LYNDON JOHNSON'S WAR

America's Cold War Crusade in Vietnam, 1945–1968

Michael H. Hunt

Lyndon Johnsons War Americas Cold War Crusade In Vietnam 1945 1968

Kai Bird

Lyndon Johnson's War America's Cold War Crusade In Vietnam 1945 1968:

Lyndon Johnson's War Michael H. Hunt, 1997-08-30 The Vietnam War perhaps the most controversial war Americans have ever fought remains a source of pain and perplexity Why did Lyndon Johnson commit the United States to fight Why did he fail to act more decisively once he resolved on war And why didn't he take the American public into his confidence These questions have troubled historians since the end of the war but the answers have been buried in inaccessible documents Now Michael H Hunt uses newly available sources from both American and Vietnamese archives to reevaluate how and why the war started and then escalated He examines the ideological strategic political and institutional pressures that in the 1950s propelled the Truman and Eisenhower administrations toward intervention in Indochina the reasons why Kennedy's and Johnson's policymakers believed that a limited war could be fought there Johnson's early position on Vietnam and his decision to intensify U S involvement in the war and finally the tragic consequences of the Vietnam War both at home and abroad Throughout he discusses the values choices misconceptions and miscalculations that shaped the long process of American intervention thus rendering more comprehensible if no less troubling the tangled origins of the Vietnam War

The Vietnam War Mitchell Hall, 2018-03-19 The Vietnam War examines this conflict from its origins up until North Vietnam's victory in 1975 Historian Mitchell K Hall's lucid account is an ideal introduction to the key debates surrounding a war that remains controversial and disputed in American scholarship and collective memory The new edition has been fully updated and expanded to include additional material on the preceding French Indochina War the American antiwar movement North Vietnamese perspectives and motivations and the postwar scholarly debate The text is supported by a documents section and a wide range of study tools including a timeline of events glossaries of key figures and terms and a rich further reading section accompanied by a new bibliographical essay Concise yet comprehensive The Vietnam War remains the most accessible and stimulating introduction to this crucial 20th century conflict

Silent Film and the Triumph of the American Myth Paula Marantz Cohen, 2001-05-03 Silent Film and the Triumph of the American Myth is a broad cultural study that connects the rise of film to the rise of America as a cultural center and world power in the twentieth century Cohen argues that through the medium of silent film America was able to sever its literary and linguistic ties to Europe assert its cultural independence and forge a unique form of cultural expression Silent films drew on elements developed in popular forms of representation like photography landscape panoramas and vaudeville performance to create a medium that more accurately represented the American experience

The Vietnam War Mitchell K. Hall, 2014-07-22 The Vietnam War examines the conflict from its origins through to 1975 and North Vietnam's victory This new revised edition is completely up to date with current academic debates and includes new source material Mitchell Hall explores all the key elements of the conflict including US motivations for entering the war and the military strategies employed The role of the media The rise of domestic opposition The war's impact in the US and Vietnam Mitchell Hall provides numerous insights into

the political decisions of the Vietnamese communists and Vietnam's relations with other major powers particularly China and the Soviet Union. The main text is supported by a comprehensive documents section and a range of study tools including a Chronology of events Who's Who a Glossary of terms and a Further Reading section. Concise yet thorough the book provides students with an accessible and stimulating introduction to the war. **America in the Cold War** William T.

Walker, 2014-01-22 Including extensive balanced information keen insights and helpful research tools this book provides a valuable resource for students or general readers interested in American policy diplomacy and conduct during the Cold War. The Cold War not only comprised the dominant theme in American foreign policy during the second half of the 20th century its influence was also imbedded into American culture. The half century duration of the Cold War was an extended learning period during which the United States found that it could no longer remain an isolationist nation in a complex quickly evolving and dangerous world. This book covers the entire scope of the Cold War from its background and origins before and after World War II to the collapse of the Soviet Union on December 25 1991 providing coverage of key events and concepts such as the containment policy McCarthyism the Cuban Missile Crisis the Vietnam War détente and nuclear arms policies. The single volume work also provides an annotated bibliography primary documents and biographies of key personalities during the Cold War such as John Foster Dulles J. Edgar Hoover George F. Kennan Henry Kissinger Edward R. Murrow and Ronald Reagan. **Vietnam's American War** Pierre Asselin, 2024-06-13 The American war in Vietnam was so much more than the

sum of its battles. To make sense of it we must look beyond the conflict itself. We must understand its context and above all the formative experiences worldview and motivations of those who devised communist strategies and tactics. Vietnam's American War now in its second edition remains a story of how and why Hanoi won. However this revised and expanded edition offers more extensive and nuanced insights into Southern Vietnamese history politics and society. It puts to rest the myth of Vietnamese national unity by documenting the myriad profound local fractures exacerbated by US intervention. It also includes over thirty five new images intended to highlight that the Vietnam War was fundamentally a Vietnamese civil war and tragedy. This new edition is as richly detailed as it is original eye opening and absorbing. **The Tragedy of Vietnam** Patrick J. Hearden, 2017-08-16 The Tragedy of Vietnam is a brief and accessible text providing a comprehensive

overview of the causes and consequences of the Vietnam War. Patrick J. Hearden offers historical background of the conflict and examines its long term consequences on a regional and global scale. This fifth edition includes expanded discussions of postwar American Vietnamese relationships and outlines the ways in which the Vietnam War experience has shaped foreign policy debates in the United States up until the present day. **America in the 1960s** Facts On File, Incorporated, 2005

