Matei**

Military And Politics In Postauthoritarian Chile:

The Military and Politics in Postauthoritarian Chile Gregory Bart Weeks, 2003 The Military and Politics in Post Authoritarian Chile should be read by everyone concerned with the relation between democracy and the armed forces It is a well researched well written volume that should prove both interesting and useful to scholars and students alike Perspectives on Politics Why have political leaders of developing and authoritarian nations run into so many obstacles as they attempt to establish civilian supremacy over armed forces in the democratization of their countries This is the question Gregory Weeks poses in his study of Chile from 1990 onward He explains how the Chilean military has maintained a high level of political influence in the tumultuous aftermath of dictatorial rule by Army General Augusto Pinochet thus confounding a smooth transition to civilian authority Even after the reins of power were officially handed over in 1990 Pinochet continued as commander in chief of the army until 1998 when he took a lifetime seat in the Senate and led the military's efforts to retain its legal and constitutional prerogatives while limiting civilian oversight of military affairs This assertion of guardianship by the military has produced a political tug of war between it and civilian authorities the two contenders for political primacy in Chile In addition to recounting the historical background of this situation Weeks's study examines where conflict between these two contenders has been most productive and accord has been highest His findings suggest that formal contacts conducted through formal institutions have been the most conducive to civil supremacy and therefore the consolidation of democracy Based on interviews government documents military journals newspapers and other archival sources The Military and Politics in Postauthoritarian Chile describes how presidents military officers members of Congress and judges have interacted since the end of the military regime With implications for conflict resolution studies this book will be valuable for Chileanists and policymakers and analysts of Latin American regimes as well as academic libraries military historians social scientists and students and scholars of Latin American history and politics

Military Politics and Democracy in the Andes Maiah Jaskoski, 2013-08-15 Interviews with active duty and retired military officers in Ecuador and Peru shed light on the evolution of Andean civil military relations with implications for democratization Military Politics and Democracy in the Andes challenges conventional theories regarding military behavior in post transition democracies Through a deeply researched comparative analysis of the Ecuadorian and Peruvian armies Maiah Jaskoski argues that militaries are concerned more with the predictability of their missions than with sovereignty objectives set by democratically elected leaders Jaskoski gathers data from interviews with public officials private sector representatives journalists and more than 160 Peruvian and Ecuadorian officers from all branches of the military The results are surprising Ecuador's army for example fearing the uncertainty of border defense against insurgent encroachment in the north neglected this duty thereby sacrificing the state's security goals acting against government orders and challenging democratic consolidation Instead of defending the border the army has opted to carry out policing functions within Ecuador such as combating the drug trade Additionally by ignoring

its duty to defend sovereignty the army is available to contract out its policing services to paying private companies that relative to the public benefit disproportionately from army security Jaskoski also looks briefly at this theory's implications for military responsiveness to government orders in democratic Bolivia Colombia and Venezuela and in newly formed democracies more broadly

Politics of Latin America Harry E. Vanden, Gary Prevost, 2021 An introduction to twenty first century Latin America Early history Democracy and dictators a historical overview from independence to the present day The other Americans Society family and gender Religion in Latin America The political economy of Latin America Democracy and authoritarianism Latin American political culture Politics power institutions and actors Struggling for change revolution social and political movements in Latin America U S Latin American relations Mexico Nora Hamilton and Patrice Olsen Argentina Aldo C Vacs Brazil Wilber Albert Chaffee Chile Eduardo Silva Colombia John C Dugas Venezuela Daniel Hellinger Bolivia Waltraud Q Morales and Annabelle Conroy Cuba Gary Prevost Guatemala Susanne Jonas and Harry E Vanden Nicaragua Gary Prevost and Harry E Vanden Appendix 1 Presidential elections Appendix 2 Recent legislative elections

Latin American Politics and Development Howard J. Wiarda, Harvey F. Kline, 2013-12-10 For over thirty years Latin American Politics and Development has kept instructors and students abreast of current affairs and changes in Latin America Now in its ninth edition this definitive text has been updated throughout and features contributions from experts in the field including twenty new and revised chapters on Mexico Central America the Caribbean and South America The fully updated foundational section includes new chapters on political economy and U S Latin American relations and covers the changing context of Latin American politics the pattern of historical development political culture interest groups and political parties government machinery the role of the state and public policy and the struggle for democracy In addition to detailed country by country chapters Latin American Politics and Development provides a comprehensive regional overview

