*The Magic Ring and Other Stories* Various, 2021-05-19 In *The Magic Ring and Other Stories* a captivating collection of tales various authors weave narratives steeped in magic folklore and the human experience This anthology showcases a rich tapestry of styles blending elements of whimsy with poignant moral lessons Each story invites readers into enchanting realms where wishes come true tricksters abound and the ordinary transforms into the extraordinary reflecting cultural traditions and universal themes of love loss and transformation The literary context resonates with the enduring fascination for magical realism and fairy tales appealing to both children and adults alike thereby bridging generational gaps in storytelling The editors of this collection have thoughtfully curated pieces from renowned writers and emerging voices alike each contributing their distinct cultural perspectives and personal insights Influenced by rich literary histories and the oral traditions of storytelling these authors explore the intersection of magic and reality revealing societal norms and expectations through fantastical elements Their backgrounds reflect a mosaic of experiences each enriching the anthology and demonstrating that the allure of magic is a universal thread in the human narrative I highly recommend *The Magic Ring and Other Stories* to anyone seeking a delightful escape into worlds of wonder This anthology not only entertains but also encourages deep reflection on the nature of desires and the consequences that spring from them An essential read for lovers of folklore and fantasy this book promises to spark imagination and inspire readers of all ages **Literature of Nature**

Patrick D. Murphy, Terry Gifford, Katsunori Yamazato, 1998 First Published in 1999 Routledge is an imprint of Taylor Francis an informa company *Romania* Peter Siani-Davies, Mary Siani-Davies, 1998 The Revolution of 1989 dramatically brought Romania to international prominence as an absorbed world watched the bloody aftermath of the overthrow of Nicolae Ceausescu live in television These pictures of violence were soon joined by others including those depicting the plight of children placed in state care which brutally revealed the extent of the country's suffering under Communism **The Magic Ring** Andrew Lang, 1915 **The Argosy**, 1920 **Knock, Knock, Knock and Other Stories** Ivan Turgenev, 2018-05-24 Lieutenant Tyeglev belonged precisely to the class of those fatal individuals though he did not possess the exterior commonly associated with them he was not for instance in the least like Lermontov's fatalist He was a man of medium height fairly solid and round shouldered with fair almost white eyebrows and eyelashes he had a round fresh rosy cheeked face a turn up nose a low forehead with the hair growing thick over the temples and full well shaped always immobile lips he never laughed never even smiled Only when he was tired and out of heart he showed his square teeth white as sugar The same artificial immobility was imprinted on all his features had it not been for that they would have had a good natured expression His small green eyes with yellow lashes were the only thing not quite ordinary in his face his right eye was very slightly higher than his left and the left eyelid drooped a little which made his eyes look different strange and drowsy **The Magic Ring and Other Stories: From the Yellow and Crimson Fairy Books** Various, 2022-08-01 DigiCat Publishing presents to you

**Knock, Knock, Knock and Other Stories** Ivan Sergeevich Turgenev, 2019-11-22 In Knock Knock Knock and Other Stories Ivan Sergeevich Turgenev masterfully weaves a collection of short narratives that delve into the intricacies of Russian society during the 19th century With his characteristic lyrical prose Turgenev explores themes of existential doubt social class and the fleeting nature of human relationships Each story is imbued with psychological depth showcasing his keen observations of human behavior and the subtle tensions that define personal interactions Turgenev's writing reflects both the Romantic tradition and the burgeoning Realism of his time making these tales timeless in their exploration of the human condition Ivan Turgenev a crucial figure in Russian literature was significantly influenced by the sociopolitical turbulence of his time including his encounters with the liberal movements sweeping through Russia His experiences in both rural and urban settings deeply informed his understanding of class dynamics and the struggles faced by ordinary people As a contemporary of Tolstoy and Dostoevsky Turgenev's unique perspective as a writer in exile shaped the themes of alienation and introspection that permeate his works This collection of stories is a must read for enthusiasts of Russian literature and those who appreciate refined storytelling that taps into universal themes Turgenev's elegant exploration of character and setting invites readers to reflect on their own lives making Knock Knock Knock and Other Stories a poignant and thought provoking addition to any literary repertoire

**Stealing First and Other Stories** Cynthia Drew, Joan Golden, 2020-03-06 In the American deep south in 1957 the Redbirds battle the Bayou Braves for the championship Ronnie LeBlanc the Redbirds pitcher believes that winning the regional title is his ticket out of a dead end job at the local sugar mill When the Redbirds suffer a series of losses the team's coach quits and the sole person willing to take the job is a former Negro League pitcher the only African American in a still segregated game Ronnie begins to suspect external forces are the cause of his team's unlucky streak As he digs for answers he stumbles upon a secret Bo Brasseux the town's bigoted banker is scheming to kill the Redbirds new coach throw the championship game and ruin Ronnie's family financially A scout for the Chicago Cubs could be the answer but will being tapped by the Cubs be enough to thwart Brasseux's despicable plans against the coach and Ronnie's family Based on a true story Stealing First is only one tale in this collection that offers glimpses of small town politics snake handlers nosey house hunters and the making of a murderer Each story looks at our prejudices and conceits our loves in all their variations and the worst and best of us

**Life in the Iron Mills** Rebecca Harding Davis, 2020-08-08 Recovered for a new generation of feminist readers this revolutionary depiction of the American working poor was one of the first literary critiques of industrial capitalism by a nineteenth century proletarian Originally published in 1861 in the Atlantic Monthly Life in the Iron Mills

remains a classic of proletarian literature that paints a bleak and incisive portrait of nineteenth century industrial America Rebecca Harding Davis was one of the first writers to depict a working class that was exploited and exhausted as capitalism's mills and factories destroyed both the natural environment and the human spirit Davis's work was first recovered in the 1970s by the Feminist Press and writer Tillie Olsen and then expanded in the 1980s to be the most comprehensive collection of her work to date This reissued edition includes an updated critical introduction by labor journalist Kim Kelly and shares a uniquely prescient capitalist critique with a new generation

**Rumor Mills** Veronique Campion-Vincent, 2017-07-05 The goal of this volume is to explore the social and political dynamics of rumor and the related concept of urban or contemporary legend These forms of communication often appear in tandem with social problems including riots racial or political violence and social and economic upheavals The volume emphasizes the connection of rumor to a set of social concerns from government corruption and corporate scandal to racial religious and other prejudices Central to the dialogue are issues of truth belief history public policy and evidence Rumor has been recognized as one of the most important contributing factors to violence and discrimination Yet despite its significance in exacerbating social discord and mistrust little systematic scholarly attention has been paid to the political origins and consequences of rumor Rumor is defined as a proposition for belief that is not backed by secure standards of evidence Rumor can be traditional or not and can be expressed as a simple claim of fact In both instances groups of claim makers operating out of their own interests and with a set of resources attempt to depict reality and if possible impact the future The need for this book is underscored by changing patterns of technology What in the past was grounded in face to face interaction is now often found on the Internet which is a major source of rumor An appreciation of how new electronic forms of communication affect communal belief is essential for explicating rumor dynamics The volume is comprehensive Essays cover race and ethnicity migration and globalization corporate malfeasance and state and government corruption While editors and contributors well appreciate the dynamic nature of rumors and legends the high quality of the effort make it evident that the issues that are raised and reoccur will serve to channel and inspire research in this major field of communications research for years to come
