Military Operations Egypt And Palestine Volume Ii Part Ii

Michael Rajnik

Military Operations Egypt And Palestine Volume Ii Part Ii:

Military Operations Egypt & Palestine Vol II Part II Official History of the Great War Other Theatres Cyril Falls, 2013-05 The concluding third part of the history of the Middle East campaign from May 1918 to the Armistice Contains chronological table of operations including the battle of Megiddo the Arab revolt against the battle of Megiddo the Arab revolt against the Turks and the capture of Damascus Appendices with British and enemy orders of battle corps operation orders and instructions applicable to Parts I and II Index for Parts I and II

Lawrence of Arabia on War Robert Johnson, 2020-04-30 WINNER OF THE BRITISH ARMY BOOK OF THE YEAR 2021 A riveting account of T E Lawrence s battles on and off the battlefield Using scrupulous research and succinct prose Johnson provides a gold mine of stratagems a must read for military leaders to come Arnel P David Lt Col US Army Special Advisor to the Chief of the General Staff UK An innovative study of Lawrence that carefully and intelligently examines his campaigns and thinking on irregular warfare and in doing so produces an accessible and intellectually stimulating work of military history James Kitchen Royal Military Academy Sandhurst This is a major contribution to the literature on the Middle East in the Great War and the history of military ideas and it is highly relevant to contemporary armed force Professor Gary Sheffield University of Wolverhampton A new study of Captain T E Lawrence s ideas on warfare and the context of his military campaign as well as the peace settlement and the legacies that followed Lawrence of Arabia is one of the most iconic figures of the First World War seen by many as a heroic and romantic guerrilla leader in a period of savage and deeply impersonal industrial warfare While Lawrence himself has been the subject of many biographies and an award winning film the context of his war in the desert and his ideas on war itself are less well known Lawrence of Arabia on War is a study of those ideas and of his campaign of irregular warfare which has informed tactical theory and decision making down to the present day juxtaposed alongside the operations conducted by the Ottoman Empire and those of the Allied army in Palestine It explores the challenges he faced in a complex environment against a more numerous and better armed adversary and the manner in which he assessed what was changing what was distinctive and what was unique to guerrilla warfare in the desert Setting Lawrence in his historical context it examines the peace settlement process he participated in during 1919 20 analyses how other military writers made use of his ideas and describes the ways in which his legacy has informed and inspired those partnering and mentoring local forces today

The Monthly Army List Great Britain. Army, 1931-09

[The Great War in the Middle East](#) Robert Johnson, James Kitchen, 2019-01-30 Traditionally in general studies of the First World War the Middle East is an arena of combat that has been portrayed in romanticised terms in stark contrast to the mud blood and presumed futility of the Western Front Battles fought in Egypt Palestine Mesopotamia and Arabia offered a different narrative on the Great War one in which the agency of individual figures was less neutered by heavy artillery As with the historiography of the Western Front which has been the focus of sustained inquiry since the mid 1960s such assumptions about the Middle East have come under

revision in the last two decades a reflection of an emerging global turn in the history of the First World War The sideshow theatres of the Great War Africa the Middle East Eastern Europe and the Pacific have come under much greater scrutiny from historians The fifteen chapters in this volume cover a broad range of perspectives on the First World War in the Middle East from strategic planning issues wrestled with by statesmen through to the experience of religious communities trying to survive in war zones The chapter authors look at their specific topics through a global lens relating their areas of research to wider arguments on the history of the First World War

Fighting for the Bucks E.J. Hounslow, 2013-10-01 From the hell of Gallipoli to the deserts of the Holy Land torpedoed in the Mediterranean before finally posted to the mud and trenches of the Western Front the experiences of the Royal Bucks Hussars were as fascinating and bloody as any during the First World War Condemned by Lord Kitchener as mere play boys they were able to prove him unequivocally wrong by the end of the war Sons of privileged backgrounds they may have been but the war was indiscriminate in its killing and war memorials and gravestones from Gallipoli to Ypres proves that the Buckinghamshire gentry were just as ready to die for their country as the average man on the street in any British town They went to war on horseback relics of a gentler age but finished up as machine gunners in a mechanised war during the final push on the Western front which broke the back of the German Army This is their story