Soldiers, Politicians, and Civilians David Pion-Berlin, Rafael Martínez, 2017-07-31 This book argues that for a nation to become fully democratic it must strengthen the interactions between its soldiers politicians and civilians

Gender, Institutions, and Change in Bachelet's Chile G. Waylen, 2016-04-08 Michele Bachelet Chile's first female president was elected with an explicit gender agenda in 2006 and then reelected in 2013 This volume focuses on Bachelet's efforts to introduce progressive measures and the constraints that she has faced in a context where both formal and informal political institutions can act as barriers to change

President and Congress in Postauthoritarian Chile Peter M. Siavelis, 2010-11-01 As many formerly authoritarian regimes have been replaced by democratic governments in Latin America Eastern Europe and elsewhere questions have arisen about the stability and durability of these new governments One concern has to do with the institutional arrangements for governing bequeathed to the new democratic regimes by their authoritarian predecessors and with the related issue of whether presidential or parliamentary systems work better for the consolidation of democracy In this book Peter Siavelis takes a close look at the important case of Chile which had a long tradition of successful legislative

resolution of conflict but was left by the Pinochet regime with a changed institutional framework that greatly strengthened the presidency at the expense of the legislature Weakening of the legislature combined with an exclusionary electoral system Siavelis argues undermines the ability of Chile's National Congress to play its former role as an arena of accommodation creating serious obstacles to interbranch cooperation and ultimately democratic governability Unlike other studies that contrast presidential and parliamentary systems in the large Siavelis examines a variety of factors including socioeconomic conditions and characteristics of political parties that affect whether or not one of these systems will operate more or less successfully at any given time He also offers proposals for institutional reform that could mitigate the harm he expects the current political structure to produce

Constructing Democratic Governance in Latin America Jorge I. Domínguez, Michael Shifter, 2013-07-31 After more than a century of assorted dictatorships and innumerable fiscal crises the majority of Latin America's states are governed today by constitutional democratic regimes Some analysts and scholars argue that Latin America weathered the 2008 fiscal crisis much better than the United States How did this happen Jorge I Domínguez and Michael Shifter asked area specialists to examine the electoral and governance factors that shed light on this transformation and the region's prospects They gather their findings in the fourth edition of *Constructing Democratic Governance in Latin America* This new edition is completely updated Part I is thematic covering issues of media constitutionalism the commodities boom and fiscal management vis vis governance Part II focuses on eight important countries in the region Argentina Brazil Bolivia Chile Colombia Mexico Peru and Venezuela Already widely used in courses *Constructing Democratic Governance in Latin America* will continue to interest students of Latin American politics democratization studies and comparative politics as well as policymakers

Governing the military Carlos Solar, 2024-04-16 *Governing the military* combines the study of governance democratisation and policymaking to explore how military politics have unfolded since the return to democracy in Chile The book offers timely research to understand the rocky road to overcome the civil military tension of the 1990s and the challenges presented by novel security demands in the twenty first century including the militarisation of urban crime and pandemics and its consequences on human rights The book will also introduce the reader to failed policies lack of attention to governance and decaying democratic practices The volume examines eight themes considered fundamental to understand the modern governance of the armed forces the state of civil military relations political transition and military subordination roles and missions military effectiveness fiscal spending inter agency challenges international engagements and transparency and corruption

The Routledge Handbook of Civil-Military Relations Thomas C. Bruneau, Florina Cristiana Matei, 2012-11-12 This new Handbook offers a wide ranging internationally focused overview of the field of civil military relations The armed forces are central actors in most societies and are involved in many different roles Amongst other activities they engage in peace operations support the police in fighting crime support civilian authorities in dealing with natural disasters and fight against terrorists and in internal conflicts The existing literature on this subject is limited in

its discussion of war fighting and thus does not do justice to this variety of roles The Routledge Handbook of Civil Military Relations not only fills this important lacuna but offers an up to date comparative analysis which identifies three essential components in civil military relations 1 democratic civilian control 2 operational effectiveness and 3 the efficiency of the security institutions Amalgamating ideas from key thinkers in the field the book is organized into three main parts Part I Development of the Field of Study Part II Civil Military Relations in Non Democratic or Nominally Democratic Countries Part III Civil Military Relations in Democratic and Democratizing States Issues and Institutions This new Handbook will be essential reading for students and practitioners in the fields of civil military relations defense studies war and conflict studies international security and IR in general

