Record of Christian Work Alexander McConnell,William Revell Moody,Arthur Percy Fitt,1918 Includes music **The Literary Construction of the Other in the Acts of the Apostles** Mitzi J Smith,2012-06-28 Mitzi Smith engages the reader in explaining how as in the real world the characterization of the Others is used negatively in the biblical texts Smith shows how the concept of difference is constructed in order to distinguish ourselves from proximate others indeed the other who is most similar to us is most threatening and most problematic The process of Othering or Otherness is a synthetic and political social construct that allows us to create and maintain boundaries between them and us Thus this work demonstrates how proximate characters are constructed as the Other in the Acts of the Apostles Charismatics Jews and women are proximate

others who are constructed as the external and internal Others **Leaders in Heels** Pastor Paul Cannings, 2024-10-08 In *Leaders in Heels* Dr Paul Cannings Sr illuminates the profound impact of biblical women whose courage wisdom and faithfulness shaped the course of history Challenging traditional interpretations that have sometimes relegated women to the sidelines this compelling exploration reveals how women like Mary Bathsheba Deborah Phoebe and Lydia exerted remarkable influence during pivotal moments in biblical narrative Through careful analysis of scripture and historical context Cannings demonstrates how these women worked within their cultural frameworks to fulfill divine purposes From Mary's faithful motherhood that nurtured the Messiah to Deborah's courageous leadership as judge and prophetess from Phoebe's critical role in establishing early churches to Lydia's entrepreneurial support of Paul's ministry each story showcases how women acted as catalysts for God's kingdom work Particularly powerful is Cannings' personal testimony of how his own mother and other female mentors shaped his spiritual journey and ministry providing a contemporary lens through which to view biblical examples The book culminates with the inspiring story of Mary Magdalene demonstrating how even those with troubled pasts can become spiritual giants when transformed by divine grace Both affirming and challenging *Leaders in Heels* invites readers to recognize the vital contributions women have made throughout sacred history and consider how today's women can similarly impact their families churches and communities for God's glory If you enjoyed *Women of the Bible* by Ann Spangler *Twelve Extraordinary Women* by John MacArthur and *All the Women of the Bible* by Herbert Lockyer you'll love *Leaders in Heels* Herald and Presbyter, 1908 Paul and Money Verlyn Verbrugge, Keith R. Krell, 2015-06-23 The apostle Paul one of the most prominent figures in the early Jesus movement had a lot to say about money His letters deal with real people as they lived their Christian lives in the Greco Roman world He finds it necessary to address those who are rich in this present world 1 Tim 6 17 But he also has to address those who do not want to work for whatever reason and are idle and disruptive 2 Thess 3 6 Moreover whereas most churches today have a certain socio economic homogeneity some of Paul's churches had a combination of upper class wealthy people and lower class slaves worshiping side by side and it inevitably created friction esp 1 Cor 11 17 34 During the past twenty years a significant amount of research has been done on class consciousness in the Greco Roman world and on the significance of Paul's fund raising venture for the poor among the Lord's people in Jerusalem the collection for his ministry Relying on the surprising results of current Pauline scholarship and a careful exegesis of a variety of New Testament texts this book offers a thorough investigation of the apostle Paul's sayings and dealings with money
