In the Shadow of Revolution Sheila Fitzpatrick, Yuri Slezkine, 2018-06-26 Asked shortly after the revolution about how she viewed the new government Tatiana Varsher replied With the wide open eyes of a historian Her countrywoman Zinaida Zhemchuzhnaia expressed a similar need to take note I want to write about the way those events were perceived and reflected in the humble and distant corner of Russia that was the Cossack town of Korenovskaia What these women witnessed and experienced and what they were moved to describe is part of the extraordinary portrait of life in revolutionary Russia presented in this book A collection of life stories of Russian women in the first half of the twentieth century In the Shadow of Revolution brings together the testimony of Soviet citizens and migr s intellectuals of aristocratic birth and Soviet milkmaids housewives and engineers Bolshevik activists and dedicated opponents of the Soviet regime In literary memoirs oral interviews personal dossiers public speeches and letters to the editor these women document their diverse experience of the upheavals that reshaped Russia in the first half of this century As is characteristic of twentieth century Russian women s autobiographies these life stories take their structure not so much from private events like childbirth or marriage as from great public events Accordingly the collection is structured around the events these women see as touchstones the Revolution of 1917 and the Civil War of 1918 20 the switch to the New Economic Policy in the 1920s and collectivization and the Stalinist society of the 1930s including the Great Terror Edited by two preeminent historians of Russia and the Soviet Union the volume includes introductions that investigate the social historical context of these women s lives as well as the structure of their autobiographical narratives **Ester and Ruzya** Masha Gessen, 2008-12-30 In this extraordinary family memoir the National Book Award winning author of *The Future Is History* reveals the story of her two grandmothers who defied Fascism and Communism during a time when tyranny reigned The New York Times Book Review In the 1930s as waves of war and persecution were crashing over Europe two young Jewish women began separate journeys of survival Ester Goldberg was a rebel from Bialystok Poland where virtually the entire Jewish community would be sent to Hitler s concentration camps Ruzya Solodovnik was a Russian born intellectual who would become a high level censor under Stalin s regime At war s end both women found themselves in Moscow Over the years each woman had to find her way in a country that aimed to make every citizen a cog in the wheel of murder and repression One became a hero in her children s and grandchildren s eyes the other became a collaborator With grace candor and meticulous research Masha Gessen one of the most trenchant observers of Russia and its history today peels back the layers of time to reveal her grandmothers lives and to show that neither story is quite what it seems Praise for Masha Gessen One of the most important activists and journalists Russia has known in a generation David Remnick The New Yorker Masha Gessen is humbly erudite deftly unconventional and

courageously honest Timothy Snyder author of *On Tyranny* **Russia at the Barricades** Victoria E. Bonnell, Ann Cooper, Gregory Freidin, 2015-03-04 What does the Congress do How does it do it Is the Congress up to the challenges ahead This primer offers students an introduction to Congress and the role it plays in the US political system It explores the different political natures of the House and Senate and examines Congress's interaction with other branches of the Federal government Sleeper Spy William Safire, 2011-10-12 An international insider's feel for a story with a master's touch for telling it Pick it up and you won't put it down Dan Rather In the wake of an important KGB agent's disappearance an event of international proportions journalist Irving Fein teams up with a television anchorwoman and stumbles on the story of a lifetime Immensely entertaining engaging and cunningly plotted with a wealth of diverting asides on the self-importance of journalists the duplicity of officialdom the venality of big time literary agents and other of civilized society's burdens Kirkus Reviews The spy novel thought dead at the end of the Cold War is alive and well rising to new heights in Bill Safire's *Sleeper Spy* Richard Helms former head of the CIA The Moralist International Kristina Stoeckl, Dmitry Uzlaner, 2022-12-20 The Moralist International analyzes the role of the Russian Orthodox Church and the Russian state in the global culture wars over gender and reproductive rights and religious freedom It shows how the Russian Orthodox Church in the past thirty years first acquired knowledge about the dynamics issues and strategies of Right Wing Christian groups how the Moscow Patriarchate has shaped its traditionalist agenda accordingly and how the close alliance between church and state has turned Russia into a norm entrepreneur for international moral conservatism Including detailed case studies of the World Congress of Families anti-abortion activism and the global homeschooling movement the book identifies the key factors causes and actors of this process Kristina Stoeckl and Dmitry Uzlaner then develop the concept of conservative *aggiornamento* to describe Russian traditionalism as the result of conservative religious modernization and the globalization of Christian social conservatism The Moralist International continues a line of research on the globalization of the culture wars that challenges the widespread perception that it is only progressive actors who use the international human rights regime to achieve their goals by demonstrating that conservative actors do the same The book offers a new original perspective that firmly embeds the conservative turn of post-Soviet Russia in the transnational dynamics of the global culture wars The Moralist International is available from the publisher on an open access basis The Eastern International Masha Kirasirova, 2024 The Eastern International traces how the concept East Vostok was used by the world's first communist state and its mediators to project channel and contest power across Eurasia It highlights the roles played in this process by Jewish activists Arab intellectuals and Central Asian politicians and artists A Ransomed Dissident Igor Golomstock, 2018-10-25 In 1939 a ten-year-old Igor Golomstock accompanied his mother a medical doctor to the vast network of labour camps in the Russian Far East While she tended patients he was minded by assorted trusty prisoners hardened criminals and returned to Moscow an almost feral adolescent fluent in obscene prison jargon but intellectually ignorant Despite this dubious start he

