Subject Guide to Books in Print, 1996 **Journal of Theology for Southern Africa**, 2007 **Books in Series, 1876-1949** R.R. Bowker Company, 1982 *Medical and Health Care Books and Serials in Print*, 1997 *Forthcoming Books* Rose Army, 1997-12 **Choice**, 1991 *Bowker's Law Books and Serials in Print*, 1986 **Books and Bookmen**, 1968 **Paperbacks in Print**, 1979 *Dirty Little Secrets of the Vietnam War* James F. Dunnigan, 2000-01 Details suppressed or long forgotten facts about the conflict in Vietnam including a look at the beginnings of the Navy's Top Gun combat school **Dirty Little Secrets of the Vietnam War** James F. Dunnigan, Albert A. Nofi, 2014-11-04 James F. Dunnigan and Albert A. Nofi's *Dirty Little Secrets of the Vietnam War* allows us to see what really happened to American forces in Southeast Asia separating popular myth from explosive reality in a clear concise manner Containing more than two hundred examinations of different aspects of the war the book questions why the American military ignored the lessons taught by previous encounters with insurgency forces probes the use of group think and mind control by the North Vietnamese and explores the role technology played in shaping the way the war was fought Of course the book also reveals the dirty little secrets the truth behind such aspects of the conflict as the rise of the Montagnard mercenaries the most feared group of soldiers participating in the secret war in Laos and the details of the hidden struggle for the Ho Chi Minh Trail With its unique and perceptive examination of the conflict *Dirty Little Secrets of the Vietnam War* by James F. Dunnigan Albert A. Nofi offers a critical addition to the library of Vietnam War history *We Were Soldiers Once... and Young* Harold G. Moore, Lt. Gen. Harold G. And Galloway Moore, Joseph L. Galloway, 19?? In November 1965 some 450 men of the 1st Battalion 7th Cavalry under the command of Lt Col Hal Moore were dropped by helicopter into a small clearing in the Ia Drang Valley They were immediately surrounded by 2 000 North Vietnamese soldiers Three days later only two and a half miles away a sister battalion was chopped to pieces Together these actions at the landing zones X Ray and Albany constituted one of the most savage and significant battles of the Vietnam War How these men persevered sacrificed themselves for their comrades and never gave up makes a vivid portrait of war at its most inspiring and devastating General Moore and Joseph Galloway the only journalist on the ground throughout the fighting have interviewed hundreds of men who fought there including the North Vietnamese commanders This devastating account rises above the specific ordeal it chronicles to present a picture of men facing the ultimate challenge dealing with it in ways they would have found unimaginable only a few hours earlier **Anatomy of a War** Gabriel Kolko, 1985 En meget detaljeret analyse af årsagerne til Vietnamkrigen og til det amerikanske engagement samt af krigens gang 1965-1975 bde p internationalt topplan i Saigon og p slagmarken **Secrets of the Vietnam War** Phillip B. Davidson, 1990 **Conduct to the Prejudice of Good Order** Dan Dane, 2002 *Conduct to the Prejudice of Good Order* offers a glimpse of conditions around Bien Hoa during the last years of the war Bill Blake encounters fraying racism and heroin addiction while defending soldiers in court martial trials as a young Army

lawyer Much like the soldiers he defends Blake finds himself in conflict with his superior officers The story of a drafted civilian attorney serving as an Army lawyer in Vietnam gives this book a unique perspective Captain Blake s experiences accentuate many of the troublesome aspects of the war including the draft authority of Commanding Generals domestic demand for troop withdrawal and in the end the delivery of heroin to the American troops The historical fiction genre allows vets to recognize historically correct settings in Vietnam during 1971 1972 in this book The fictitious characters and circumstances provide an entertaining read for those who lived through the era as well as those for whom Vietnam is only a curiosity out of the distant past Other books by Dan Dane include *Fireflies in the Delta* and *Bloodlines of Tyranny*

Expendable Warriors Bruce B. G. Clarke, 2007-02-28 General Westmoreland was fully aware that the North Vietnamese would attack but he declined to alert or warn the small unit of American soldiers and marines serving at Khe Sanh in an advisory capacity considering them expendable in the greater strategy Not just an analysis of the battle *Expendable Warriors* also ponders the question of how to win an unpopular war on foreign soil linking battle field events to political reality

BOOK JACKET *Law and Responsibility in Warfare* American Society of International Law, 1975 This is the first balanced account of the legal issues raised by the tactics and weapons used by the United States in the Vietnam War and of the individual responsibility of those who fought in and directed the war Leading participants in the controversy over the war s conduct debate the issues raised when counterinsurgent forces use advanced means of warfare against insurgent forces with less sophisticated weaponry Originally published in 1975 A UNC Press Enduring Edition UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print These editions are published unaltered from the original and are presented in affordable paperback formats bringing readers both historical and cultural value

Vietnam, In Black & White Robert Langston Jones, Jr., 2004-07 First I would like to dedicate this book to all Americans and other countries that were there as peace keepers and to their loved ones who lost their brave family members This is the hard part we will see and read things we want like in this book about this war This is only a short edition of my memoir Second this is a story about how we learn the lessons of war Excerpts and chapters in this book does not deal with politics Being young during the Vietnam War made us all become men after a few night battles We must support our troops at any war Third the battles the enemy the way the time changes as the years go by All of this has an effect on us we learn about race color and living together as one The most I have learned is that people in third world countries who did not have new technology have also learned This book will show us how we take life for granted Amen And last my book shows you how to fight with what you have in a battle zone trying to get the proud pilots the ground troops and the engineers who are in every unit coordinating convoys with live ammo and supplies with intelligent radio communications during all operations of war R J

Vietnam War Lon Tinucci, 2021-05-27 Do you love stories about war history Love the action scenes Just read this book This book is set in Hanoi in 1953 An American fighter pilot Tom Coyle volunteers to fly for

the French military during the Indochina War Just cargo and troops no combat is the deal Make some money and head back to the states before he and his friend Earthquake McGoon get their asses shot off But things rarely go as planned **The Vietnam War and International Law: The concluding phase** Richard A. Falk, 1968
