MacArthur The American Experience:

MacArthur Reconsidered James Ellman, 2023-07-01 James Ellman digs deep connects the dots and concludes that General Douglas MacArthur was decidedly not a military genius One of America's most controversial generals Douglas MacArthur's rise through the U S Army's ranks was meteoric However he did not lead large formations of men in combat until he assumed command of forces in the Philippines in 1941 When war commenced with the bombing of Pearl Harbor MacArthur's performance on the battlefield was a failure he underestimated the Japanese and his poorly trained forces were outmaneuvered and outfought by a much smaller invading force However in what became a repeating hallmark of his career he successfully portrayed his actions to much of the American people as brilliant and heroic regardless of victory or defeat After fleeing to Australia MacArthur famously announced I will return and followed through on a quest to retake Manila regardless of its impact on Allied global strategy or its cost in American Australian and Filipino blood In his subsequent role as America's shogun in Tokyo MacArthur was again surprised by an enemy he underestimated The Korean War yielded his greatest victory at Inchon but also his greatest defeat along the Yalu River Unwilling to accept anything but complete victory he openly defied President Truman MacArthur fatally undermined chances for an early peace planned to seed a great swath of enemy territory with radioactive cobalt and attempted to widen a conflict which threatened to become a third world war Raging against his subsequent firing he only truly faded away after he was publicly criticized by a panoply of America's greatest WWII generals Today MacArthur still polarizes Many biographies agree he was a great and patriotic leader marred by a few failures Ellman argues the opposite MacArthur was a lackluster battlefield commander who suffered stunning defeats while undermining the command structure of our military

Douglas MacArthur Stephanie Sammartino McPherson, 2004-12-01 Examines the life and career of Douglas MacArthur including his childhood education and military experience

Humanities, 1999

The First Heroes Craig Nelson, 2003-09-30 Immediately after Japan's attack on Pearl Harbor President Franklin D Roosevelt sought to restore the honor of the United States with a dramatic act of vengeance a retaliatory bombing raid on Tokyo On April 18 1942 eighty brave young men led by the famous daredevil Jimmy Doolittle took off from a navy carrier in the mid Pacific on what everyone regarded as a suicide mission but instead became a resounding American victory and helped turn the tide of the war The First Heroes is the story of that mission Meticulously researched and based on interviews with twenty of the surviving Tokyo Raiders this is a true account that almost defies belief a tremendous human drama of great personal courage and a powerful reminder that ordinary people when faced with extraordinary circumstances can rise to the challenge of history

In Blood, Flowers Bloom Samantha Bresnahan, 2025-04-15 An intergenerational story of war forgiveness and memory told through stolen and returned battlefield souvenirs How do we remember war How do we forgive In Blood Flowers Bloom illuminates one of the last untold stories of World War II the common act of soldiers sailors and Marines taking their enemy's possessions after victory This is the story

of a single Japanese battle flag found among the belongings of a long passed American WWII veteran originally belonging to a Japanese soldier In telling the story of this flag and its journey from battle in the Philippines to a shed in upstate New York award winning writer Samantha Bresnahan reveals the way in which objects represent generations of trauma imperialism and memory Weaving through time In Blood Flowers Bloom tells the overlapping stories of two families that flag and a decades long quest here we meet American Iwo Jima veteran Marty Connor Japanese imperial Naval captain turned Buddhist monk Tsunezo Wachi and Masataka Shiokawa the resilient son of a Japanese soldier killed in battle at Okinawa These three men could have lived and died as enemies that was their historical prerogative Instead they banded together as uneasy allies and then eventual friends in their shared mission to return artifacts taken by American GIs to their rightful owners giving Japanese families a new opportunity for closure and healing the wounds inflicted by loss of loved ones both physically and spiritually

Empire's Mistress, Starring Isabel Rosario Cooper Vernadette Vicuña Gonzalez,2021-02-05 In Empire s Mistress Vernadette Vicu a Gonzalez follows the life of Filipina vaudeville and film actress Isabel Rosario Cooper who was the mistress of General Douglas MacArthur If mentioned at all their relationship exists only as a salacious footnote in MacArthur s biography a failed love affair between a venerated war hero and a young woman of Filipino and American heritage Following Cooper from the Philippines to Washington D C to Hollywood where she died penniless Gonzalez frames her not as a tragic heroine but as someone caught within the violent histories of U S imperialism In this way Gonzalez uses Cooper s life as a means to explore the contours of empire as experienced on the scale of personal relationships Along the way Gonzalez fills in the archival gaps of Cooper s life with speculative fictional interludes that both unsettle the authority of official archives and dislodge the established one dimensional characterizations of her By presenting Cooper as a complex historical subject who lived at the crossroads of American colonialism in the Philippines Gonzalez demonstrates how intimacy and love are woven into the infrastructure of empire