Designed to be accessible to young readers these volumes offer a way of learning about the history of America. Each book includes information on what was happening in the arts sciences popular culture fashion and music. They include 100 or more photographs box features pull out quotations a glossary a further reading list and an index. **America, the Vietnam War,**

and the World Andreas W. Daum, Lloyd C. Gardner, Wilfried Mausbach, 2003-07-14 Publisher's description This book presents new perspectives on the Vietnam War its global repercussions and the role of this war in modern history The volume reveals America's War as an international event that reverberated all over the world in domestic settings of numerous nation states combatants and non combatants alike as well as in transnational relations and alliance systems The volume thereby covers a wide geographical range from Berkeley and Berlin to Cambodia and Canberra The essays address political military and diplomatic issues no less than cultural and intellectual consequences of Vietnam The authors also set the Vietnam War in comparison to other major conflicts in world history they cover over three centuries and develop general insights into the tragedies and trajectories of military conflicts as phenomena of modern societies in general For the first time America's War is thus depicted as a truly global event whose origins and characteristics deserve an interdisciplinary treatment

American Justice in Taiwan Stephen G. Craft, 2016-01-29 On May 23 1957 US Army Sergeant Robert Reynolds was acquitted of murdering Chinese officer Liu Ziran in Taiwan Reynolds did not deny shooting Liu but claimed self defense and like all members of US military assistance and advisory groups was protected under diplomatic immunity Reynolds's acquittal sparked a series of riots across Taiwan that became an international crisis for the Eisenhower administration and raised serious questions about the legal status of US military forces positioned around the world In *American Justice in Taiwan* author Stephen G Craft provides the first comprehensive study of the causes and consequences of the Reynolds trial and the ensuing protests After more than a century of what they perceived as unfair treaties imposed by Western nations the Taiwanese regarded the special legal status of resident American personnel with extreme distrust While Eisenhower and his advisers considered Taiwan to be a vital ally against Chinese communism the US believed that the Taiwanese government had instigated the unrest in order to protest the verdict and demand legal jurisdiction over GIs Regardless the events that transpired in 1957 exposed the enormous difficulty of applying the US's Uniform Code of Military Justice UCMJ across cultures Employing meticulous research from both Western and Chinese archives Craft demonstrates that the riots were only anti American in that the Taiwanese rejected the UCMJ the affording of diplomatic immunity to occupying US forces and the military courts interpretation of self defense His compelling study provides a new lens through which to examine US Taiwan relations in the 1950s US policy in Asia and the incredibly charged and complex question of the legal status of US troops on foreign soil

The Vietnam War Era Bruce O. Solheim, 2006-09-30 There are many lessons to be learned from the Vietnam War foremost among them being that war as an instrument of peace is not viable Solheim provides a full picture of the war era at home and in Southeast Asia by combining historical narrative with biographical profiles and personal reflections He allows the story to unfold in multiple layers as seen through the eyes of those who were involved on all sides of the conflict the North Vietnamese the South Vietnamese the American generals and politicians and the American war correspondents and antiwar protestors With this book Solheim explores and hopes to answer vital questions about the American war in

Vietnam What is the meaning and significance of the Vietnam War for Americans today What lessons have Americans learned from our defeat and how should we apply that knowledge in implementing current foreign policy Who or what is to be blamed for the loss in Vietnam How can we heal our nation from the Vietnam War syndrome How do we fit the Vietnam War era into our greater historical narrative

American Foreign Relations Reconsidered Gordon Martel, 2002-11-01 This major new textbook brings together twelve of the leading scholars of U S foreign relations Each contributor provides a clear concise summary of an important period or theme in US diplomatic and strategic affairs since the Spanish American War Michael Hunt and Joan Hoff provide an overview of the traditions behind US policy and a preview of things to come Together the contributors offer a succinct explanation of the controversies and questions that historians have grappled with throughout the twentieth century Students will find these essays a reliable and useful guide to the various schools of thought which have emerged Although each of the scholars is well known for their detailed and original work these essays are new and have been specially commissioned for this book The articles follow the chronological development of the emergence of the United States as a world power but special themes such as the American policy process economic interests relations with the Third World and the dynamics of the nuclear arms race have been singled out for separate treatment

