mobilization, enemy, signification, state, self-armed, civilian

Abstract

Recent work on war and the military has addressed two broad questions: Why do states and societies wage war as they do? And what difference does it make that war is, or has been, waged in that manner? Building on the Clausewitzian focus on relations among the state, the armed forces, and society, responses to these questions emphasize the need for the analyst to recognize that the state may not possess a monopoly of force, interstate and civil wars may intertwine, and meaning and valence may figure prominently in war and its consequences. Scholarship in this area tends to focus on three broad domains: mobilization into war, treatment of the enemy, and signification. Each has its own distinctive analytics and historical pattern of transformation and development. How these three domains intersect holds real promise for future work.

Military Institutions And The Sociology Of War A Review Of The Literature With:

Military institutions and the sociology of war ; a review of the literature with annotated bibliography Kurt Lang,1972

The Sociology of Military Science Colonel (US Army Ret.) Chris Paparone,2012-11-08 This groundbreaking work challenges modernist military science and explores how a more open design epistemology is becoming an attractive alternative to a military staff culture rooted in a monistic scientific paradigm The author offers fresh sociological avenues to become more institutionally reflexive to offer a variety of design frames of reference beyond those typified by modern military doctrine Modernist military knowledge has been institutionalized to the point that blinds militaries to alternative designs organizationally and in their interventions This book seeks to reconstruct strategy and operations in designing ways and develops theories of action through multifaceted contextualizations and recontextualizations of situations showing that Military Design does not have to rely on set rational analytic decision making schemes but on seeking alternative meanings in and on action The work offers an alternative philosophy of practice that embraces the unpredictability of tasks to be accomplished Written by Colonel Paparone U S Army Ret PhD with a special chapter by two active duty officers it will appeal to all in military and security studies including professionals and policymakers **Military Chaplains' Review** ,1980

Reader's Guide to Military History Charles Messenger,2013-10-31 This book contains some 600 entries on a range of topics from ancient Chinese warfare to late 20th century intervention operations Designed for a wide variety of users it encompasses general reviews of aspects of military organization and science as well as specific wars and conflicts The book examines naval and air warfare as well as significant individuals including commanders theorists and war leaders Each entry includes a listing of additional publications on the topic accompanied by an article discussing these publications with reference to their particular emphases strengths and limitations **Civil-Military Conflict in Imperial Russia,**

1881-1914 William C. Fuller Jr.,2014-07-14 This book is a full scale study in English of tsarist civil military relations in the last decades of the Russian Empire Originally published in 1985 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 **Military**

Government and the Movement Toward Democracy in South America Howard Handelman,Thomas Griffin Sanders,1981 Sophisticated investigations of governmental transition in Brazil Chile Uruguay Peru and Ecuador Discusses such issues as the undercurrents of popular discontent and the recent progress toward increased civilian political participation World Military History Bibliography Barton Hacker,2003-06-01 Preclassical and indigenous nonwestern military institutions and methods of warfare are the chief subjects of this annotated bibliography of work published 1967

