Edmonton In Our Own Words Linda Goyette, Carolina Jakeway Roemmich, 2005-04-18 Linda Goyette and Carolina Roemmich have tapped Edmonton's collective memoir through the written record the spoken stories and the vast silences All of the people who ever lived at this bend in the North Saskatchewan took part in creating the city we know as Edmonton Through traditional Indigenous stories about the earliest travellers along the bend in the river diaries archival records and letters of 19th century inhabitants and the recollections of living residents who talk about the emerging city Edmonton's history is told using the words and stories of the people who have called this city home Citizens with diverse viewpoints speak for themselves describing important events in Edmonton's social political and economic development Foreword by Keith Turnbull The official publication of the City of Edmonton's Centennial Edmonton In Our Own Words includes many

never seen before photographs from private collections historic maps and a timeline of Edmonton s history Imagine a conversation between Edmonton s past inhabitants and its living citizens What would we tell the rest of the world about our place on the map What stories would we tell with tears in our eyes or laughter or pride In Edmonton In Our Own Words experience the personal stories of eyewitnesses and descendants explaining arguing crying scolding laughing and interrupting one another in a city s evolving conversation with itself as Edmonton celebrates its past and future The authors tap Edmonton s collective memoir through written records and spoken stories All those who ever lived at this bend in the North Saskatchewan took part in creating the city we know as Edmonton Citizens with diverse viewpoints speak for themselves describing important events in the city s social political and economic development **Western Canada** Ulysses Travel Guides,2004-03 This guidebook offers Descriptions of numerous attractions star rated so you can spot the must sees at a glance The best accommodations and restaurants in every price range All there is to know about parks and historic sites as well as outdoor activities More than 50 regional and city maps to help you customize your itinerary **The Rajah of Renfrew** Brant Ducey,1998-12 Baseball has been an essential strand in Edmonton s social fabric This bush league town was also the source of considerable major league talent in the early decades of this century The Rajah of Renfrew surveys the arrival and development of baseball in western Canada and John Ducey s role in bringing professional ball to the prairies Canadian Moving Picture Digest ,1926 **100 Reasons Why Realtor, Ed Remus Could Not Get Married** Joe Remesz,2012-03 I have worked in the broadcasting and real estate industries and enjoyed both I met a lot of people had my ups and downs and in the end managed to laugh at myself and with others There are joke anecdote and amusing story books about the broadcasting industry I could write about my experiences as a radio TV announcer but feel broadcasting has already been adequately covered by other writers but not the real estate industry In Finding Charity I hope you and your friends will enjoy reading with hours of smiles chuckles and old fashioned belly laughs Whenever I appear as a guest on radio or TV talk show the host often invites me to stay a little longer as listeners and viewers jam the phone lines with material It seems that each humorous incident happened in their town to them or a friend Many theories exist about what humour is and what social function it serves I found that people of all ages and cultures respond to humour The majority of people are able to be amused to laugh or to smile at something funny and thus they are considered to have a sense of humour Science proves that laughter heals Sometime a sense of humour is a requisite for long term survival in the real estate industry After you have read Finding Charity I do not take responsibility for a cardiac arrest I have tried to give credit wherever possible but jokes anecdotes and amusing stories generally and now with cyberspace technology sweep the world so swiftly that it is often impossible to discover who put the story into public print first let alone who actually originated it I had fun in planning Finding Charity and to all those whom I interrupted with I already got that one I apologize I m particularly grateful to my wife Teofista for planting the idea in writing Finding Charity Frommer's Canada Shawn Blore,Wayne Curtis,Hilary
