Military Sealift Command Weak Controls And Management Of Contractor Operated Ships:

Military Sealift Command DIANE Publishing Company,1996-07-01 Reviews the Military Sealift Command s management of its contractor operated ships Focuses on whether the Command has an adequate system of management controls in place to oversee contractors and prevent abuses and sufficient oversight to ensure contractual requirements are being met Charts tables and graphs **Military Sealift Command: Weak Controls and Management of Contractor-Operated Ships**

,1995 Two cases involving the Military Sealift Command s MSC contractor operated ships illustrate the dangers of poor management controls and the resulting too heavy reliance on contractors integrity One case involved fraudulent overtime practices by the crew members of a ship management company and the second case involved the severe deterioration and improper crewing of MSC s sealift tankers As a result of GAO s 1994 report on the sealift tankers the Ranking Minority Member of the Subcommittee on Oversight of Government Management and the District of Columbia Senate Committee on Governmental Affairs asked GAO to examine MSC s contractor operated ship programs Specifically GAO determined whether MSC has adequate management controls 1 to oversee contractors and prevent contract abuses and 2 to ensure contractual requirements are being met Military Sealift Command United States Government Accountability,2015-02-14 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **Nsiad-96-41 Military Sealift**
