pamphlets against the saints and images are included

Psalms Through the Centuries, Volume 2 Susan Gillingham, 2020-05-18 *Psalms Through the Centuries Volume Two* provides the first ever extensive commentary on the Jewish and Christian reception history of the first two books of the Psalter Psalms 1-41 and 42-72 It explores the various uses of the Psalms over two millennia in translation and commentary liturgy and prayer study and preaching musical composition and artistic illustration poetic and dramatic imitation and contemporary discourse With lavish illustrations using examples from both music and art *Psalms Through the Centuries Volume Two* offers a detailed commentary on each psalm with an extensive bibliography a large glossary of terms and helpful indices It is an ideal resource both for students and scholars in the academy and for lay people and ministers in church and synagogue *Psalms Through the Centuries* is published within the Wiley Blackwell Commentary series Further information about this innovative reception history series is available at www.bbibcomm.info

We Are All Priests Roger Whittall, 2023-12-11 In this book Roger Whittall argues that Luther's teaching on the common priesthood the priesthood of believers was a persistent element of Luther's ecclesiology and closely related to his understanding of the church as the communion of saints Whittall's focus is the common priesthood's activity in the Christian community moving beyond its contested relationship to the church's ordained ministry or the views that limit its appearance to Luther's early polemical writings Rather the common priesthood stands alongside the public ministry They are equal partners in the church's

mandate to receive and speak God's word to respond in prayer praise and joyful service of God's world and all its people This wide ranging investigation features later material not often considered in relation to the common priesthood For Luther priesthood was a biblical expression of Christian spiritual life worship and service forming both the personal faith of individual Christians and the corporate nature of the Christian community Whittall also examines Luther's use of key biblical texts to link church and priesthood through the themes of unity and community equality and participation Understood in this way this priesthood still speaks powerfully to the identity and mission of the church today [Luther in Mid Career](#)

Martin Luther Heinz Schilling,2017-03-24 No other German has shaped the history of early modern Europe more than Martin Luther In this comprehensive and balanced biography we see Luther as a rebel but not as a lone hero as a soldier in a mighty struggle for the universal reform of Christianity and its role in the world The foundation of Protestantism changed the religious landscape of Europe and subsequently the world but the author chooses to show not simply as a reformer but as an individual In his study of the Wittenberg monk Heinz Schilling one of Germany s leading social and political historians gives the reader a rounded view of a difficult contradictory character who changed the world by virtue of his immense will
