Cunningham,2014-09-11 Image and Power is an important work of literary and cultural criticism This collection of essays focuses on some of the major issues addressed by women s writing in the twentieth century concerning genre subjectivity and social and cultural expectations issues which in the past have been regarded from an essentially male perspective The text introduces women writers whose novels have been widely read and provides an important contribution to the debate about women in literature The Jacobites and the Supernatural Geoff Holder,2010-10-15 The first book to bring together

the fascinating and romantic world of Jacobite history and its often bizarre association with paranormal beliefs **An Army of Stories** Roger Mason,2015-06-23 Private First Class R was an excellent soldier so it was unlike him to be late When he came in a few minutes later I could see by the grim look on his face that something was terribly wrong He immediately began to cry and tell me that his wife had miscarried the child they had so badly wanted I had never seen anyone cry as much as he did that morning and one box of tissues simply was not enough After a while the front of his uniform was soaked from his many tears and I felt horrible seeing him suffer It was one of those times when I would have moved Heaven and Earth if I could have but I could not It humbled me because I wanted to order someone to do something to fix the problem but this time it would not be that simple I had always taken pride in looking out for the welfare of the soldiers in my charge but this time was different I knew I was not a miracle worker but I felt I had let him down because as much as I wanted to I did not have the power to bring back his baby It was the worst day of my Army career because a good soldier who looked up to me for wisdom and guidance was in peril and there was nothing I could do I felt like a weakened Superman hopelessly dragging his feet through a field of Kryptonite because there I was with all my rank and power that the Army had entrusted in me but I was useless to him *Weird Tales* 295 (Winter 1989/1990) Darrell Schweitzer,1989-12 The Winter 1989 1990 issue of *Weird Tales* showcases Featured Author Brian Lumley who contributed 3 stories and an interview and Featured Artist Vincent di Fate who contributed all the artwork Also includes Keith Taylor Phyllis Ann Karr and more *Horror Fiction in the 20th Century* Jess Nevins,2020-01-07 Providing an indispensable resource for academics as well as readers interested in the evolution of horror fiction in the 20th century this book provides a readable yet critical guide to global horror fiction and authors Horror Fiction in the 20th Century encompasses the world of 20th century horror literature and explores it in a critical but balanced fashion Readers will be exposed to the world of horror literature a truly global phenomenon during the 20th century Beginning with the modern genre s roots in the 19th century the book proceeds to cover 20th century horror literature in all of its manifestations whether in comics pulps paperbacks hardcover novels or mainstream magazines and from every country that produced it The major horror authors of the century receive their due but the works of many authors who are less well known or who have been forgotten are also described and analyzed In addition to providing critical

of power and how these biases affect actual journalistic practices Pedelty also explores alternative possibilities for war reporting including emerging alternative international news services and ways to deepen reporters understandings of the countries and problems they cover Influenced by anthropology communication studies cultural studies and sociology this book will interest scholars and students in those fields as well as journalists and anyone who watches reads or listens to news