American Foreign Relations Reconsidered 1890 1993 represents essential reading for upper level undergraduates studying modern American history The book has been designed and written exclusively to meet the needs of students either as a major course text or as a set of supplementary readings to support other texts

Triangles, Symbols, and Constraints Charles M. Dobbs, 2010 In his five plus years as president of the United States Lyndon Johnson witnessed dramatic power struggles within and between the Soviet Union the People s Republic of China and the United States of America New Soviet leaders were determined to build Soviet power and extend Soviet influence Mao s revolutionary ideology so dominated China that there were few levers to move Sino American relations ahead Johnson wanted to ease Cold War tensions by reaching a range of agreements with the Soviet Union on nuclear weapons and establishing relations with the People s Republic of China in order to end its isolation in the world community However multiple events frustrated Johnson s good intentions The Soviet leadership that overthrew Nikita Khrushchev was committed to expanding its military might before negotiating with Washington it also began focusing more and more on the worsening Sino Soviet split Mao Zedong entered into the Great Proletarian Cultural Revolution and China seemed to devour itself Meanwhile the Vietnam War made negotiations among all three great powers more difficult limiting room to maneuver But Johnson persevered and by 1968 the apparent American retreat symbolized by the North Korean seizure of the USS Pueblo and the Communist Tet Offensive in Vietnam along with the Soviet invasion of Czechoslovakia seemed to change the construct between the great powers Beijing emerging from the worst of the Cultural Revolution increasingly feared Soviet intentions and Moscow wanted to prevent a Sino American rapprochement Although Johnson did not achieve his lofty goals he created the pre conditions that Richard Nixon later harvested for the d tente with

Moscow and rapprochement with Beijing Johnson's best intentions fell prey to triangles symbols and constraints

The Last Brahmin Luke A. Nichter, 2020-09-22 The first biography of a man who was at the center of American foreign policy for a generation Few have ever enjoyed the degree of foreign policy influence and versatility that Henry Cabot Lodge Jr did in the postwar era perhaps only George Marshall Henry Kissinger and James Baker Lodge however had the distinction of wielding that influence under presidents of both parties For three decades he was at the center of American foreign policy serving as advisor to five presidents from Dwight Eisenhower to Gerald Ford and as ambassador to the United Nations Vietnam West Germany and the Vatican Lodge's political influence was immense He was the first person in 1943 to see Eisenhower as a potential president he entered Eisenhower in the 1952 New Hampshire primary without the candidate's knowledge crafted his political positions and managed his campaign As UN ambassador in the 1950s Lodge was effectively a second secretary of state In the 1960s he was called twice by John F Kennedy and by Lyndon Johnson to serve in the toughest position in the State Department's portfolio as ambassador to Vietnam In the 1970s he paved the way for permanent American ties with the Holy See Over his career beginning with his arrival in the U S Senate at age thirty four in 1937 when there were just seventeen Republican senators he did more than anyone else to transform the Republican Party from a regional isolationist party into the nation's dominant force in foreign policy a position it held from Eisenhower's time until the twenty first century In this book historian Luke A Nichter gives us a compelling narrative of Lodge's extraordinary and consequential life Lodge was among the last of the well heeled Eastern Establishment Republicans who put duty over partisanship and saw themselves as the hereditary captains of the American state Unlike many who reach his position Lodge took his secrets to the grave including some that revealed here for the first time will force historians to rethink their understanding of America's involvement in the Vietnam War

Neoclassical Realism, the State, and Foreign Policy Steven E. Lobell, Norrin M. Ripsman, Jeffrey W. Taliaferro, 2009-01-15 Neoclassical realism is an important approach to international relations Focusing on the interaction of the international system and the internal dynamics of states neoclassical realism seeks to explain the grand strategies of individual states as opposed to recurrent patterns of international outcomes This book offers the first systematic survey of the neoclassical realist approach The editors lead a group of senior and emerging scholars in presenting a variety of neoclassical realist approaches to states grand strategies They examine the central role of the state and seek to explain why how and under what conditions the internal characteristics of states intervene between their leaders assessments of international threats and opportunities and the actual diplomatic military and foreign economic policies those leaders are likely to pursue

