

...books in society influenced the...
...ing, scheduling, and designing his plan-
...statements concerning America's role
...in Southeast Asia. Turner also uncovers
...evidence that early instructions laid the
...groundwork for Johnson's later exhibi-
...ered relations with reporters. That
...while the "credibility gap" charges
...came to center on Johnson's handling of
...the Vietnam situation, their roots lay in
...his inept as a master politician and in a
...variety of particular incidents that
...antagonized reporters.

—David
Clemmons

...paper which draws so extensively on this
...many documents from the Johnson
...library, most of which have not been
...previously accessible to the general
...reader. Writing in a clear, vivid style,
...Turner convincingly explains how
...Johnson's relationship with the press
...affected his public communication
...about the Vietnam war. She makes an
...important contribution not only to the
...understanding of the Johnson presidency
...but also to the study of rhetoric and
...mass communication, contemporary
...history and government, and the role
...of the media in American culture.

—David Zarefsky, Department of
Communication Studies, Northwestern
University

LYNDON JOHNSON'S DUAL WAR: Vietnam and the Press

Kathleen J. Turner

It is commonplace to blame the Vietnam
conflict for Lyndon Johnson's downfall.
Kathleen Turner presents a persuasive
case for the critical role of the "other
war": Johnson's struggle to establish
rapport with the press and to vindicate
publicly his handling of Vietnam. The
story she presents is one of tragic
dimensions, with a protagonist, who
defined himself as the leader of a
Great Society, becoming mixed in an
ugly foreign war. Despite his best
efforts he was unable to justify the war
sufficiently to either the press or the
American people. In the end, Turner
uses as much from his inability to com-
municate effectively through the press
as from the Vietnam conflict itself.

...tion of the symbiotic and the adver-
...sarial. Each side needs the cooperation
...of the other to ensure the flow of infor-
...mation. Yet each side also competes

(Continued on flaps)

Turner places her arguments in the
context of two related issues. One is the
rhetoric of limited war. Any American
but constrained military efforts, even a
revolue satisfactorily. Second, Turner
looks at the overall characteristics of
presidential-press relations, an uneasy

Lyndon Johnsons Dual War Vietnam And The Press

Margaret A. Blanchard

Lyndon Johnsons Dual War Vietnam And The Press:

Lyndon Johnson's Dual War Kathleen J. Turner,2011-01 Argues that Johnson s downfall was caused by the press and the Vietnam War **A Companion to Lyndon B. Johnson** Mitchell B. Lerner,2012-02-13 This companion offers an overview of Lyndon B Johnson s life presidency and legacy as well as a detailed look at the central arguments and scholarly debates from his term in office Explores the legacy of Johnson and the historical significance of his years as president Covers the full range of topics from the social and civil rights reforms of the Great Society to the increased American involvement in Vietnam Incorporates the dramatic new evidence that has come to light through the release of around 8 000 phone conversations and meetings that Johnson secretly recorded as President **The Presidents vs. the Press** Harold Holzer,2021-08-24 An award winning presidential historian offers an authoritative account of American presidents attacks on our freedom of the press including a new foreword chronicling the end of the Trump presidency The FAKE NEWS media Donald Trump has tweeted is not my enemy it is the enemy of the American People Has our free press ever faced as great a threat Perhaps not but the tension between presidents and journalists is as old as the republic itself Every president has been convinced of his own honesty and transparency every reporter who has covered the White House beat has believed with equal fervency that his or her journalistic rigor protects the country from danger Our first president George Washington was also the first to grouse about his treatment in the newspapers although he kept his complaints private Subsequent chiefs like John Adams Abraham Lincoln Woodrow Wilson and Barack Obama were not so reticent going so far as to wield executive power to overturn press freedoms and even to prosecute journalists Theodore Roosevelt was the first president to actively manage the stable of reporters who followed him doling out information steering coverage and squashing stories that interfered with his agenda It was a strategy that galvanized TR s public support but the lesson was lost on Woodrow Wilson who never accepted reporters into his inner circle Franklin Roosevelt transformed media relations forever holding more than a thousand presidential press conferences and harnessing the new power of radio at times bypassing the press altogether John F Kennedy excelled on television and charmed reporters to hide his personal life while Richard Nixon was the first to cast the press as a public enemy From the days of newsprint and pamphlets to the rise of Facebook and Twitter each president has harnessed the media whether intentional or not to imprint his own character on the office In this remarkable new history acclaimed scholar Harold Holzer examines the dual rise of the American presidency and the media that shaped it From Washington to Trump he chronicles the disputes and distrust between these core institutions that define the United States of America revealing that the essence of their confrontation is built into the fabric of the nation Militarization and the American Century David Fitzgerald,2022-01-13 Taking American mobilization in WWII as its departure point this book offers a concise but comprehensive introduction to the history of militarization in the United States since 1940 Exploring the ways in which war and the preparation for war have shaped and affected the United States during The American Century