became a leading art historian and co author with his close friend Andrey Sinyavsky of the first deeply controversial monograph on Picasso published in the Soviet Union His writings on his 43 years in the Soviet Union offer a rare insight into life as a quietly subversive art historian and the post Stalin dissident community In vivid prose Golomstock shows the difficulties of publishing curating and talking about Western art in Soviet Russia and with self deprecating humour the absurd tragicomedy of life for the Moscow intelligentsia during Khrushchev s thaw and Brezhnev s stagnation He also offers a unique personal perspective on the 1966 trial of Sinyavsky and Yuri Daniel widely considered the end of Khrushchev s liberalism and the spark that ignited the Soviet dissident movement In 1972 he was given permission to leave the Soviet Union but only after paying a ransom of more than 25 years salary nominally intended to reimburse the state for his education A remarkable collection of artists scholars and intellectuals in Russia and the West including Roland Penrose came together to help him pay this astronomical sum His memoirs of life once in the UK offer an insider s view of the BBC Russian Service and a penetrating analysis of the notorious feud between Sinyavsky and Aleksandr Solzhenitsyn Nominated for the Russian Booker Prize on its publication in Russian in 2014 *The Ransomed Dissident* opens a window onto the life of a remarkable man a dissident of uncompromising moral integrity and with an outstanding gift for friendship **Slavic and**

East European Performance Martin E. Segal Theatre Center,1998 **Road to Victory** Dorothy Leivers,2009 *Road to Victory* Jewish Soldiers of the 16th Lithuanian Division is one of the few books written about Eastern European Jews who volunteered to fight as soldiers during World War II The book contains first person accounts about the participation of Lithuanian Jews who fought in the 16th Lithuanian Division of the Red Army Through their accounts they represent the large corps of 4 500 Jewish fighters men and women alike who took arms in the battlefields of World War II in order to destroy the enemy as well as to liberate the remnants of Lithuanian Jewry the survivors of the Shoah A good number of stories are written by or about women who fought in the war Professor Dov Levin himself a partisan and possibly the world authority on the Jews of Lithuania wrote the first article in the book In addition to the personal accounts there is a yizkor memorial section listing 1 215 soldiers who died giving their name father s given name year of birth rank date and place of death All told some 2 500 people are mentioned in the book There is an index of persons yizkor section excluded Publisher description

Rebirthing a Nation Wendy K. Z. Anderson,2021-04-22 Although US history is marred by institutionalized racism and sexism postracial and postfeminist attitudes drive our polarized politics Violence against people of color transgender and gay people and women soar upon the backdrop of Donald Trump Tea Party affiliates alt right members like Richard Spencer and right wing political commentators like Milo Yiannopoulos who defend their racist and sexist commentary through legalistic claims of freedom of speech While more institutions recognize the volatility of these white men s speech few notice or have thoughtfully considered the role of white nationalist alt right and conservative white women s messages that organizationally preserve white supremacy In *Rebirthing a Nation* White Women Identity Politics and the Internet author Wendy K Z

Anderson details how white nationalist and alt right women refine racist rhetoric and web design as a means of protection and simultaneous instantiation of white supremacy which conservative political actors including Sarah Palin Donald Trump Kellyanne Conway Sarah Huckabee Sanders and Ivanka Trump have amplified through transnational politics By validating racial fears and political divisiveness through coded white identity politics postfeminist and motherhood discourse functions as a colorblind gilded cage Rebirthing a Nation reveals how white nationalist women utilize colorblind racism within digital space exposing how a postfeminist framework becomes fodder for conservative white women s political speech to preserve institutional white supremacy

Soviet Baby Boomers Donald J. Raleigh,2013-09-19 Soviet Baby Boomers traces the collapse of the Soviet Union and the transformation of Russia into a modern highly literate urban society through the life stories of the country s first post World War II Cold War generation

