Militaria A Study Of German Helmets And Uniforms 17291918:

The Kaiser's Army David Stone,2015-06-01 In this comprehensive book David Stone describes and analyses every aspect of the German Army as it existed under Kaiser Wilhelm II encompassing its development and antecedents organisation personnel weapons and equipment its inherent strengths and weaknesses and its victories and defeats as it fought on many fronts throughout World War I The book deals in considerable detail with the origins and creation of the German army examining the structure of power in German politics and wider society and the nation s imperial ambitions along with the ways in which the high command and general staff functioned in terms of strategy and tactical doctrine The nature background recruitment training and military experiences of the officers NCOs and soldiers are examined while personal and collective values relating to honour loyalty and conscience are also analysed There is also an evaluation of all aspects of army life such as conscription discipline rest and recuperation and medical treatment In addition the army s operations are set in context with an overview of the army at war covering the key actions and outcomes of major campaigns from 1914 to 1918 up to the signature of the Armistice at Compi gne For anyone seeking a definitive reference on the German Army of the period whether scholar historian serving soldier or simply a general reader this remarkable book will prove an invaluable work

Militaria Jan K. Kube,1990 Superb history by a renowned expert in the field of German militaria This classic volume is now available in English and covers all aspects of the pre 1918 German uniform Over 500 photos many in color show uniforms of the Infantry Dragoons Guards Hussars Light Cavalry and Cadets Also a special section in color on the personal uniforms of Kaiser Wilhelm II *First Reich* David Stone,2018-10-26 Because it lasted only seven months the Franco Prussian War has sometimes been ignored by historians and yet it merits study for the fact that it was the first deployment of a ruthlessly efficient and superbly organised German Army a phenomenon that was to be seen twice more in the next 75 years Indeed military professionals and history students have long sought a thorough account of this conflict for the very reasons of its significance in both military development and European evolution The war machine of the expansive Prussians used organisational strength and modern techniques to prevail over the more antiquated French and yet the battles were keenly fought and brought awesome casualties The lessons learned by both sides and onlookers had a mighty impact the emergence of a dominant German land force a German nation and a German Empire determined the course of European and world history for a century and beyond The story of the war is told with vigour and accuracy and will be a significant contribution to military history and to our understanding of the development of Europe as we see it today *Blue Book of Gun Values* Steven P. Fjestad,1994-03 Over one million books in print this new 25th Anniversary Edition Blue Book of Gun Values once again sets the industry standard for up to date firearms information and pricing No other publication is as widely used and recognized If you re going to buy one gun book annually to keep up with the firearms marketplace the 25th Anniversary Edition is the only choice now expanded to almost 1 900 pages and over 15 000 individual listings Why guess
