M Ju Lermontov His Life And Work Slavistische Beitrge:

M. Ju. Lermontov Walter N. Vickery, 2001 Displaying his characteristic balance between sympathy and detachment Vickery has first provided a concise but richly detailed account of Lermontov's brief and tragic life His approach is above all sensible down to earth and fair Lermontov was a romantic really the only Russian poet who fully fits that designation Vickery understands very well the romantic ethos but he is no romantic himself He treats with tolerant but ironic amusement the adolescent posturing of Lermontov's early Byronism He is less tolerant of the frequent arrogance and even cruelty in Lermontov's behavior toward those close to him especially women On the other hand Vickery recognizes Lermontov's genuine longing for intimacy and affection and credits his capacity for friendship and generosity He also effectively traces all these conflicting impulses in Lermontov's poetry Borderlands Orientalism or How the Savage Lost his Nobility Dominik Gutmeyr, 2017 In Russia's cultural memory the Caucasus is a potent point of reference to which many emotions images and stereotypes are attached The book gives a new reading of the development of Russia's perception of its borderlands and presents a complex picture of the encounter between the Russians and the indigenous population of the Caucasus The study outlines the history of a region standing in between Russian reveries and Russian imperialism Series Studies on South East Europe Vol 19 Subject History Russian Studies Ethnology M. Ju.