generally regarded to be an outstanding basis for a liberal democracy is at the same time widely considered to be in its Japanese form an document which is alien and incompatible with Japanese culture Using both linguistics and historical data Kyoto Inoue argues that despite the inclusion of alien concepts and ideas this constitution is nonetheless fundamentally a Japanese document that can stand on its own This is an important book This is the most significant work on postwar Japanese constitutional history to appear in the West It is highly instructive about the century long process of cultural conflict in the evolution of government and society in modern Japan Thomas W Burkman Monumenta Nipponica **U.S. Security Interests** ,1985 **Early U.S. Navy Carrier Raids, February-April 1942** David Lee Russell,2019-10-08 After the Japanese attack on Pearl Harbor America s fast carrier task forces with their aircraft squadrons and powerful support warships went on the offensive Under orders from Fleet Admiral Ernest J King the newly appointed Admiral Chester W Nimitz as the Commander in Chief of the Pacific Fleet took the fight to the Japanese using island raids to slow their advance in the Pacific Beginning in February 1942 a series of task force raids led by the carriers USS Enterprise USS Yorktown USS Lexington and USS Hornet were launched beginning in the Marshall Islands and Gilbert Islands An attempted raid on Rabaul was followed by successful attacks on Wake Island and Marcus Island The Lae Salamaua Raid countered Japanese invasions on New Guinea The most dramatic was the unorthodox Tokyo Doolittle Raid where 16 carrier launched B 25 medium bombers demonstrated that the Japanese mainland was open to U S air attacks The raids had a limited effect on halting the Japanese advance but kept the enemy away from Hawaii the U S West coast and the Panama Canal and kept open lines of communications to Australia *The Pacific War* William B. Hopkins,2010-11-04 This important comprehensive study of WWII in the Pacific examines the high level decision making and strategy that led to victory Roanoke Times Once the stories have been told of battles won and lost most of what happens in a war remains a mystery So it has been with accounts of World War II in the Pacific a complex conflict whose nature is often obscured by simple chronological narratives In *The Pacific War* William B Hopkins a Marine Corps veteran of the Pacific war and respected military history author opens the story of the Pacific campaign to a broader and deeper view Hopkins investigates the strategies politics and personalities that shaped the fighting His regional approach to this complex war conducted on land sea and air offers an insightful perspective on how this multifaceted conflict unfolded As expansive as the immense reaches of the Pacific and as focused as the most intensive pinpoint attack on a strategic island Hopkins account offers a fresh way of understanding the hows and more significantly the whys of the Pacific War **The Marines of Montford Point** Melton A. McLaurin,2009-11-05 With an executive order from President Franklin Roosevelt in 1941 the United States Marine Corps the last all white branch of the U S military was forced to begin recruiting and enlisting African Americans The first black recruits received basic training at the segregated Camp Montford Point adjacent to Camp Lejeune near Jacksonville North Carolina Between 1942 and 1949 when the base was closed as a result of President Truman s 1948 order fully desegregating all military forces more than 20

000 men trained at Montford Point most of them going on to serve in the Pacific Theatre in World War II as members of support units This book in conjunction with the documentary film of the same name tells the story of these Marines for the first time Drawing from interviews with 60 veterans The Marines of Montford Point relates the experiences of these pioneers in their own words From their stories we learn about their reasons for enlisting their arrival at Montford Point and the training they received there their lives in a segregated military and in the Jim Crow South their experiences of combat and service in World War II Korea and Vietnam and their legacy The Marines speak with flashes of anger and humor sometimes with sorrow sometimes with great wisdom and always with a pride fostered by incredible accomplishment in the face of adversity This book serves to recognize and to honor the men who desegregated the Marine Corps and loyally served their country in three major wars *Parameters* ,1995 **War and Press Freedom** Jeffery A. Smith,1999-02-25 War and Press Freedom The Problem of Prerogative Power is a groundbreaking and provocative study of one of the most perplexing civil liberties issues in American history What authority does or should the government have to control press coverage and commentary in wartime First Amendment scholar Jeffery A Smith shows convincingly that no such extraordinary power exists under the Constitution and that officials have had to rely on claiming the existence of an autocratic higher law of survival Smith carefully surveys the development of statutory restrictions and military regulations for the news media from the ratification of the Bill of Rights in 1791 through the Gulf War of 1991 He concludes that the armed forces can justify refusal to divulge a narrow range of defense secrets but that imposing other restrictions is unwise unnecessary and unconstitutional In any event as electronic communication becomes almost impossible to constrain soldiers and journalists must learn how to respect each other s obligations in a democratic system *American Military History, Volume II* ,2010 From the Publisher This latest edition of an official U S Government military history classic provides an authoritative historical survey of the organization and accomplishments of the United States Army This scholarly yet readable book is designed to inculcate an awareness of our nation s military past and to demonstrate that the study of military history is an essential ingredient in leadership development It is also an essential addition to any personal military history library **Assembly** West Point Association of Graduates (Organization),1991 *To the End of the Earth* John C. McManus,2023-05-02 Winner of the Army Historical Foundation Award for Excellence in U S Army Writing From the liberation of the Philippines to the Japanese surrender the final volume of John C McManus s trilogy on the US Army in the Pacific War Brilliant and riveting a truly great book Gen David Petraeus Triumphant and compelling Richard Frank McManus is one of the best if not the best World War II historians working today World War II magazine The dawn of 1945 finds a US Army at its peak in the Pacific Allied victory over Japan is all but assured The only question is how many more months or years of fight does the enemy have left John C McManus winner of the Gilder Lehrman Prize for Military History concludes his magisterial series described by the Wall Street Journal as being as vast and splendid as Rick Atkinson s Pulitzer Prize winning Liberation Trilogy with this brilliant

final volume On the island of Luzon a months long stand off between US and Japanese troops finally breaks open as American soldiers push into Manila while paratroopers and amphibious invaders capture nearby Corregidor The Philippines are soon liberated and Allied strategists turn their eyes to China Iwo Jima Okinawa and the Japanese home islands themselves Readers will walk in the boots of American soldiers and officers braving intense heat rampant disease and a by now suicidal enemy determined to kill as many opponents as possible before defeat and they will encounter Japanese soldiers faced with the terrible choice between capitulation or doom At the same time this outstanding narrative lays bare the titanic ego and ambition of the Pacific War s most prominent general Douglas MacArthur and the complex challenges he faced in Japan s unconditional surrender and America s lengthy occupation **Air Force Journal of Logistics** ,1988
