Mama Dot:

Mama Dot Fred D'aguiar, 2013-08-31 Every once in a while a new poet appears who makes us feel that the contours of contemporary poetry have been significantly changed Fred D'aguiar is such a poet Although still in his early twenties he already has a wholly independent voice and a powerful grasp of original and strange subjects Many of these arise from his childhood in Guyana the first section of *Mama Dot* comprises a series in which these early years are recalled with a passionately lyrical evocation of landscapes incidents and family relations They are sensuous celebrations but are nevertheless touched with melancholy and nostalgia qualities which are more fully evident elsewhere in the book in poems which address the life D'Aguiar now leads in England and which concentrate on themes of exile In the final section Guyanese Days he returns once again to the scenes and memories of his childhood *Mama Dot* is one of the most exciting first collections to have been published for many years exhilarating haunting and restlessly inventive **Dot's Corner** Doris Howard Surles, 2009-12-22 Why do I write I write because it brings me great joy and God gives me the ability to pen words to paper In the midst of my pain I write In sorrow I write In the midst of my totally devastating journey through illness I write Yea though I walk through the valley of the shadow of death I write For all the days I wanted to sing and was not allowed to I write When I look in to the pain in my daughters eyes I then write Through long suffering I write In the midst of my lifes storms I write In the good times I write and happy times I write From a child when I needed to get away I write I write because it makes me happy Why do I write My heart sings out the words from my mind In this my lifes writings there will be expressions of love thoughts hope dreams and emotions So as you look into the corner you will find Pieces of my heart pen to paper From the corners of my mind I write *Mama's Prayers* Dennis Phillips, 2006-04 A faithful mother Thelma Jackson prays regularly for her grown son William though unaware of difficulties he is facing William then experiences tangible and divine answers to his mother's prayers **You Are My World** Rheta Dewberry Norman, 2022-05-26 Mary a 60 year old widow and the mother of three grown children has made an oath to remain celibate until she marries again So far it has been easy to keep her vow A sudden snow storm brings Michael a 62 year old multimillionaire to her home almost frost bitten Because of their unwavering faith in God they knew they were fated to be together for life Although the vow was a constant reminder while they waited for their wedding day as the time grew nearer something was wrong Michael has a premonition that something is going to happen that will not be good and this adds to the impending doom they feel Will they reach the joy they seek in an everlasting life together **Other** Richard Caddel, Peter Quartermain, 1999 The most significant US anthology of innovative poetries from the UK and Ireland in over 25 years When most Americans think of contemporary British poetry they think of such mainstream poets as Ted Hughes Philip Larkin and Geoffrey Hill Yet there is a vibrant diverse alternative poetry movement in the UK inspired in large measure by the work of such significant mentors as Basil Bunting and J H Prynne There is growing interest in this work in the United States as alternative American poetries express

increasingly transnational concerns and yet almost none of it is available here OTHER is a highly focused anthology bringing together several important strands of English language poetry that are not otherwise so readily accessible It includes work by 55 poets among them Cris Cheek Brian Coffey Fred d Aguiar Allen Fisher Ulli Freer Randolph Healy Linton Kwesi Johnson Wendy Mulford Tom Raworth Denise Riley Catherine Walsh a critical introduction addressing such topics as the interaction of British and American poetic traditions and brief biographical and bibliographical notes on each poet

