Military Mavericks David Rooney,2000-09-07 They are the unforgettable leaders who inspired their troops the tacticians who devised the wildest strategies the military mavericks who won the wars Although more than 2000 years separate Alexander the Great from Giap the single minded commander of the North Vietnamese forces that defeated the U S each of these outstanding characters has something to teach us about military history They include Shaka Zulu Stonewall Jackson Garibaldi Lawrence of Arabia and Patton 12 in all *Military Mavericks* David Rooney,1999 World Military Leaders Mark Grossman,2007 Articles profiling important military leaders are arranged in A to Z format *America's Military Adversaries* John C. Fredriksen,2001-12-05 This work chronicles the lives and accomplishments of over 200 enemies who have fought plotted spied on and in some instances defeated U S forces over the past three centuries Books on American military heroes abound But this book is the first to focus on America s talented enemies the generals admirals Indian chiefs and warriors submarine captains fighter pilots and spies who opposed the United States with military force or other means Often these military leaders were among the best minds of their times For more than two centuries the new nation s most constant military opponents were the Native Americans led by such capable chiefs as American Horse and Little Wolf Under D Iberville Canada s French colonialists became formidable foes but they were soon surpassed by the rigorously disciplined redcoats of Great Britain under Howe and Cornwallis Ironically the most effective enemies in the history of the United States were not the leaders of foreign military forces like Mexico s Santa Anna Japan s Yamamoto or Vietnam s Vo Nguyen Giap They arose from among its own citizens during the Civil War the bloodiest conflict in American history **Acts of Supremacy** Walter Francis Fitzpatrick III,2023-10-10 In *Acts of Supremacy* Walter Francis Fitzpatrick III delivers a searing exposé of America s military justice system through the lens of his own harrowing experience As a decorated Naval officer whose career was derailed by what he describes as a rigged court martial Fitzpatrick meticulously documents how military tribunals operate outside constitutional boundaries creating a shadow justice system where commanders wield extraordinary power over the accused Fitzpatrick unravels the historical roots of military discipline from Roman and British traditions to modern practice revealing how the Uniform Code of Military Justice allows for prosecutorial overreach command influence and denial of due process rights that would be unthinkable in civilian courts With painstaking detail he reconstructs his own case alongside the infamous court martial of USS Indianapolis Captain Charles McVay demonstrating disturbing parallels of command vindictiveness and scapegoating spanning decades This unflinching account exposes how military justice can become a weapon wielded by commanders against subordinates raising urgent questions about constitutional protections for those who swear to defend those very rights Fitzpatrick s narrative combines personal memoir legal analysis and historical research to challenge readers to consider reform of a system that impacts thousands of service members A crucial read for military personnel legal professionals and anyone concerned with justice and accountability in American institutions If you

Sawyer,2007-02-13 The definitive book on ancient military principles that is strikingly relevant to the War on Terror the war in Iraq and the rise of China as a geopolitical power *Maverick Military Leaders* Robert Harvey,2008 In 16 riveting portraits bestselling historian Harvey offers the definitive one volume account of some of history s most important and surprising battlesand the commanders who won the field 16 b w photographs **Shattered Dreams at Kilimanjaro** Helmut Glenk,2011-01-20 Shattered Dreams at Kilimanjaro covers the period from the establishment of the former colony of German East Africa in the late 19th century until the formation of the independent State of Tanganyika in 1961 The book focuses on a small group of German settlers who ventured into a new world German East Africa to establish farms and businesses in the Mt Kilimanjaro region This venture was ultimately not successful due in part to the tropical diseases contracted by some of the settlers whilst others were disillusioned with the poor economic returns The main reason for its failure however was the outbreak of World War I and the devastating effects this had on the settlers culminating in dispossession and deportation Before the war the settlers had achieved a great deal by clearing virgin land and cultivating it with coffee and an array of vegetables and fruits Others had started businesses such as building and flour milling After World War I the former German colony became the British Mandate Territory of Tanganyika Some former settlers returned only to lose everything again when World War II broke out and all Germans were interned and their properties confiscated Many of the settlers were deported to Germany in 1940

