Military Analysis Of The Civil War An Anthology

J. Tracy Power

Military Analysis Of The Civil War An Anthology:

Military Analysis of the Civil War, 1977 Professional Journal of the United States Army, 1998 **Military Review**, 2011-07 *America's First Battles, 1776-1965* Charles E. Heller, William A. Stofft, 1986 This volume a collection of eleven original essays by many of the foremost U S military historians focuses on the transition of the Army from parade ground to battleground in each of nine wars the United States has fought Through careful analysis of organization training and tactical doctrine each essay seeks to explain the strengths and weaknesses evidenced by the outcome of the first significant engagement or campaign of the war The concluding essay sets out to synthesize the findings and to discover whether or not American first battles manifest a characteristic rhythm *America's First Battles* provides a novel and intellectually challenging view of how America has prepared for war and how operations and tactics have changed over time The thrust of the book the emphasis on operational history is at the forefront of scholarly activity in military history This book is part of the Modern War Studies series *Tinclads in the Civil War* Myron J. Smith, Jr., 2010-01-13 Once the Union Army gained control of the upper rivers of the Mississippi Valley during the first half of 1862 slow and heavy ironclads proved ineffective in patrolling the waters Hastily outfitted steamboats were covered with thin armor and pressed into duty These tinclads fought Confederate forces attacking from the riverbanks provided convoy for merchant steamers enforced revenue measures and offered tow dispatch and other fleet support services This history documents the service records and duties of these little known vessels of the Union fleet The Rifle Musket in Civil War Combat Earl J. Hess, 2016-07-11 The Civil War's single shot muzzle loading musket revolutionized warfare or so we've been told for years Noted historian Earl J Hess forcefully challenges that claim offering a new clear eyed and convincing assessment of the rifle musket's actual performance on the battlefield and its impact on the course of the Civil War Many contemporaries were impressed with the new weapon's increased range of 500 yards compared to the smoothbore musket's range of 100 yards and assumed that the rifle was a major factor in prolonging the Civil War Historians have also assumed that the weapon dramatically increased casualty rates made decisive victories rare and relegated cavalry and artillery to far lesser roles than they played in smoothbore battles Hess presents a completely new assessment of the rifle musket contending that its impact was much more limited than previously supposed and was confined primarily to marginal operations such as skirmishing and sniping He argues further that its potential to alter battle line operations was virtually nullified by inadequate training soldiers preference for short range firing and the difficulty of seeing the enemy at a distance He notes that bullets fired from the new musket followed a parabolic trajectory unlike those fired from smoothbores at mid range those rifle balls flew well above the enemy creating two killing zones between which troops could operate untouched He also presents the most complete discussion to date of the development of skirmishing and sniping in the Civil War Drawing upon the observations and reflections of the soldiers themselves Hess offers the most compelling argument yet made regarding the actual use of the rifle musket and its influence on Civil War combat Engagingly

written and meticulously researched his book will be of special interest to Civil War scholars buffs re enactors and gun enthusiasts alike **John M. Schofield and the Politics of Generalship** Donald B. Connelly,2006 In the first full biography of Lieutenant General John McAllister Schofield 1831 1906 Donald Connelly examines the career of one of the leading commanders in the western theater during the Civil War and the role of politics in the formulation of milita

