Quicklet on The Best John Lennon Songs: Lyrics and Analysis Brien Southward, 2012-07-30 ABOUT THE BOOK John Lennon is regarded not only as one of the most important and influential musicians of the 20th century As the leader of The Beatles he guided the band to a level of international superstardom that had until then never been seen before and which has only been matched by Michael Jackson Even after the breakup of The Beatles his solo work regularly made the charts and he and his wife Yoko Ono remained controversial public figures His songs ranged from the whimsical to the sincere his musical style tore down creative barriers and involved countless musical and studio innovations Songs like Imagine carried anti-war messages that even today remain deeply moving and inspiring but also which present a radical challenge to society's current status quo MEET THE AUTHOR Brien Southward grew up close to the headquarters of the Pawnee tribe in Pawnee Oklahoma He wrote his first book-length works in high school and immediately thereafter began writing professionally during college and after He holds a double BA in Linguistics German Studies from the University of Texas at Austin and has conducted research in linguistics and literary criticism His other interests include playing and composing music computers programming and writing fiction EXCERPT FROM THE BOOK Perhaps the most remarkable thing about Imagine is how radical its message is below the surface It's an extraordinarily well-respected pop song loved by many people who would not agree with the song's anti-government socialist and anti-religious message but who love its sense of optimism and its uplifting musical quality Indeed it's worth remembering that in the very first line of the song John asks his listeners to imagine there's no heaven and a few stanzas later adds imagine no possessions I wonder if you can Such statements must surely terrify certain people of influence who have a very strong personal interest

in the concepts of heaven and property

Do You Hear What I Hear? Anthony Monzo, 2023-03-07 God speaks to us in many different ways The Bible of course is His primary source but if you focus on what you are seeing and hearing in the world around you you can find spiritual messages in so many different sources as God uses us as vessels to convey His message of salvation to the world This includes through the visions of creation the fragrances of nature the sounds of the singing birds the thunder of the clouds the roars of the oceans the amazing sunsets the glorious sunrises and even in the quiet and dark star filled nights As Paul wrote in Romans 1:20 NIV For since the creation of the world God's invisible qualities his eternal power and divine nature have been clearly seen being understood from what has been made so that people are without excuse He also speaks to us through music and film in ways that we don't realize unless we are really paying attention This book presents a taste of how popular music and movies and even art as displayed on the cover can convey a message of hope and love to all those who have ears to hear and eyes to see what God is trying to tell them Some of the interpretations are based on what I perceive these songs or movies to be about which may not necessarily be what the writer intended Yet if you open up your heart you can find a message of love and hope in so many songs and movies and this message is what the gospel is all about Jesus gave a new commandment when he said in John 13:34 NLT Love each other Just as I have loved you you should love each other And the hope that we have is the confident anticipation of spending eternity with the Lord in His eternal kingdom and not just wishful thinking which is nothing but a worldly hope
