Lutyens Country Houses:

Sir Edwin Lutyens Daniel O'Neill, 1980 **Edwin Lutyens** Gavin Stamp, 2001 Presenting a stunning collection of the architectural designs of Edward Lutyens throughout the many phases of his acclaimed career this beautifully presented study includes examples of his Surrey vernacular style early arts and crafts houses and his carefully composed classical houses

The Architecture of Sir Edwin Lutyens: Country-houses Arthur Stanley George Butler, 1984 **Edwin Lutyens** Gavin Stamp, 2001 Edwin Lutyens 1869 1944 perhaps the greatest British architect of the twentieth century was introduced by garden designer Gertrude Jekyll his celebrated collaborator to Edward Hudson the founder of the great British magazine *Country Life* in 1889 Hudson thereafter did all he could to promote the work of a man he admired without reservation commissioning Lutyens to design the magazine's offices in Covent Garden in 1904 as well as three country houses *Country Life* published articles about virtually all his buildings shortly after their completion recording them as the architect intended creating an unparalleled visual archive which is the source for this selection of outstanding photographs of Lutyens's domestic architecture Gavin Stamp's authoritative introduction places Lutyens firmly among the giants of architecture an architect of rare genius and humanity His selection of twenty two houses representative of all the phases of Lutyens's career illustrates the architect's dual achievements as a renewer of both vernacular tradition and of the Classical language of architecture Debate continues about Lutyens's place in modern architecture but his legacy of some of the most inventive and romantic examples of British domestic architecture is unquestionable There are superb examples of his Surrey vernacular style with its gables timber and sweeping planes of tiled roof such as Fulbrook House one of his earliest masterpieces Deanery Garden designed with the garden in mind for Hudson early Arts and Crafts houses such as Goddards and Little Thakeham his carefully composed Classical houses such as Heathcote and his grandest country house of all Middleton Park built between the two World Wars Here too are examples of his brilliant enlargements and alterations to existing buildings such as Lindisfarne Castle and his creation of the epitome of castle style Castle Drogo This pictorial survey culminates in Lutyens's most famous creation Viceroy's House in New Delhi one of the greatest buildings in the world Founded in 1897 *Country Life* from the outset published remarkable photographs and the huge influence the magazine exerted was nowhere more apparent than in its unprecedented championship of Edwin Lutyens whose buildings it promoted for almost fifty years For this book two hundred photographs have been beautifully reproduced from the *Country Life* archive and combined with Gavin Stamp's illuminating essay provide a unique survey of one of Britain's foremost architects *The Architecture of Sir Edwin Lutyens* A.S.G. Butler, 2023-04-28 The quality of the reprint is nearly perfect with a good selection of papers for the three sequential parts of the book the texts the drawings and the black and white photographs Text and drawings are on matte heavyweight pages while the photos are on glossy paper The inks make everything read well in particular the drawing reproductions are exquisite Archidose Edwin Lutyens one of the most famous architectural names of the 20th century died in