Historical Dictionary of Chile Salvatore Bizzarro, 2017-02-13 This two volume Historical Dictionary of Chile covers the economy and the environment political parties and history and reprehensible period of dictatorship during a crucial time in Chile's history The end of the iron fist rule of Augusto Pinochet who ruled from 1973 until 1990 however allowed a return to democratic rule and the country kept searching for coherence and unity in national life among diverse and often discordant elements This fourth edition of Historical Dictionary of Chile contains a chronology an introduction and an extensive bibliography The dictionary section has over 700 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent access point for students researchers and anyone wanting to know more about Chile

Impunity, Human Rights, and Democracy Thomas C. Wright, 2014-12-10 Universal human rights standards were adopted in 1948 but in the 1970s and 1980s violent dictatorships in Argentina and Chile flagrantly defied the new protocols Chilean general Augusto Pinochet and the Argentine military employed state terrorism in their quest to eradicate Marxism and other forms of subversion Pinochet constructed an iron shield of impunity for himself and the military in Chile while in Argentina military pressure resulted in laws preventing prosecution for past human rights violations When democracy was reestablished in both countries by 1990 justice for crimes against humanity seemed beyond reach Thomas C Wright examines how persistent advocacy by domestic and international human rights groups evolving legal environments unanticipated events that impacted public opinion and eventual changes in military leadership led to a situation unique in the world the stripping of impunity not only from a select number of commanders of the repression but from all those involved in state terrorism in Chile and Argentina This has resulted in trials conducted by national courts without United Nations or executive branch direction in which hundreds of former repressors have been convicted and many more are indicted or undergoing trial Impunity Human Rights and Democracy draws on extensive research including interviews to trace the erosion and collapse of the former repressors impunity a triumph for human rights advocates that has begun to inspire authorities in other Latin American countries including Peru Uruguay Brazil and Guatemala to investigate past human rights violations and prosecute their perpetrators

The Soldier and the Changing State Zoltan Barany, 2012-09-16 The Soldier and the Changing State is the first book to systematically explore on a

global scale civil military relations in democratizing and changing states Looking at how armies supportive of democracy are built Zoltan Barany argues that the military is the most important institution that states maintain for without military elites who support democratic governance democracy cannot be consolidated Barany also demonstrates that building democratic armies is the quintessential task of newly democratizing regimes But how do democratic armies come about What conditions encourage or impede democratic civil military relations And how can the state ensure the allegiance of its soldiers Barany examines the experiences of developing countries and the armed forces in the context of major political change in six specific settings in the wake of war and civil war after military and communist regimes and following colonialism and unification apartheid He evaluates the army building and democratization experiences of twenty seven countries and explains which predemocratic settings are most conducive to creating a military that will support democracy Highlighting important factors and suggesting which reforms can be expected to work and fail in different environments he offers practical policy recommendations to state builders and democratizers

Truth Commissions and Transitional Societies

Eric Wiebelhaus-Brahm, 2010-01-05 This book uses a multi method approach to examine the impact of truth commissions on subsequent human rights protection and democratic practice and features cross national case studies on South Africa El Salvador Chile and Uganda