Quarterly Review of Military Literature ,2003 **One Damn Blunder from Beginning to End** Gary Dillard Joiner,2003-01-01 In the spring of 1864 as the armies of Grant and Lee waged a highly scrutinized and celebrated battle for the state of Virginia a no less important but historically obscured engagement was being conducted in the pine barrens of northern Louisiana In a year of stellar triumphs by Union armies across the South the Red River Campaign stands out as a colossal failure General William Tecumseh Sherman s scathing summation describes it best One damn blunder from beginning to end Taking its title from Sherman s blunt description One Damn Blunder from Beginning to End The Red River Campaign of 1864 is a fresh inspection of what was the Civil War s largest operation between the Union Army and Navy west of the Mississippi River In a bold but poorly managed effort to wrest Louisiana and Texas from Confederate control a combined force of 40 000 Union troops and 60 naval vessels traveled up the twisting Red River in an attempt to capture the capital city of Shreveport Gary D Joiner provides not a recycled telling of the campaign but a strategic and tactical overview based on a stunning new array of facts gleaned from recently discovered documents This never before published information reveals that the Confederate army had laid a clever trap by engineering a drop in the water level of the Red River to try to maroon the Union naval flotilla Only the equally amazing ingenuity of the Union troops saved the fleet from certain destruction despite a humiliating defeat at the Battle of Mansfield The Red River campaign had lasting implications One Damn Blunder from Beginning to End magnifies just how devastating the diversion of so many men and so much material to this failed campaign was to the Union effort in the pivotal year of 1864 Because of the Union Army s failures Northern plans to capture Mobile were scrapped Military careers were made and lost And at time when the Confederacy was teetering on the brink of oblivion Southern morale was bolstered Joiner puts together a compelling description of what was one of the most important military operations conducted west of the Mississippi The fierce military action the squabbling of the leaders on both sides and most importantly essential new knowledge of the Confederate defensive preparations are all contained in the pages of this new book Civil War buffs and military enthusiasts will revel in this in depth look at this critical but previously overlooked campaign *Lee's Miserables* J. Tracy Power,2015-01-01 Never did so large a proportion of the American population leave home for an extended period and produce such a detailed record of its experiences in the form of correspondence diaries and other papers as during the Civil War Based on research in more than 1 200 wartime letters and diaries by more than 400 Confederate officers and enlisted men this book offers a compelling social history of Robert E Lee s Army of Northern Virginia during its final year from May 1864 to April 1865 Organized in a chronological framework the

book uses the words of the soldiers themselves to provide a view of the army's experiences in camp on the march in combat and under siege from the battles in the Wilderness to the final retreat to Appomattox. It sheds new light on such questions as the state of morale in the army, the causes of desertion, ties between the army and the home front, the debate over arming black men in the Confederacy and the causes of Confederate defeat. Remarkably rich and detailed, Lee's *Misérables* offers a fresh look at one of the most studied Civil War armies. **Le Roy Fitch** Myron J. Smith, Jr., 2013-12-06 This is the first published biography of Lieutenant Commander Le Roy Fitch. U.S. Navy Fitch saw action on the Ohio, Tennessee, and Cumberland Rivers, fought against Morgan, Wheeler, and Forrest, as well as irregulars, commanded an ironclad monitor during the Battle of Nashville, and was renowned for his abilities in counterinsurgency and convoy tactics. **Rebel Watchdog: The Confederate States Army Provost Guard** Radley, Kenneth J., 1989 **Naval Blockades and Seapower** Bruce A. Elleman, S.C.M. Paine, 2007-04-11 This new collection of scholarly, readable, and up-to-date essays covers the most significant naval blockades of the nineteenth and twentieth centuries. Here the reader can find Napoleon's Continental Blockade of England, the Anglo-American War of 1812, the Crimean War, the American Civil War, the first Sino-Japanese War (1894-95), the Spanish-American War, the First World War, the second Sino-Japanese War (1937-45), the Second World War in Europe and Asia, the Nationalist attempt to blockade the PRC, the Korean War, the Cuban Missile Crisis, the Vietnam War, the British blockade of Rhodesia, the Falklands War, the Persian Gulf interdiction program, the PRC missile blockade of Taiwan in 1996, and finally Australia's recent reverse blockade to keep illegal aliens out of the country. The authors of each chapter address the causes of the blockade in question, its long and short-term repercussions, and the course of the blockade itself. More generally, they address the state of the literature, taking advantage of new research and new methodologies to provide something of value to both the specialist and non-specialist reader. Taken as a whole, this volume presents fresh insights into issues such as what a blockade is, why countries might choose them, which navies can and cannot make use of them, what responses lead to satisfactory or unsatisfactory conclusions, and how far-reaching their consequences tend to be. This book will be of great interest to all students and scholars of strategic studies, military history, and maritime studies in particular. **Lee and His Generals** Lawrence Lee Hewitt, Thomas E. Schott, 2012-06-25 A legendary professor at Louisiana State University, T. Harry Williams not only produced such acclaimed works as *Lincoln and the Radicals*, *Lincoln and His Generals*, and a biography of Huey Long that won both the Pulitzer Prize and the National Book Award, but he also mentored generations of students who became distinguished historians in their own right. In this collection, ten of those former students, along with one author greatly inspired by Williams's example, offer incisive essays that honor both Williams and his career-long dedication to sound, imaginative scholarship and broad historical inquiry. The opening and closing essays, fittingly enough, deal with Williams himself: a biographical sketch by Frank J. Wetta and a piece by Roger Spiller that place Williams in a larger historical perspective among writers on Civil War generalship. The bulk of the book focuses on Robert E. Lee and a number of the