1944 As a memorial three large volumes of his drawings and photographs were commissioned from the thousands found in his office and were published by Country Life All three volumes will be republished in 2023 The first volume contains his own plans elevations and copious details of the finest examples of his domestic buildings on which his huge reputation principally rests The book embodies the quintessence of the man and his work the variety of style and design seen in the houses brings together in one volume the many strands of Lutyens s fertile mind Two further volumes will include his corporate and public buildings The genius of Lutyens is now universally recognized In the work featured in this book we can now see not just the professionalism of a great architect but also the loving care with which he set down the most minute detail with the result that this is one of the few books in existence that can be used to provide working drawings *Houses and Gardens by Sir Edwin Lutyens, R.A. Lutyens,1925* **How the Country House Became English** Stephanie Barczewski,2023-07-22 The story of how the country house historically a site of violent disruption came to symbolize English stability during the eighteenth century Country houses are quintessentially English not only architecturally but also in that they embody national values of continuity and insularity The English country house however has more often been the site of violent disruption than continuous peace So how is it that the country how came to represent an uncomplicated nostalgic vision of English history This book explores the evolution of the country house beginning with the Reformation and Civil War and shows how the political events of the eighteenth century which culminated in the reaction against the French Revolution led to country houses being recast as symbols of England s political stability *Lutyens* Daniel O' Neill,1980 **Sir Edwin Lutyens** Clive Aslet,2024-07-02 Sir Edwin Lutyens 1869 1944 was one of the great architects of the twentieth century His Edwardian country houses surrounded by rhapsodic gardens beguiled clients with their romance and wit After 1918 the war memorials that he created symbolized a grieving nation s sense of loss In the new capital of the British Raj New Delhi the Viceroy s House or Rashtrapati Bhavan had a footprint bigger than Versailles His unfinished Liverpool Cathedral would have rivaled St Peter s in Rome Intensely shy Lutyens hid his personality behind puns and jokes and yet he could be called part mystic a reference to an inner profundity Rich in stories this entertaining and stylish short biography is a major new study incorporating fresh research which shows this most charismatic of architects in a new light *Sir Edward Lutyens* Daniel O'Neill,1981 *The Architecture of Sir Edwin Lutyens* A. S. G. Butler,1950 *Architecture of England, Scotland, and Wales* Nigel R. Jones,2005-06-30 The British terrain is a gold mine for the student of architecture Ranging in era from ancient times to the present day from Stonehenge to the Millennium Dome this volume s 76 entries include palaces castles bridges churches country houses and various public buildings and monuments as well as such well known features of British architecture and design as terraced houses suburban semi detached houses and public telephone kiosks Detailed yet accessible to nonspecialist readers the alphabetical entries also provide cross references and lists of additional information sources in both print and electronic formats Appendixes list the entries by location architectural style and architect designer

explain the defining characteristics of major British architectural styles and discuss the importance of the Crown peerage and Parliament in British architectural history Besides a detailed subject index the volume includes a timeline a general bibliography a glossary of architectural terms and an introduction that traces the development of British architecture from prehistoric and Roman times to the 21st century Written by an associate professor of architecture at Oklahoma State University Architecture of England Scotland and Wales part of Greenwood s Reference Guides to National Architecture series presents architectural biographies of these countries most famous and significant structures *Houses and Gardens by Sir Edwin Lutyens* Sir Edwin Landseer Lutyens, Lawrence Weaver, 1913 Victorian Britain (Routledge Revivals) Sally Mitchell, 2012-08-06 First published in 1988 this encyclopedia serves as an overview and point of entry to the complex interdisciplinary field of Victorian studies The signed articles which cover persons events institutions topics groups and artefacts in Great Britain between 1837 and 1901 have been written by authorities in the field and contain bibliographies to provide guidelines for further research The work is intended for undergraduates and the general reader and also as a starting point for graduates who wish to explore new fields **Country-houses** Arthur Stanley George Butler, 1984 Victorian Britain Sally Mitchell, 2011 First published in 1988 this encyclopedia serves as an overview and point of entry to the complex interdisciplinary field of Victorian studies The signed articles which cover persons events institutions topics groups and artefacts in Great Britain between 1837 and 1901 have been written by authorities in the field and contain bibliographies to provide guidelines for further research The work is intended for undergraduates and the general reader and also as a starting point for graduates who wish to explore new fields *Directory of British Architects, 1834-1914* Antonia Brodie, British Architectural Library, Royal Institute of British Architects, 2001-12-20 A comprehensive biographical directory of some 11 000 British architects who worked between 1834 and 1914 **The Architecture of Sir Edward Lutyens: Country houses** Arthur Stanley George Butler, 1984 *Lutyens Houses and Gardens* Lawrence Weaver, 1921 **Modern English Country Houses** , 1923