The Horror of Himmler's Death Squads Norman Ridley,2024-09-30 During the Second World War Lithuania Latvia and Estonia were occupied on three separate occasions twice by the Soviet Union and once by Nazi Germany The signing of the Ribbentrop Molotov Pact of 1939 allowed the Soviets to dominate the Baltic states without fear of German reprisals causing many in the German Baltic populations to flee to Poland Soviet rule of the Baltics was brutal with the purging of political elites and deportation of many tens of thousands in a bid to turn them into vassal states Consequently when Hitler launched Operation Barbarossa in June 1941 many Balts saw it as a liberation from Soviet cruelties The reality was however that it turned out to be the beginning of something much worse During their occupation of Poland prior to Barbarossa the Nazis had decimated the Polish political elites and the Jews there had been herded into ghettos in preparation for deportation to the east where they would serve as slave labour in the Nazi economy after the conquest of the Soviet Union Similar policies were to be adopted in the Baltics when Heinrich Himmler s murder squads the Einsatzgruppen were allowed to move into the newly occupied territories Operating behind the advancing German forces Einsatzgruppen A B C and D four special mobile killing units each made up of about a thousand men from the security police and the German intelligence service proved to be more than willing to carry out Himmler s orders He had called for the removal of every vestige of opposition to Nazi rule which primarily meant complete elimination of the inferior races who were unfit for work and the ghettoization of others in preparation for their economic exploitation On foreign soil away from scrutiny and free of all constraint the Einsatzgruppen discovered that through the mass shootings of communists Jews and gypsies it was possible to accelerate the pace of the Holocaust slaughtering men women and children in their tens of thousands The Einsatzgruppen were assisted by local volunteers who helped to identify victims as well as kill them in places whole Jewish communities were swiftly eliminated Many of the killers and victims had known one another as neighbors and colleagues This massive slaughter of civilians convinced Heydrich and Himmler that complete extermination of Jews was within their grasp and before very long in the death camps new industrial methods of killing would be devised

Romancing Yesenia Masha

Salazkina,2024-08-06 This book considers the unexpected and mostly unexamined popularity of the Mexican film *Yesenia* Alfredo B Crevenna 1971 in the Soviet Union Set during the Second Franco Mexican war this unassuming movie melodrama was based on a successful television series itself an adaptation of a popular women s romance graphic novel a genre that was extremely common in mid century Mexico Screened in the Soviet Union in 1975 *Yesenia* became the highest grossing film in the history of Soviet film exhibition unsurpassed by any movie foreign or domestic Based on ticket sales alone it was seen by an astounding 91 4 million viewes in only the first year of its release *Yesenia* s popularity in the socialist bloc largely unbeknown to its Mexican producers continued for decades after its initial release as the film migrated from cinemas to television screens and video Boosted by its success with Soviet audiences the film enjoyed a similarly spectacular exhibition history in China in the late 1970s when the country was opening itself up to more international media paving the way for other Mexican and Latin American productions broadcasted on Chinese television in decades to follow Approaching this period restrospectively cognizant of more contemporary developments in the global media I conceive of this episode in film history through a framework of television culture whose increasing impact I argue shaped both the film s Mexican production and its subsequent reception within the Socialist bloc I also argue that *Yesenia* s popularity carved out a crucial node within the global circuit of cultural and industrial networks further enabling Latin American media s transcontinental reach

Provided by publisher **The Oxford Handbook of Soviet Underground Culture** Mark Lipovetsky, Maria Engström, Tomáš Glanc, Ilja Kujuk, Klavdia Smola, 2024 In 1932 the Central Committee of the Communist Party issued the resolution On the Restructuring of Literary and Arts Organizations This resolution put an end to the coexistence of aesthetically different groups and associations of writers and artists that had been common during the 1920s and instead led to the establishment of the monopoly of Socialist Realism in 1934 Ironically this resolution unwittingly created a rich literary and artistic production of underground intellectuals known as the Soviet underground during an era of political and aesthetic censorship in the Soviet Union *The Oxford Handbook of Soviet Underground Culture* is the first comprehensive English language volume covering a history of Soviet artistic and literary underground In forty four chapters an international group of leading scholars introduce readers to a web of subcultures within the underground highlight the culture achievements of the Soviet underground from the 1930s through the 1980s emphasize the multimediality of this cultural phenomenon and situate the study of underground literary texts and artworks into their broader theoretical ideological and political contexts The volume presents readers with several approaches to mapping the underground that include chapters on nonconformist cultures in Ukraine Belarus Baltic countries Central Asia and provincial cities of Russian Federation Finally the volume also provides an analysis of groups shaped around religious and cultural identity as well as queer and feminist underground circles

Masha I Feliks Introduction

In the digital age, access to information has become easier than ever before. The ability to download Masha I Feliks has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Masha I Feliks has opened up a world of possibilities. Downloading Masha I Feliks provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Masha I Feliks has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Masha I Feliks. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Masha I Feliks. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Masha I Feliks, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Masha I Feliks has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to

engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Masha I Feliks Books

1. Where can I buy Masha I Feliks books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Masha I Feliks book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.).