At the Eleventh Hour Hugh Cecil, Peter H. Liddle, 1998-08-12 Following on from the highly acclaimed *Facing Armageddon and Passchendaele in Perspective* *At the Eleventh Hour* recognises that a world was ending in November 1918 and by international collaboration on the 80th Anniversary we learn through this book what it was like to experience the transition from war to peace Distinguished historians brilliantly convey a sense of immediacy as the Armistice is recreated and analysed The reader will not just acquire new areas of information he will have some of the existing knowledge which he thought was soundly held strikingly challenged in the pages of this superbly illustrated book

Ottoman Army Effectiveness in World War I Edward J. Erickson, 2007-02-01 This volume examines how the Ottoman Army was able to evolve and maintain a high level of overall combat effectiveness despite the primitive nature of the Ottoman State during the First World War Structured around four case studies at the operational and tactical level of campaigns involving the Ottoman Empire and the British Empire Gallipoli i

Military Review, 1930

Australian Light Horse: A Study Of The Evolution Of Tactical And Operational Maneuver Major Edwin L. Kennedy Jr., 2014-08-15 This study analyzes the actions of the Australian Light Horse in the Middle East campaign during World War I It shows the basis for their approach to war and how these techniques were successful by adapting to the circumstances of the situation The Australian Light Horse demonstrated the traits of initiative and flexibility during the campaign in Egypt and Palestine by changing their modus operandi from mounted infantry to cavalry a seemingly minor shift semantically a major shift doctrinally Their adaptability to the situations in the desert was largely responsible for their tactical successes and played a major part in the success of the operational maneuver of the mounted forces under General Allenby during the last year of the war Most importantly the

lessons learned from their actions sustained the advocates of horse cavalry doctrine long after the apparent usefulness of the horse on the modern battlefield had diminished in importance **Quarterly Review of Military Literature** ,1930

Writing the Great War Andrew Green,2008-12-04 In this volume Andrew Green examines the progress by which the Official Histories of World War I was written the motives and influences of its paymasters and the literary integrity of its historians **The Coast Artillery Journal** ,1928 Consolidated List of Government Publications ... Great Britain. His Majesty's Stationery Office,1929 *Consolidated List of Government Publications* Great Britain. Her Majesty's Stationery Office,1928 *The Great War and the Middle East* Rob Johnson,2016-10-05 The First World War in the Middle East swept away five hundred years of Ottoman domination It ushered in new ideologies and radicalised old ones from Arab nationalism and revolutionary socialism to impassioned forms of atavistic Islamism It created heroic icons like the enigmatic Lawrence of Arabia or the modernizing Atatürk and destroyed others And it completely re drew the map of the region forging a host of new nation states including Turkey Iraq Syria Jordan Lebanon and Saudi Arabia all of them with the exception of Turkey under the protection of the victor powers Britain and France For many the self serving intervention of these powers in the region between 1914 and 1919 is the major reason for the conflicts that have raged there on and off ever since Yet many of the most commonly accepted assertions about the First World War in the Middle East are more often stated than they are truly tested Rob Johnson military historian and former soldier now seeks to put this right by examining in detail the strategic and operational course of the war in the Middle East Johnson argues that far from being a sideshow to the war in Europe the Middle Eastern conflict was in fact the centre of gravity in a war for imperial domination and prestige Moreover contrary to another persistent myth of the First World War in the Middle East local leaders and their forces were not simply the puppets of the Great Powers in any straightforward sense The way in which these local forces embraced resisted succumbed to disrupted or on occasion overturned the plans of the imperialist powers for their own interests in fact played an important role in shaping the immediate aftermath of the conflict and in laying the foundations for the troubled Middle East that we know today **Damascus** Ross Burns,2007-06-11 Lavishly illustrated with beautiful photographs and original plans traces the story of this colourful significant and complex place through its physical development and provides for the first time in English a compelling and unique exploration of a **The Routledge Historical Atlas of Jerusalem** Martin Gilbert,2013-04-03 This unique Atlas traces the history of Jerusalem from biblical times to the present day Each map is illustrated by a facing page of prints or photographs to give a complete pictorial and cartographic overview of this fascinating city of the Middle East Coverage begins in ancient times showing the impact of the Jews Christians Muslims Romans and Crusaders on the development of this holy city Special emphasis is placed on the last 150 years during which Jerusalem grew from a remote and impoverished town of the Ottoman Empire to a flourishing capital city Up to date maps and figures show the recent expansion of suburbs and settlements the Wall and new urban and political developments An extensive
