**2,000 Miles on Foot: Walks Through Great Britain and France** E. W. Fox, 1911 The author makes the journey on foot during the time when bicycles were a popular means of transportation and automobiles were just starting out He provides many comparisons between what he sees and what he knows back home Clearly his intended audience are people who live in England and are familiar with the English countryside Overall he takes a cheerful tone in relating his memories of his journey The stories are as much a travel through time as a journey on foot Online review Google Books

**A Walk Across France** Miles Morland, 1994 At age 45 Miles Morland left his high paying job at the London office of a Wall Street firm to walk with his wife across France Morland's memoir of his and his wife's journey is the irresistible story of an adventure a marriage and a dream come true For anyone who ever fantasized about walking away from the rat race Publishers Weekly

*Walking Across France* Kerry Shoemaker, 2020-08-13 This is a tale not only about a long walk but also about the day by day evolution of our mental and physical transformation during one memorable month in France This story is about our walk across southwestern France from the Atlantic Ocean to the Mediterranean in September and October of 1995 This adventure was so special to both of us that when we excitedly related incidents to friends and family they encouraged us to write down our memories before they faded into the inevitable unreliable and irretrievable gray matter details lost forever Most of the text comes from the journals that we maintained daily Sometimes however depending on how tired we were or how much local wine we consumed the journals were not as complete as they could have been and we probably have lost some details In spite of that we think that we have accurately captured most of the adventure