Nancy Lockard Gallop, Dorothy Lockard Bristol, 2000 Our 1935 black Oldsmobile and heavily loaded trailer drew hostile looks as we drove into Bakersfield and stopped at a shady park to check the tires When Mother Daddy we two girls and our young brother Skippy got out two work hardened men in ranch straw hats and short sleeved cotton shirts stood staring suspiciously at our California license plates Had those plates on long the shorter man challenged Daddy Guess you d say so Daddy answered pleasantly Mother s hands were settling on her hips a sure sign her indignation would be expressed verbally at the first sign of an insult from the men The taller man took a step toward Daddy Hope you re not looking for farm work in Bakersfield cause there isn t any Deliberately the man spat on the curb Every damn fool in Texas Missouri Arkansas and Oklahoma is either here or on Route 66 trying to get here in some beat up jalopy Not enough cotton or potatoes in all of Kern County to keep half of them busy No Daddy said evenly Not looking for work Just looking to head out of here in a few minutes While Daddy circled our car and trailer Mother glared at the men snapped open her white envelope purse and drew out a bottle of Coty s Emeraude dabbing a drop behind each ear It s so much hotter here than in Lynwood she said loftily I don t know how people can stand it Turning her back on the Bakersfield men she added Come on children let s get back in the car And don t step in that filth on the sidewalk As Daddy pulled away from the curb Mother fanned herself with her purse Imagine Bruce you a civil engineer looking for farm work I d like to have given those Bakersfield men a piece of my mind and I would have too if your work weren t so secret They treated us as if we were Dust Bowl migrants In California in 1935 twenty percent of the country s labor force was unemployed and hobos regularly knocked on back doors for handouts To survive in the Great Depression our father had taken a job with an oil exploration party in the San Joaquin Valley Our family packed up and left southern California to join him Between 1900 and 1936 California led the nation in petroleum production Oil companies certain that great reserves of oil still lay hidden sent exploration crews called doodlebug parties throughout California to find new fields The intense competition among oil companies mandated secrecy concerning doodlebug party movements By setting explosives off in a series of holes doodlebuggers would measure the echoes and make a seismic record that might indicate the presence of oil Our new life was scary because we girls Nancy age 10 and Sunny 12 had been allowed to make the decision whether to follow our father or remain in comfortably familiar Lynwood just south of Los Angeles Still we knew that our father felt fortunate to be holding a job even one that worked a hardship on his wife and children We left our home in Southern California and headed north over the Ridge Route towing our possessions behind our car in a small

canvas covered trailer Even though the security of our family unit buffered us against hardships we girls were apprehensive Still we were excited about the new life that was unfolding DOODLEBUG DAYS takes place in a California with a population of only six million The Valley towns in which we lived were small and agricultural with tight knit established families For the employed life was less complicated than it is today Radios not televisions were prominently enshrined in each living room In the small towns up and down the Valley people pulled their kitchen chairs close to their radio to listen to President Roosevelt's fireside chats as he discussed solutions to the problems that marked the era The 19 Cent Millionaire Marian Wardlaw,2011-06-01 I gain strength courage and confidence by every experience in which I must stop and look fear in the face I say to myself Ive lived through this and I can take the next thing that comes along Eleanor Roosevelt The trials challenges and lessons of life seem to do one of two things they either make us or break us In addition the way we think on a daily basis plays a major role in how we face the challenges of life and ultimately grow from each of the individual obstacles that come our way In dealing with setbacks it is then that our will determination and true character are tested at every level Many questions prevail in such turbulent times Do we wallow in self pity or Do we keep pressing on knowing and believing that better days are to come Do we give up on our faith and simply throw in the towel or Do we continue to believe that God is working in our lives even when we cant see HIM working The 19 Cent Millionaire is a story of how an ordinary woman with the help of family friends and even complete strangers has dealt with and triumphed over difficult circumstances and reveals what she has learned in the process This book is a story of hope for all who have ever felt lost and alone abused and forgotten or thought themselves to be too far gone for a positive change It is a story of how one woman has learned grown and is still growing into the woman she has always wanted to be and the mission she has to help others reach their full potential and obtain Gods ultimate best Women Are Spiritual Bridges Bren Gandy-Wilson,2009-06 This is not 52nd Street The rich white academics will no longer be given their structured easy to listen to jazz This is Milton's Playhouse This is the heart of music Structure time form and proper scales are dead here This is the place that jazz progresses 52nd Street is stale and lifeless The bridge to 52nd Street has been burned down This is Improvisational Writing It lives through every typo misspelling misuse and grammatical mistake It is music without sound Without measures Without Scales Without time Without prisons It is a hope to give life to something that has become so confined it can no longer breathe It may be one continuous mistake But it is honest true uncompromising and unconfined In a world that has a million bookshelves lined with street maps to 52nd Street this is a fresh note It may be a flat note nonetheless it is a note Indigo Beverly Jenkins,2000-08-22 As a child Hester Wyatt escaped slavery but now the dark skinned beauty is a dedicated member of Michigan's Underground railroad offering other runaways a chance at the freedom she has learned to love When one of her fellow conductors brings her an injured man to hide Hester doesn't hesitate even after she is told about the price on his head The man in question is the great conductor known as the Black Daniel a vital member of the North's Underground railroad