Fitzgerald demonstrates how militarization has moulded relations between the US and the rest of the world Providing a timely synthesis of key scholarship in a rapidly developing field this book shows how national security concerns have affected issues as diverse as the development of the welfare state infrastructure spending gender relations and notions of citizenship It also examines the way in which war is treated in the American imagination how it has been depicted throughout this era why its consequences have been made largely invisible and how Americans have often considered themselves to be reluctant warriors In integrating domestic histories with international and transnational topics such as the American empire of bases and the experience of American service personnel overseas the author outlines the ways in which American militarization had and still has global consequences Of interest to scholars researchers and students of military history war studies US foreign relations and policy this book addresses a burgeoning and dynamic field from which parallels and comparisons can be drawn for the modern day

The Johnson Years: Vietnam, the environment, and science Robert A. Divine,1987

The Media's Role in Defining the Nation David A. Copeland,David Copeland,2010 In 1897 William Randolph Hearst said that his newspaper did not simply cover events that had already happened It doesn't wait for things to turn up Hearst said It turns them up This book traces the close relationship between media and the United States development from the colonial period to the twenty first century It explores how the active voice of citizen journalists and trained media professionals has turned to media to direct the moral compass of the people and to set the agenda for a nation and discusses how changes in technology have altered the way in which participatory journalism is practiced What makes the book powerful is that its assessment of the influence and use of media encompasses many levels it explores the potential of media as an agent for change from within small communities to the national stage

The US Public and American Foreign Policy Andrew Johnstone,Helen Laville,2010-06-10 Though often overlooked public opinion has always played a significant role in the development and promotion of US foreign policy and this work seeks to comprehensively assess the impact and nature of that opinion through a collection of historical and contemporary essays The volume evaluates the role of organizations and movements that look to represent public opinion and assesses the nature of their relationship with the government The contributors utilize a number of different approaches to examine this impact including polling data assessments of the role of the media and the wider consideration of ideas and ideology moving on to examine the specific role played by the public in the policy making and policy promotion process Engaging with new questions as well as approaching old questions from a new angle the work argues that whilst the roles change and the extent of influence varies the power of the public to both initiate and constrain foreign policy clearly exists and should not be underestimated This work will be of great interest to all those with an interest in American foreign policy American politics and American history

American Voices Bernard K. Duffy,Richard Leeman,2005-08-30 Contemporary public speaking remains an important part of our national life and a substantial force in shaping current events Many of America's most important moments and issues such as wars scandals election campaigns

September 11 2001 have been defined by oratory Here over 50 essays cover a substantial and interesting group of major American social political economic and cultural figures from the 1960s to the present Each entry explains the biographical forces that shaped a speaker and his or her rhetorical approach focuses mainly on a discussion of the orator s major speeches within the context of historical events and concludes with an appraisal of the speaker and his or her contribution to American political and social life All entries incorporate chronologies of major speeches bibliographies including primary sources biographies and critical studies and archival collections or Web sites appropriate for student research Entries include high profile individuals such as John D Ashcroft Elizabeth Dole Jerry Falwell Anita Hill Ralph Nader Ronald Reagan Janet Reno Gloria Steinem Malcolm X and many others Excerpts of major speeches and sidebars complement the text Ideal for researchers and students in public speaking classes American history classes American politics classes contemporary public address classes and rhetorical theory criticism classes **War and Aftermath in Vietnam** T. Louise Brown,2021-12-27

