MILITARY UNIFORMS IN EUROPE 1900 - 2000 Volume One R. Spencer Kidd, 2013-10-01 This book, Volume One, gives an historical overview of 36 countries whose armed forces served in Europe 1900-2000, together with uniform descriptions. It includes 200 full-colour paintings of the regular armies, marines, air force, and para-military troops engaged in land exercises, operations, and warfare in Europe, including non-European troops serving in Europe. Each entry is accompanied by a history and description of the uniforms illustrated. The author and illustrator, Ron Kidd, has been interested in both police and military history uniforms and insignia since he was a school boy in the 1950s. He has visited over 300 police and military museums world-wide and has written and illustrated a number of magazine articles on both police and military history and uniforms. He is a member of both the Military Heraldry Society and the Military Historical Society. It is anticipated that Volume Two will be published in 2013.