network But Hester finds him so rude and arrogant she begins to question her vow to hide him When the injured and beaten Galen Vachon aka the Black Daniel awakens in Hester s cellar he is unprepared for the feisty young conductor providing his care As a member of one of the wealthiest free Black families in New Orleans Galen has turned his back on the lavish living he is accustomed to in order to provide freedom to those enslaved in the South However as he heals he cannot turn his back on Hester Wyatt Her innocence fills him like a breath of fresh air and he is determined to make this gorgeous and intelligent woman his own Yet there are traitors to be discovered slave catchers to be evaded and Hester s heart to be won before she and Galen can find the freedom that only true love can bring *Art Isn't Easy* Joanne Gordon,2009-06-16 The musical theatre of Stephen Sondheim probes deeply into the most disturbing issues of contemporary life By challenging his audience with intricate music biting wit and profound themes he flouts the traditional wisdom of the musical theatre Tracing Sondheim s career from his initial success as lyricist for *West Side Story* and *Gypsy* to his most recent work *Into the Woods* and *Assassins* Joanne Gordon emphasizes not only the disturbing content of Sondheim s work but his innovative use of form In shows such as *A Little Night Music* *Sweeney Todd* and *Sunday in the Park with George* Sondheim s music and lyrics are inextricably woven into the fabric of the entire work *Bitter and Sweet* Rhonda McKnight,2024-06-11 a poignant story of sisterhood motherhood and new love found in old places McKnight s writing is as delectable as the Gullah cuisine at the heart of the novel Denny S Bryce bestselling author of *The Other Princess* and *Wild Women and the Blues* From the beloved author of *The Thing About Home* comes a dual timeline tale of Lowcountry flavor family grief secrets and the sweet redemption that lies within the bonds of sisterhood *The Present* When summoned to Georgetown South Carolina sisters Mariah Clark and Sabrina Holland both assume their ailing grandfather s health has gotten worse Neither expects their grandmother s undeniable request save the family restaurant Mariah is at a crossroad in her life After being dumped by her husband and forced to walk away from their diner that she helped rescue from bankruptcy bitter feelings consume her Even though the restaurant has been in the family for eighty six years giving her all to another struggling business isn t something she wants to do Living out of her van and striving for a fresh start Sabrina yearns for stability for herself and her daughter and a chance to turn her baking hustle into a bona fide business The family restaurant may be just the blessing she needs but as old tensions and angry disagreements resurface Sabrina wonders if her sister will let her have a say *The Past* After falling victim to a love she thought would last a lifetime Tabitha Cooper finds herself away from home and struggling to survive in Charleston in the early twentieth century She is determined to turn corn into cornbread and to take care of her children the best way she knows how by serving food that s good for the soul and along the way forges a path that leaves a legacy of success for generations to come Through letters that reveal Tabitha s complicated past the sisters discover truths that just might be the right recipe to mend their hearts if they can find a way to savor the blessing of today and leave the bitter aftertaste of old memories behind them *Diamond's Fate* Angie Singleton,2011-04-27 Diamond Pearl Hope is a biracial