commanders who served under him starting with Charles Roland's seminal article *The Generalship of Robert E Lee* the only one in the collection that has been previously published Among the essays that follow Roland's are contributions by Brian Holden Reid on the ebb and flow of Lee's reputation George C Rable on Stonewall Jackson's deep religious commitment A Wilson Greene on P G T Beauregard's role in the Petersburg Campaign and William L Richter on James Longstreet as postwar pariah Together these gifted historians raise a host of penetrating and original questions about how we are to understand America's defining conflict in our own time just as T Harry Williams did in his And by encompassing such varied subjects as military history religion and historiography *Lee and His Generals* demonstrates once more what a fertile field Civil War scholarship remains Lawrence Lee Hewitt is professor of history emeritus at Southeastern Louisiana University Most recently he and Arthur W Bergeron now deceased coedited three volumes of essays under the collective title *Confederate Generals in the Western Theater* Thomas E Schott served for many years as a historian for the U S Air Force and U S Special Operations Command He is the author of *Alexander H Stephens of Georgia A Biography* which won both the Society of American Historians Award and the Jefferson Davis Award

Through the Howling Wilderness Gary D. Joiner, 2006 *Through the Howling Wilderness* is replete with in depth coverage on the geography of the region the Congressional hearings after the Campaign and the Confederate defenses in the Red River Valley *Richard Taylor* T. Michael Parrish, 2017-03-01 Using widely scattered and previously unknown primary sources Parrish's biography of Confederate general Richard Taylor presents him as one of the Civil War's most brilliant generals eliciting strong performances from his troops in the face of manifold obstacles in three theaters of action *Shades of Green* Ryan W. Keating, 2017-08-08 Drawing on records of about 5 500 soldiers and veterans *Shades of Green* traces the organization of Irish regiments from the perspective of local communities in Connecticut Illinois and Wisconsin and the relationships between soldiers and the home front Research on the impact of the Civil War on Irish Americans has traditionally fallen into one of two tracks arguing that the Civil War either further alienated Irish immigrants from American society or that military service in defense of the Union offered these men a means of assimilation In this study of Irish American service Ryan W Keating argues that neither paradigm really holds because many Irish Americans during this time already considered themselves to be assimilated members of American society This comprehensive study argues that the local community was often more important to ethnic soldiers than the imagined ethnic community especially in terms of political social and economic relationships An analysis of the Civil War era from this perspective provides a much clearer understanding of immigrant place and identity during the nineteenth century With a focus on three regiments not traditionally studied the author provides a fine grained analysis revealing that ethnic communities like other types of communities are not monolithic on a national scale Examining lesser studied communities rather than the usual those of New York City and Boston Keating brings the local back into the story of Irish American participation in the Civil War thus adding something new and valuable to the

study of the immigrant experience in America's bloodiest conflict Throughout this rich and groundbreaking study Keating supports his argument through advanced quantitative analysis of military service records and an exhaustive review of a massive wealth of raw data his use of quantitative methods on a large dataset is an unusual and exciting development in Civil War studies *Shades of Green* is sure to shake up several fields of study that rely on ethnicity as a useful category for analysis its impressive research provides a significant contribution to scholarship