The Color of Truth Kai Bird, 2017-01-10 From the Pulitzer Prize winning coauthor of American Prometheus this biography of the Bundy Brothers inspired the Academy Award winning film Oppenheimer In this definitive biography of McGeorge Bundy and William Bundy two of the best and the brightest who advised presidents about peace and war during the most dangerous years of the Cold War Kai Bird pens a portrait of the

fiercely patriotic brilliant and brazenly self confident men who directed a steady escalation of a war they did not believe could be won Drawing on seven years of research nearly one hundred interviews and scores of still classified top secret documents in a masterful reevaluation of America s actions throughout the Cold War and Vietnam *The Color of Truth* tells the tale of the anti communist liberals who despite their grave doubts about sending Americans to fight in Southeast Asia became key architects of America s war in Vietnam Like the bestselling *The Wise Men* this dual biography is both an inside account of the making of US foreign policy in an era of nuclear weapons and a stunning group portrait of the heirs of the Wise Men including Robert McNamara George Ball and Robert Kennedy and the presidents they served *Vietnam War Almanac* James H. Willbanks, 2013-09-03 With more than 58 000 casualties and 300 000 wounded at a cost of more than 130 billion the Vietnam War became one of the most divisive conflicts in American history The scars left by the war can still be felt today making it crucial that we have the facts about this watershed event *Vietnam War Almanac* contains a chronological history of the war in Vietnam with day by day listings of the war on the ground in the air and at sea international and U S events and a biographical dictionary of major military and civilian figures It may be impossible to fully understand such a complicated and horrible struggle but for the families of veterans and for historians the thorough presentation here along with its extensive bibliography and index is an excellent place to start Coverage here includes The Tet Offensive Walter L Cronkite The Battle of Dien Bien Phu Vo Nguyen Giap Ngo Dinh Diem The Battle of Ia Drang Valley Robert S McNamara The Battle of Hamburger Hill Abbie Hoffman The Battle of An Loc And much more President Nixon claimed that the war was misreported then and it is misremembered now This almanac will ensure that it is remembered correctly **The Penguin History of Modern Vietnam** Christopher Goscha, 2016-06-30 WINNER OF THE AMERICAN HISTORICAL ASSOCIATION S JOHN K FAIRBANK PRIZE SHORTLISTED FOR THE CUNDHILL HISTORY PRIZE 2017 This is the finest single volume history of Vietnam in English It challenges myths and raises questions about the socialist republic s political future *Guardian* Powerful and compelling Vietnam will be of growing importance in the twenty first century world particularly as China and the US rethink their roles in Asia Christopher Goscha s book is a brilliant account of that country s history *Rana Mitter* A vigorous eye opening account of a country of great importance to the world past and future *Kirkus Reviews* Over the centuries the Vietnamese have been both colonizers themselves and the victims of colonization by others Their country expanded shrunk split and sometimes disappeared often under circumstances far beyond their control Despite these often overwhelming pressures Vietnam has survived as one of Asia s most striking and complex cultures As more and more visitors come to this extraordinary country there has been for some years a need for a major history a book which allows the outsider to understand the many layers left by earlier emperors rebels priests and colonizers Christopher Goscha s new work amply fills this role Drawing on a lifetime of thinking about Indo China he has created a narrative which is consistently seen from inside Vietnam but never loses sight of the connections to the outside As wave after wave of invaders whether Chinese

French Japanese or American have been ultimately expelled we see the terrible cost to the Vietnamese themselves Vietnam's role in one of the Cold War's longest conflicts has meant that its past has been endlessly abused for propaganda purposes and it is perhaps only now that the events which created the modern state can be seen from a truly historical perspective Christopher Goscha draws on the latest research and discoveries in Vietnamese French and English His book is a major achievement describing both the grand narrative of Vietnam's story but also the byways curiosities differences cultures and peoples that have done so much over the centuries to define the many versions of Vietnam **China and the Vietnam**

Wars, 1950-1975 Qiang Zhai, 2005-10-21 In the quarter century after the founding of the People's Republic of China in 1949 Beijing assisted Vietnam in its struggle against two formidable foes France and the United States Indeed the rise and fall of this alliance is one of the most crucial developments in the history of the Cold War in Asia Drawing on newly released Chinese archival sources memoirs and diaries and documentary collections Qiang Zhai offers the first comprehensive exploration of Beijing's Indochina policy and the historical domestic and international contexts within which it developed In examining China's conduct toward Vietnam Zhai provides important insights into Mao Zedong's foreign policy and the ideological and geopolitical motives behind it Throughout the 1950s and 1960s he shows Mao considered the United States the primary threat to the security of the recent Communist victory in China and therefore saw support for Ho Chi Minh as a good way to weaken American influence in Southeast Asia In the late 1960s and 1970s however when Mao perceived a greater threat from the Soviet Union he began to adjust his policies and encourage the North Vietnamese to accept a peace agreement with the United States **Infantry**, 1997

Lyndon Johnsons War Americas Cold War Crusade In Vietnam 1945 1968 Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Lyndon Johnsons War Americas Cold War Crusade In Vietnam 1945 1968 PDF books and manuals is the internets largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Lyndon Johnsons War Americas Cold War Crusade In Vietnam 1945 1968 PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and

intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Lyndon Johnsons War Americas Cold War Crusade In Vietnam 1945 1968 free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Lyndon Johnsons War Americas Cold War Crusade In Vietnam 1945 1968 Books
