Historic Resource Study for Muir Woods National Monument John Eric Auwaerter, John F. Sears, 2006 **The Country in the City** Richard A. Walker, 2009-11-23 Winner of the Western

History Association's 2009 Hal K Rothman Award Finalist in the Western Writers of America Spur Award for the Western Nonfiction Contemporary category 2008 The San Francisco Bay Area is one of the world's most beautiful cities Despite a population of 7 million people it is more greensward than asphalt jungle more open space than hardscape A vast quilt of countryside is tucked into the folds of the metropolis stitched from fields farms and woodlands mines creeks and wetlands In *The Country in the City* Richard Walker tells the story of how the jigsaw geography of this greenbelt has been set into place The Bay Area's civic landscape has been fought over acre by acre an arduous process requiring popular mobilization political will and hard work Its most cherished environments Mount Tamalpais Napa Valley San Francisco Bay Point Reyes Mount Diablo the Pacific coast have engendered some of the fiercest environmental battles in the country and have made the region a leader in green ideas and organizations This book tells how the Bay Area got its green grove from the stirrings of conservation in the time of John Muir to origins of the recreational parks and coastal preserves in the early twentieth century from the fight to stop bay fill and control suburban growth after the Second World War to securing conservation easements and stopping toxic pollution in our times Here modern environmentalism first became a mass political movement in the 1960s with the sudden blooming of the Sierra Club and Save the Bay and it remains a global center of environmentalism to this day Green values have been a pillar of Bay Area life and politics for more than a century It is an environmentalism grounded in local places and personal concerns close to the heart of the city Yet this vision of what a city should be has always been informed by liberal even utopian ideas of nature planning government and democracy In the end green is one of the primary colors in the flag of the Left Coast where green enthusiasms like open space are built into the fabric of urban life Written in a lively and accessible style *The Country in the City* will be of interest to general readers and environmental activists At the same time it speaks to fundamental debates in environmental history urban planning and geography

Success with your Early Years Research Project Rosie Walker, Carla Solvason, 2014-05-21 Action research and Early Years practices go together as naturally as the new day rising This book is a celebration of new days Early Years research is a practice for creative thinking for new tomorrows the book shows us how to do this and is to be commended for anyone who wishes to find innovative ways to think and act for all new beginnings Jean McNiff Professor of Educational Research York St John University Where do you start with a research project How do you choose a good question What are tutors looking for in an outstanding project This book will help you answer all of the above and that is just the beginning With examples of real research projects from students just like you it takes you through each step of the process including Choosing your question and approach Making sure your research is ethical Gathering and analysing data Reaching conclusions Putting your findings into practice After each example the authors provide commentary on what made each project so good or what needed more work helping you see what a good project really looks like Suitable for anyone tackling a research project as part of the Early Years course at foundation or degree level this book will help you make sure your project is interesting relevant and impacts

on your practice *The Muir Woods Handbook* Susan Frank, Phil Frank, 1999 Muir Woods a cool silent northern California redwood wilderness so tranquil that one could forget it's only a dozen miles from San Francisco Like any good guidebook Susan and Phil Frank's Insider's Guides enhance the pleasure of a trip to one of our national parks But they go far beyond the other guides in several unique ways Narrated by a friendly and extremely knowledgeable cartoon guide each Insider's Guide offers a lively funny tour of a splendid place Readers will learn when to visit what to bring what to see and how to see it They'll arrive properly equipped for a safe and enjoyable visit They'll come away knowing plenty about the park's geological and human history flora fauna and future prospects The question and answer format yields information without a lot of searching A quick reference section offers among other things a telephone directory guide to area resources backpacker's checklist lists of outfitters and transportation companies and an overview of regional conservation and educational programs Susan Frank's text has been reviewed by park personnel and regional experts to ensure timeliness and accuracy Illustrations by San Francisco Chronicle cartoonist Phil Frank add a warmth that other guidebooks do not achieve This series adds immeasurably to visitors understanding and enjoyment of our national parks and offers a lot of fun while they're planning their trip *The Medicine of Memory* Alejandro Murguía, 2010-01-01 An American Book Award winner's creative memoir traces his own family's history as well as the long story of Hispanics in America Spirited writing Library Journal People who live in California deny the past asserts Alejandro Murguía In a state where what matters is keeping up with the current trends fads or latest computer gizmo no one has the time energy or desire to reflect on what happened last week much less what happened ten years ago or a hundred From this oblivion of memory he continues comes a false sense of history a deluded belief that the way things are now is the way they have always been In this work of creative nonfiction Murguía draws on memories his own and his family's reaching back to the eighteenth century to re-construct the forgotten Chicano indigenous history of California He tells the story through significant moments in California history including the birth of the mestizo in Mexico destruction of Indian lifeways under the mission system violence toward Mexicanos during the Gold Rush Chicano farm life in the early twentieth century the Chicano Movement of the 1960s Chicano Latino activism in San Francisco in the 1970s and the current rebirth of Chicano Indian culture Rejecting the notion that history is always written by the victors and refusing to be one of the vanquished he records and draws us into his own California history

The Coffyn-Coffin Dynasty Marijane Coffyn, 2023-07-08 *The Coffyn Coffin Dynasty* is a genealogical recapitulation of fifteen generations born in the United States At first I was going to title it *The Coffin Saga Continues* but R Gardner and Louis Coffin expired I fell in love with a wonderful culmination of people belonging to my husband's family I added the years before the stepping on US soil There are millions more of people out there to be added One can enjoy reading cover to cover about so many important individuals such as presidents a Union Station president aviators college owners and patented people besides farmers teachers doctors etc It is not the norm of born and died information **Captain Midnight and the**

California Drea Dayton Lummis,2005-10 CAPTAIN MIDNIGHT AND THE CALIFORNIA DREAM is an impressionistic journey of more than 50 years of extremely uneven and often strangely disconnected experiences in California It stretches from the author s father s hardscrabble ranch in the remote mountains above Los Angeles through ups and downs in an always unpredictable California ending more or less at a lonely and primitive ranch in the desert The book is filled with unique characters bizarre situations and views of an always changing and the author would charge deteriorating California From city streets to quiet rural areas the author seems to have been aware of an ominous cloud filled with unease hovering over the Golden State In this book he chronicles his drift of over 50 years in the shadow of this cloud the California dream dim and elusive Real but only a dream **Proceedings of the Bar and Officers of the Supreme Court of the United States, November 12, 1947** United States.