1997 Classical antiquity post Roman Europe and the westernized armed forces of the 20th century although covered receive less systematic attention Emphasis is on historical studies of military organization and the relationships between military and other social institutions rather than wars and battles Especially rich in references to the periodical literature the bibliography is divided into eight parts 1 general and comparative topics 2 the ancient world 3 Eurasia since antiquity 4 sub Saharan Africa and Oceania 5 pre Columbian America 6 postcontact America 7 the contemporary nonwestern world and 8 philosophical social scientific natural scientific and other works not primarily historical *Revolutionary Guerrilla Warfare* Sam C. Sarkesian, 2017-09-04 Revolution is a word that causes fear in some exhilaration in others and confusion in most Originally used to describe a restoration it eventually came to mean a sweeping sudden attack on an existing order Human history has borne witness to a variety of national and social revolutions population revolution revolution of ideas technological revolution and revolution in education Simultaneously there has been a proliferation of literature on revolution armed struggle and violence aimed at unseating policies and leadership of governments and societies Revolutionary struggles are more than simply armed internal conflict they involve the essence of the political system The desire to make such phenomena understandable often leads to oversimplification Attempts to encompass their multi dimensional nature on the other hand can become immersed in complexities ambiguities and misinterpretations The perspective of this classic volume available in paperback for the first time is that revolution is here to stay Guerrilla warfare according to Sarkesian is a particularly useful strategy for the weak the frustrated the alienated and seekers of power against existing regimes The collected works in this volume examine the social roots of revolution development of strategy and tactics practice in city and countryside dilemmas of attackers and defenders The actors and thinkers collected and analyzed here range from leading political analysts anthropologists sociologists historians and officials as well as practitioners of guerrilla warfare This core text with primary sources in the area of war revolution and insurgence develops an understanding of revolution traces the growth of guerilla doctrine and studies the specifics of revolutionary and counterrevolutionary guerilla warfare A Heritage At Risk T. C. Willett, 2019-04-10 In this comprehensive study of Canada s reserve army the Militia the author focuses on the regiment as both a civic and a triilitary institution that has declined in status and visibility since the country s armed services were unified in 1967 Civil-military Relations, 1993 **Military Training in the British Army, 1940-1944** Dr Timothy Harrison Place, Timothy Harrison Place, 2016-01-20 In this study the author traces the reasons for the British Army s tactical weakness in Normandy to flaws in its training in Britain The armour suffered from failures of experience Disagreements between General Montgomery and the War Office exacerbated matters *Armed Forces and International Security* Jean M. Callaghan, Franz Kernic, 2003 Designed as a textbook and interdisciplinary reference for the social sciences this volume examines key issues in the current global security agenda and relationships between armed forces and society around the world The book s concise chapters on a broad range of themes related to national and

international security military sociology and civil military relations were written by experts from 18 countries This volume also has a groundbreaking section which using country studies and regional overviews discusses civil military relations in as well as the most salient theoretical and practical features of current means of democratic control of the armed forces in the early 21st century *American Soldiers* Peter S. Kindsvatter, 2003-04-03 Some warriors are drawn to the thrill of combat and find it the defining moment of their lives Others fall victim to fear exhaustion impaired reasoning and despair This was certainly true for twentieth century American ground troops Whether embracing or being demoralized by war these men risked their lives for causes larger than themselves with no promise of safe return This book is the first to synthesize the wartime experiences of American combat soldiers from the doughboys of World War I to the grunts of Vietnam Focusing on both soldiers and marines it draws on histories and memoirs oral histories psychological and sociological studies and even fiction to show that their experiences remain fundamentally the same regardless of the enemy terrain training or weaponry Peter Kindsvatter gets inside the minds of American soldiers to reveal what motivated them to serve and how they were turned into soldiers He recreates the physical and emotional aspects of war to tell how fighting men dealt with danger and hardship and he explores the roles of comradeship leadership and the sustaining beliefs in cause and country He also illuminates soldiers attitudes toward the enemy toward the rear echelon and toward the home front And he tells why some broke down under fire while others excelled Here are the first tastes of battle as when a green recruit reported that for the first time I realized that the people over the ridge wanted to kill me while another was befuddled by the unfamiliar sound of bullets whizzing overhead Here are soldiers struggling to cope with war s stress by seeking solace from local women or simply smoking cigarettes And here are tales of combat avoidance and fraggings not unique to Vietnam of soldiers in Korea disgruntled over home front indifference and of the unique experiences of African American soldiers in the Jim Crow army By capturing the core band of brothers experience across several generations of warfare Kindsvatter celebrates the American soldier while helping us to better understand war s lethal reality and why soldiers persevere in the face of its horrors