others were interned in Africa for the duration of the war before being repatriated to Germany It is fitting to record the history of these adventurous and hard working people They overcame severe personal hardships and disappointments and in the end earned little reward for their toils Nevertheless they left a lasting legacy because agriculture was brought to a region in tropical East Africa from which crops are still grown and food produced Similarly their businesses gave rise to ongoing enterprises in that region The book is illustrated with many historical photographs Kut 1916: Courage and Failure in Iraq Patrick Crowley,2009-11-17 The siege of Kut is a story of blunders sacrifice imprisonment and escape The allied campaign in Mesopotamia began in 1914 as a relatively simple operation to secure the oilfields in the Shatt al Arab delta and Basra area Initially it was a great success but as the army pressed towards Baghdad its poor logistic support training equipment and command left it isolated and besieged by the Turks By 1916 the army had not been relieved and on 29 April 1916 the British Army suffered one of the worst defeats in its military history Major General Sir Charles Townshend surrendered his allied force to the Turks in the Mesopotamian now Iraq town of Kut al Amara Over 13 000 troops British and Indian went into captivity many would not survive their incarceration In Kut 1916 Colonel Crowley recounts this dramatic tale and its terrible aftermath **Anglo-Zulu War, 1879** Harold E. Raugh Jr.,2011-06-01 The Anglo Zulu War was one of many colonial campaigns in which the British Army served as the instrument of British imperialism The conflict fought against a native adversary the British initially underestimated is remarkable for battles that included perhaps the most humiliating defeat in British military history the Battle of Isandlwana January 22 1879 and one of its most heroic feats of martial arms the defense of Rorke's Drift January 22 23 1879 While lasting only six months it is one of the most examined studied and debated conflicts in Victorian military history Anglo Zulu War 1879 A Selected Bibliography is a research guide and tool for identifying obscure publications and source materials in order to encourage continued original and thought provoking contributions to this popular field of historical study From the student or neophyte to the study of the Anglo Zulu War its battles and its opponents to the more experienced historian or scholar this selected bibliography is a must for anyone interested in the 1879 Anglo Zulu War **Biographical Dictionary of British Generals of the Second World War** Nicholas Smart,2005-10-19 The six years of prolonged world wide conflict spawned some 340 serving generals in the British Army A number are household names Montgomery Slim Wavell and others well known to historians Horrocks Dempsey Leese But the vast majority are forgotten except by their families and regiments Yet there were a number of extraordinary characters ranging from highly competent to downright inadequate The Author has researched and written entries on all varying in length according to the subjects importance Veteran Psychiatry in the US Elspeth Cameron Ritchie,Maria D. Llorente,2019-03-29 This volume explores the unique psychiatric needs of active and former military personnel and offers clinical pearls for the optimal delivery of care for these individuals Written by experts in military and veteran psychiatry this book addresses the most common issues in military and veteran patients including depression traumatic brain injury

Mavericks Robert Harvey, 2009-06-25 In an age of backroom generals who command from far behind troop lines it is often forgotten that wars have been won or lost by the personality and leadership of a maverick commander In twelve riveting portrait best selling historian Robert Harvey explores the mind and the action of such men From the the Mediterranean sea Harvey investigates what make a military commander different a charismatic leader of men rational under fire unafraid to improvise or lead his men into victory against the odds Packed with compelling and insightful analysis and story telling Mavericks is Robert Harvey's best book to date The Mavericks what made them great and their key battles include Clive of India a master of the decisive strike and going for the jugular Plassey James Wolfe renowned by his troops for being as demanding on himself as on them Quebec George Washington patience then boldness Yorktown Horatio Nelson flamboyance careful planning and improvisation Trafalgar Thomas Cochrane Fearless commando tactics and an eye for the unexpected strike Aix Roads The Duke of Wellington style and soundbites caution and planning Salamanca Giuseppe Garibaldi charismatic communicator bold in battle Messina Ulysses S Grant Cool and rational with determination to overcome all obstacles Vicksburg Erwin Rommel Careful calculation followed by bold strikes Desert Campaign George Patton Aggression coupled with skill in tanks and training The Battle of the Bulge Field Marshal Montgomery A natural rebel with a lightning mind El Alamein Douglas MacArthur brilliant communicator and bold cared for his men Inchon PRAISE FOR WAR OF WARS This is the definitive one volume account of a particularly rich slab of history Daily Express so well paced that reading it is a pleasure Bernard Cornwell I doubt a better account of the never ending war will be written in many a year Allan Mallinson an exhilarating sequence of dramatic set pieces in narrative history's best traditions Literary Review