This book first published in 1991 attempts to combine a broad understanding of the background to the conflict in Vietnamese and world history with detailed material on US military tactics and the failure of pacification There are chapters on the US presidential administrations of Johnson Kennedy and Nixon religion culture and society in North and South Vietnam and the nature of the People s Revolutionary War America and the Cold War, 1941-1991 Norman A. Graebner,Richard Dean Burns,Joseph M. Siracusa,2010-05-05 Three distinguished diplomatic historians offer an assessment of the Cold War in the realist tradition that focuses on balancing the objectives of foreign policy with the means of accomplishing them America and the Cold War 1941 1991 A Realist Interpretation is a sweeping historical account that focuses on the policy differences at the center of this conflict In its pages three preeminent authors offer an examination of contemporary criticism of the Cold War documenting the views of observers who appreciated that many policies of the period were not only dangerous but could not resolve the problems they contemplated The study offers a comprehensive chronicle of U S Soviet relations broadly conceived from World War II to the collapse of the Soviet Union It places the origins of the Cold War as related to the contentious issues of World War II and stresses the failure of Washington to understand or seriously seek settlement of those issues It points out how nuclear weaponry gradually assumed political stature and came to dominate high level Soviet American diplomatic activity at the same time discounting the notion that the Cold War was a global ideological confrontation for the future of civilization A concluding chapter draws lessons from the Cold War decades showing how they apply to dealing with nation states and terrorist groups today *Power and Influence in Organizations* Roderick M.

Kramer,Margaret A. Neale,1998-08-11 This volume is a readily accessible compilation of current original research in the area of power and influence in organizations Power and Influence in Organizations offers a rich exploration of emerging trends and new perspectives Contributors include leading scholars in organizational behavior and theory and major contemporary intellectual pioneers in research on power and influence including Samuel B Bacharach Robert Cialdini Edward J Lawler and

Jeffrey Pfeffer Each contributor provides insight into his or her own research an overview of general trends and thoughts about the direction of future research Topics examined include manipulation of employee perceptions and values the links between power and accountability sharing power the effects of gender on power and influence illusions of influence and impression management Advanced students and scholars in organizational behavior social influence power and politics conflict management and institutional politics will find *Power and Influence in Organizations* stimulating and a useful roadmap to present and future research

State of Silence Sam Lebovic, 2023-11-21 An essential guide Beverly Gage Pulitzer Prize winning author of *G Man* to how the Espionage Act gave rise to a vast American security state that keeps citizens in the dark In *State of Silence* political historian Sam Lebovic uncovers the troubling history of the Espionage Act First passed in 1917 it was initially used to punish critics of World War I Yet as Americans began to balk at the act's restrictions on political dissidents and the press the government turned its focus toward keeping its secrets under wraps The resulting system for classifying information is absurdly cautious staggeringly costly and shrouded in secrecy preventing ordinary Americans from learning what their country is doing in their name both at home and abroad Shedding new light on the bloated governmental security apparatus that's weighing our democracy down *State of Silence* offers the definitive history of America's turn toward secrecy and its staggering human costs

Facing My Lai David L. Anderson, 1998 But these questions are asked again in the hope that they might lead to a better understanding of what *My Lai* means for us now

Media Management in the Age of Lyndon B. Johnson Benjamin W. Quail, 2022-01-01 This book looks broadly at how the contentious relationships between the media and US President Lyndon B Johnson affected the national consciousness during the turbulent period of his leadership Johnson had to deal with a particularly difficult and divisive period in American history and his relationship with the press undoubtedly contributed to an atmosphere of friction within the United States A more specific purpose of this research monograph is ultimately to shine a light on the trials and tribulations that Johnson faced as a president dealing with new forms of communication in the 1960s It aims to show the difficulties that he had in adapting a very personal style of leadership which had served him well in the Senate in the role he undertook as leader of a nation Further to this it builds on this foundation to argue that Johnson developed a reactive passive stance to dealing with the media one that ultimately contributed to a loss in popularity and status as leader a blow he never recovered from during his time in office

