Military Men:

Military Men of Feeling Holly Furneaux, 2016-03-25 *Military Men of Feeling* considers the popularity of the figure of the gentle soldier in the Victorian period. It traces a persistent narrative swerve from tales of war violence to reparative accounts of soldiers as moral exemplars, homemakers, adopters of children on the battlefield, and nurses. This material invites us to think afresh about Victorian masculinity and Victorian militarism. It challenges ideas about the separation of military and domestic life and about the incommunicability of war experience. Focusing on representations of soldiers' experiences of touch and emotion, the book combines the work of well-known writers including Charles Dickens, Charles Kingsley, William Makepeace Thackeray, Charlotte Yonge with previously unstudied writing and craft produced by British soldiers in the Crimean War, 1854-56. The Crimean War was pivotal in shaping British attitudes to military masculinity. A range of media enabled unprecedented public engagement with the progress and infamous blunders of the conflict. Soldiers and civilians reflected on appropriate behaviour across ranks, forms of heroism, the physical suffering of the troops, administrative management, and the need for army reform. The book considers how the military man of feeling contributes to the rethinking of gender roles, class, and military hierarchy in the mid-nineteenth century and how this figure was used in campaigns for reform. The gentle soldier could also do more bellicose social and political work: disarming anti-war critiques and helping people to feel better about war. This book looks at the difficult mixed politics of this figure. It considers questions debated in the nineteenth century and which remain urgent today about the relationship between feeling and action and the ethics of an emotional response to war. It makes a case for the importance of emotional and tactile military history, bringing the Victorian military man of feeling into contemporary debates about liberal warriors and soldiers as social workers. Military Men Box Set: Suspense Romance Shelley Munro, 2016-12-05 Bonds forged in the military friendship strong and enduring. Three soldiers met during New Zealand Special Air Services (NZSAS) training. They passed the grueling selection process, and Nikolai Tarei, Louie Lithgow, and Jake Ramsey became best friends and supporters through good and bad. Over the years, there have been women, but no one serious until now. INNOCENT NEXT DOOR Life in a small town is comfortable for Summer Williams, but living with her loving but overprotective family means it lacks adventure. And forget romance with interfering brothers around. It's time to leave the cozy nest. Her grandiose plans come to a grinding halt when she becomes innocently involved with a crime boss. Then she bumps heads and hips with her uncle's sexy but very bossy neighbor. Special Air Services soldier Nikolai Tarei owes his neighbor and friend a favor, but looking out for his twenty-two-year-old niece is stretching friendship too far. She is young, but her sex appeal, sassiness, and brazen disregard for safety have Nikolai scrambling to protect both her and his battered heart. SOLDIER WITH BENEFITS Joanna Mac McGregor loves her father, and she'll do anything to keep him safe after Alzheimer's starts to steal his mind. That takes money, and Mac uses her

only skills those of soldiering when she takes up a security contract in Iraq She doesn't have time for men her last vacation fling in Fiji relegated as one perfect moment to hold close during the grim reality of war Soldier Louie Lithgow is tired of fighting the constant danger and has decided this is his last contract He wants to retire sink his savings into a place on the beach and find the sexy Joanna his holiday lover Mac's arrival in Iraq causes consternation They've both been economical with the truth but the attraction sizzling between them flares hot and bright They embark on a clandestine affair professional and confident during their high danger day passionate with the release of emotional stress during their torrid nights One thing is clear they have different goals and the future is both murky and dangerous If they survive their contracts

SAFEGUARDING SORREL Sorrel Bitter Thyme seems destined to spend her entire life at the Children of Nature compound Not an ideal situation She dreams of so much more a better future one outside the cult where she can experience freedom Jake Ramsey a Special Air Services soldier on sick leave agrees to go undercover in the cult to help local police close a case against the leader Fun times when a beach holiday with a sexy babe would suit him better Plain and dumpy Sorrel is his inside contact and not what he expects Their partnership works well A rapport blooms and kisses meant to cement their cover take on new possibilities Jake uncovers secrets and their loving heats up passion coalescing into more than camaraderie Then danger stalks Sorrel What began as a favor is now deadly serious a game Jake must win to keep Sorrel safe