Private Military and Security Contractors Gary Schaub, Jr., Ryan Keltz, 2016-06-16 In *Private Military and Security Contractors* PMSCs a multinational team of scholars and experts address a developing phenomenon controlling the use of privatized force by states in international politics Robust analyses of the evolving multi layered tapestry of formal and informal mechanisms of control address the microfoundations of the market such as the social and role identities of contract employees their acceptance by military personnel and potential tensions between them The extent and willingness of key states South Africa the United States Canada the United Kingdom and Israel to monitor and enforce discipline to structure their contractual relations with PMSCs on land and at sea is examined as is the ability of the industry to regulate itself Also discussed is the nascent international legal regime to reinforce state and industry efforts to encourage effective practices punish inappropriate behavior and shape the market to minimize the hazards of loosening states oligopolistic control over the

means of legitimate organized violence The volume presents a theoretically informed synthesis of micro and macro levels of analysis offering new insights into the challenges of controlling the agents of organized violence used by states for scholars and practitioners alike

Organizational Reaction to Social Deviance Robert Joseph Stevenson, 2010 This study in criminology sociology and the US Military explores changes in the meaning and production of deviant populations in American military settings since 1941 It is designed to highlight the operation of an ethos of control as armed forces and society undergo historically unstable accommodation and conflict The author examines time series data on organizational reaction to deviance in military settings Bad Paper Discharges courts martial and administrative controls in light of central characteristics of military settings the social composition of officer and enlisted ranks force levels technological changes in war hardware and the distribution of risks faced by various kinds of soldiers Propositions from the deviance literature concerning 1 the constancy of punishment 2 the duration intensity and priority of sanctioning and 3 cohesion and stress are examined in military contexts to discern the changing social control climates therein Some sources of the shift are located in the role that risk plays in the system and the function of the officer corps as agents of social control In short the character of social institutions is knowable in part by studying the manner in which deviants therein are controlled stigmatized and expelled An extensive bibliography is provided

Quarterly Review of Military Literature, 1979 Histoire sociale, 1985

The Politics of Command John Nelson Rickard, 2010-01-01 In December 1943 Lieutenant General A G L McNaughton resigned from command of the 1st Canadian Army amidst criticism of his poor generalship and of his abrasive personality Despite McNaughton's importance to the Canadian Army during the first four years of the Second World War little has been written about the man himself or the circumstances of his resignation In The Politics of Command the first full length study of the subject since 1969 John Nelson Rickard analyzes McNaughton's performance during exercise SPARTAN in March 1943 and assesses his relationships with key figures such as Sir Alan F Brooke Bernard Paget and Harry Crerar This detailed re-examination of McNaughton's command argues that the long accepted reasons for his relief of duty require extensive modification Based on a wide range of sources The Politics of Command will redefine how military historians and all Canadians look not only at Andy McNaughton but the Canadian Army as well

The Routledge Handbook of Civil-military Relations Thomas C. Bruneau, Florina Cristiana Matei, 2013 The Routledge Handbook of Civil Military Relations not only fills this important lacuna but offers an up to date comparative analysis which identifies three essential components in civil military relations 1 democratic civilian control 2 operational effectiveness and 3 the efficiency of the security institutions This Handbook will be essential reading for students and practitioners in the fields of civil military relations

Military Institutions And The Sociology Of War A Review Of The Literature With Introduction

In the digital age, access to information has become easier than ever before. The ability to download Military Institutions And The Sociology Of War A Review Of The Literature With has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Military Institutions And The Sociology Of War A Review Of The Literature With has opened up a world of possibilities. Downloading Military Institutions And The Sociology Of War A Review Of The Literature With provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Military Institutions And The Sociology Of War A Review Of The Literature With has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Military Institutions And The Sociology Of War A Review Of The Literature With. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Military Institutions And The Sociology Of War A Review Of The Literature With. Some websites may offer pirated or illegally

obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Military Institutions And The Sociology Of War A Review Of The Literature With, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Military Institutions And The Sociology Of War A Review Of The Literature With has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Military Institutions And The Sociology Of War A Review Of The Literature With Books