The Tet Offensive William Thomas Allison, 2010-04-26 With Americans turning against the war in ever greater numbers struggles for power between the government and the military and no end in sight to the fighting the Tet Offensive of 1968 proved to be the turning point of the Vietnam War In *The Tet Offensive* historian William Thomas Allison provides a clear concise overview of the major events and issues surrounding the Tet Offensive and compiles carefully selected primary sources to illustrate the complex military political and public decisions that made up Tet The Tet Offensive is composed of two parts an accessible well illustrated narrative overview and a collection of core primary source documents

Throughout the narrative historiographic questions are addressed within the text to highlight discussion among historians over pivotal points of debate The objectively selected documents provide students with raw material from which to gain insight into these events through their own analysis and to improve their ability to discuss and understand the importance of historical scholarship Approachable and insightful The Tet Offensive is not only a great introduction to reading history through primary sources it is an essential tool for understanding what made the Tet Offensive such an important turning point of the Vietnam War

Encyclopedia of journalism. 6. Appendices Christopher H. Sterling, 2009-09-25 The six volume Encyclopedia of Journalism covers all significant dimensions of journalism including print broadcast and Internet journalism US and international perspectives history technology legal issues and court cases ownership and economics

The A to Z of Journalism Ross Eaman, 2009-10-12 Journalism is the discipline of gathering writing and reporting news and it includes the process of editing and presenting news articles Journalism applies to various media including but not limited to newspapers magazines radio television and the internet The word journalist started to become common in the early 18th century to designate a new kind of writer about a century before journalism made its appearance to describe what those writers produced Though varying in form from one age and society to another it gradually distinguished itself from other forms of writing through its focus on the present its eye witness perspective and its reliance on everyday language The A to Z of Journalism relates how journalism has evolved over the centuries This is done through a chronology an introductory essay a bibliography and hundreds of cross referenced dictionary entries on the different styles of journalism the different types of media and important writers and editors

Encyclopedia of American Journalism Stephen L. Vaughn, 2007-12-11 The Encyclopedia of American Journalism explores the distinctions found in print media radio television and the internet This work seeks to document the role of these different forms of journalism in the formation of America s understanding and reaction to political campaigns war peace protest slavery consumer rights civil rights immigration unionism feminism environmentalism globalization and more This work also explores the intersections between journalism and other phenomena in American Society such as law crime business and consumption The evolution of journalism s ethical standards is discussed as well as the important libel and defamation trials that have influenced journalistic practice its legal protection and legal responsibilities Topics covered include Associations and Organizations Historical Overview and Practice Individuals Journalism in American History Laws Acts and Legislation Print Broadcast Newsgroups and Corporations Technologies

History of the Mass Media in the United States Margaret A. Blanchard, 2013-12-19 The influence of the mass media on American history has been overwhelming History of the Mass Media in the United States examines the ways in which the media both affects and is affected by U S society From 1690 when the first American newspaper was founded to 1995 this encyclopedia covers more than 300 years of mass media history History of Mass Media in the United States contains more than 475 alphabetically arranged entries covering subjects ranging from key areas of newspaper history to broader topics

such as media coverage of wars major conflicts over press freedom court cases and legislation and the concerns and representation of ethnic and special interest groups The editor and the 200 scholarly contributors to this work have taken particular care to examine the technological legal legislative economic and political developments that have affected the American media *Dispatches from the Front* Nathaniel Lande,1998 In *Dispatches from the Front* we have a unique and special conduit from ten American wars In the correspondents words ring the passion and drama of war from the American Revolution to the Persian Gulf The work of Thomas Paine Stephen Crane Ernest Hemingway Edward R Murrow and more than 60 other correspondents tells of America s wars as they happened on the battlefield and on the home front 66 photos

Lyndon Johnsons Dual War Vietnam And The Press Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Lyndon Johnsons Dual War Vietnam And The Press PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals

fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Lyndon Johnsons Dual War Vietnam And The Press PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Lyndon Johnsons Dual War Vietnam And The Press free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Lyndon Johnsons Dual War Vietnam And The Press Books

1. Where can I buy Lyndon Johnsons Dual War Vietnam And The Press books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