Nonviolent Revolutions Sharon Erickson Nepstad, 2011-07-28 In the spring of 1989 Chinese workers and students captured global attention as they occupied Tiananmen Square demanded political change and were tragically suppressed by the Chinese army Months later East German civilians rose up nonviolently brought down the Berlin Wall and dismantled their regime Although both movements used tactics of civil resistance their outcomes were different Why In Nonviolent Revolutions Sharon Erickson Nepstad examines these and other uprisings in Panama Chile Kenya and the Philippines Taking a comparative approach that includes both successful and failed cases of nonviolent resistance Nepstad analyzes the effects of movements strategies along with the counter strategies regimes developed to retain power She shows that a significant influence on revolutionary outcomes is security force defections and explores the reasons why soldiers defect or remain loyal and the conditions that increase the likelihood of mutiny She then examines the impact of international sanctions finding that they can at times harm movements by generating new allies for authoritarian leaders or by shifting the locus of power from local civil resisters to international actors Nonviolent Revolutions offers essential insights into the challenges that civil resisters face and elucidates why some of these movements failed With a recent surge of popular uprisings across the Middle East this book provides a valuable new understanding of the dynamics and potency of civil resistance and nonviolent revolt

Political Democracy, Trust, and Social Justice Charles F. Andrain, James Thomas Smith, 2006 A rigorous explanation of connections among confidence in government institutions popular support for

democracy and social justice in societies around the world

Military Rule in Latin America

Karen Remmer, 2025-04-30 First published in 1989 in Military Rule in Latin America Karen L Remmer draws upon a wide variety of sources including

interviews with top government officials to challenge prevailing interpretations of military rule She questions the assumption that military regimes can be adequately understood in terms of their origins and shows how important variations among them reflect the roles of state actors and institutions In the first part of the book Remmer provides a broad overview of military rule in Latin America in the second a detailed case study of Chile under the Pinochet regime She concludes by examining the implications of her findings for understanding transitions from authoritarianism and the consolidation of democracy This groundbreaking work is essential reading for scholars and researchers of Latin American studies political studies and comparative politics **The Journal of Military History** ,2004 Dictatorship in South America Jerry Dávila,2013-04-01 Dictatorship in South America explores the experiences of Brazilian Argentine and Chilean experience under military rule Presents a single volume thematic study that explores experiences with dictatorship as well as their social and historical contexts in Latin America Examines at the ideological and economic crossroads that brought Argentina Brazil and Chile under the thrall of military dictatorship Draws on recent historiographical currents from Latin America to read these regimes as radically ideological and inherently unstable Makes a close reading of the economic trajectory from dependency to development and democratization and neoliberal reform in language that is accessible to general readers Offers a lively and readable narrative that brings popular perspectives to bear on national histories Selected as a 2014 Outstanding Academic Title by CHOICE Government and Governance of Security Carlos Solar,2018-06-27 At a time when Latin America is experiencing societal unrest from human rights violations corruption and weak institutions Government and Governance of Security offers an insightful understanding for the modern steering of crime policies Using Chile as a case study the book delivers an untold account of the trade offs between political judicial and policing institutions put in practice to confront organised crime since the country s redemocratisation In an effort to encompass the academic fields of political science public policy and criminology Carlos Solar challenges the current orthodoxies for understanding security and the promotion of the rule of law in developing states His research aptly illuminates the practicalities of present day governance and investigates how networks of institutions are formed and sustained across time and subsequently how these actors deal with issues of policy consensus and cooperation To unveil the uniqueness of this on the ground action the analysis is based on an extensive revision of public documents legislation media accounts and interviews conducted by the author with the key policy makers and officials dealing with crimes including drug trafficking money laundering and human smuggling Government and Governance of Security will be of interest to scholars of Latin American studies security and governance and development

Military And Politics In Postauthoritarian Chile Introduction

In the digital age, access to information has become easier than ever before. The ability to download Military And Politics In Postauthoritarian Chile has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Military And Politics In Postauthoritarian Chile has opened up a world of possibilities. Downloading Military And Politics In Postauthoritarian Chile provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the

click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Military And Politics In Postauthoritarian Chile has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Military And Politics In Postauthoritarian Chile. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Military And Politics In Postauthoritarian Chile. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Military And Politics In Postauthoritarian Chile, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Military And Politics In Postauthoritarian Chile has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Military And Politics In Postauthoritarian Chile Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read

eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Military And Politics In Postauthoritarian Chile is one of the best book in our library for free trial. We provide copy of Military And Politics In Postauthoritarian Chile in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Military And Politics In Postauthoritarian Chile. Where to download Military And Politics In Postauthoritarian Chile online for free? Are you looking for Military And Politics In Postauthoritarian Chile PDF? This is definitely going to save you time and cash in something you should think about.