The Shenandoah Valley Campaigns, Omnibus E-book Gary W. Gallagher, 2011-12-13 This Omnibus ebook contains the two volume collection of essays edited by Gary Gallagher that covers the Shenandoah Valley Campaigns of 1862 and 1864 1862 This volume explores the Shenandoah Valley campaign best known for its role in establishing Thomas J Stonewall Jackson's reputation as the Confederacy's greatest military idol The authors address questions of military leadership strategy and tactics the campaign's political and social impact and the ways in which participants' memories of events differed from what is revealed in the historical sources In the process they offer valuable insights into one of the Confederacy's most famous generals those who fought with him and against him the campaign's larger importance in the context of the war and the complex relationship between history and memory The contributors are Jonathan M Berkey Keith S Bohannon Peter S Carmichael Gary W Gallagher A Cash Koeniger R E L Krick Robert K Krick and William J Miller 1864 Generally regarded as the most important Civil War military operation conducted in the Shenandoah Valley of Virginia the campaign of 1864 lasted more than four months and claimed more than 25 000 casualties Beyond the loss of agricultural bounty to the Confederacy and the boost in Union morale a victory would bring events in the Valley also would affect Abraham Lincoln's chances for reelection in the November 1864 presidential canvass The eleven original essays in this volume reexamine common assumptions about the campaign its major figures and its significance Taking advantage of the most recent scholarship and a wide range of primary sources contributors consider strategy and tactics the performances of key commanders on each side the campaign's political repercussions and the experiences of civilians caught in the path of the armies The contributors are William W Bergen Keith S Bohannon Andre M Fleche Gary W Gallagher Joseph T Glatthaar Robert E L Krick Robert K Krick William J Miller Aaron Sheehan Dean William G Thomas and Joan Waugh The editor is Gary W Gallagher

Vigilance Is Not Enough Mark M. Lowenthal, 2025-05-06 A broad and deep survey of American intelligence from before the Revolution to the present Every nation has an intelligence apparatus some means by which its top officials acquire needed information on sensitive issues But each nation does it differently influenced by its history its geographical conditions and its political traditions In this book Mark M Lowenthal examines the development of U S intelligence to explain how and why the United States went from having no intelligence service to speak of to being the world's predominant intelligence power almost overnight and he discusses the difficult choices involved in maintaining that dominance in a liberal democracy Lowenthal describes how the lack of a tradition of spycraft both hindered and helped American efforts to develop intelligence services during and after the Second World War

He points to the political pragmatism leading to difficult choices with which most intelligence directors operated the constant tension between security and civil liberties in a constitutional democracy the tension between the need for secrecy and the accountability required for democratic governance and the way the growing importance of technology changed both the methods and the objectives of intelligence gathering Far more than simply an episodic history this book offers an analysis of why American intelligence developed as it did and what it has meant for the nation s and the world s politics In the Trenches at Petersburg Earl J. Hess, 2011-04-01 In the Trenches at Petersburg the final volume of Earl J Hess s trilogy of works on the fortifications of the Civil War recounts the strategic and tactical operations around Petersburg during the last ten months of the Civil War Hess covers all aspects of the Petersburg campaign from important engagements that punctuated the long months of siege to mining and countermining operations the fashioning of wire entanglements and the laying of torpedo fields to impede attacks and the construction of underground shelters to protect the men manning the works In the Trenches at Petersburg humanizes the experience of the soldiers working in the fortifications and reveals the human cost of trench warfare in the waning days of the struggle

Military Analysis Of The Civil War An Anthology Introduction

In the digital age, access to information has become easier than ever before. The ability to download Military Analysis Of The Civil War An Anthology has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Military Analysis Of The Civil War An Anthology has opened up a world of possibilities. Downloading Military Analysis Of The Civil War An Anthology provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Military Analysis Of The Civil War An Anthology has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Military Analysis Of The Civil War An Anthology. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Military Analysis Of The Civil War An Anthology. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Military Analysis Of The Civil War An Anthology, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Military Analysis Of The Civil War An Anthology has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it

is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Military Analysis Of The Civil War An Anthology Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Military Analysis Of The Civil War An Anthology is one of the best book in our library for free trial. We provide copy of Military Analysis Of The Civil War An Anthology in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Military Analysis Of The Civil War An Anthology. Where to download Military Analysis Of The Civil War An Anthology online for free? Are you looking for Military Analysis Of The Civil War An Anthology PDF? This is definitely going to save you time and cash in something you should think about.
