Cahiers de littérature orale ,2000 *Corrupting the Image* Douglas Hamp,2011 Something ominous is coming upon the world it is Satan s final effort in the battle to destroy the image that man was created in which has been raging since the beginning of time If Satan can destroy the image then he can avert his own destruction The prophecy of Genesis 3 15 states the serpent will one day mix his seed with humanity as a counterfeit of the Messiah Jesus told us that the last days will be like the days of Noah when fallen angels mixed their seed with humanity In the Book of Daniel we read that they will again mingle with the seed of men How so Satan will use man s desire to be his own god to deceive him into believing the ultimate lie that his fallen messengers are both the creators and saviors of man He will not do this openly but will deceive mankind through demons which are masquerading as aliens who are spreading the message that the inhabitants of the earth can evolve to be like them and obtain transcendent powers Finally the seed of the Serpent will come he will be a man who will be greater than his fellows who will understand sinister schemes and shall rise up and become the Antichrist That day of fulfillment is nearly upon us **The Strong Delusion** John W. Milor,2017-02-20 John Milors fascinating work is based on

the Bible telling of a powerful deception that will overshadow the Earth a deception so intense that only those with a genuine love relationship with God will be able to endure it Events from the authors own life including a series of supernatural encounters have revealed some key components of this strong delusion which he believes will initiate a grand display of open contact with extraterrestrials It will also involve the global rise of Islam Its no mistake that the faiths of four billion people

Christians and Muslims include two versions of prophetic visions that are nearly identical yet they represent opposite sides of a global conflict that will end in the Battle of Armageddon This book delves into myriad topics including Encounters with angels otherworldly beings and Jesus Christ Encounters with demons ghosts nephilim jinns and mythical creatures The Bibles explanation of ET good guys and bad guys The Quran and Hadiths ET connection Was Muhammad abducted as a boy and operated on Was the angel that abducted Muhammad really Gabriel Were the mysterious jinns of Islam actually surviving nephilim Is the Quran and Hadiths ideology specifically tailored for the Antichrist These and other topics harken to ancient times and peer into a not too distant future when the author believes we will see a return to the days of Noah as prophesied by Jesus

Corrupting the Image Book Douglas Hamp, 2013-09-24 According to the prophecy of Genesis 3:15 the serpent will one day mix his seed as a counterfeit of the incarnation Jesus told us that the last days will be like the days of Noah during which according to Genesis fallen angels mixed their seed with humanity According to the Book of Daniel we know that they will attempt to mingle with the seed of Men The day of fulfillment for those prophecies is now

The Unholy Deception L. A. Marzulli, 2002 The Cadre claims to have Christ's body preserved and hidden in an ancient tomb For journalist Art Mac Mackenzie the scenario smacks of an alien agenda He determines to unearth the truth at any cost But the Cadre doesn't surrender its secrets easily Mac's former editor Jim Cranston has been found wandering among the ruins of Machu Picchu with burns on his body and in a constant state of fear Worse yet General Roswell Mac's inside connection in the secret government alien cooperative is dead of cancer However Roswell has left behind two potential bombshells a set of files with far reaching implications and a link to the aliens that he has kept secret for years With Mac hot on Roswell's trail the Cadre moves forward with its agenda to convince the world that Jesus was just an ordinary man granted miracle working powers by the aliens The Cadre must be stopped before they can publicly unveil the fraudulent body of Christ an event that could precipitate a global and apocalyptic shock wave Mac is swept into a race against time in which losing is not an option but winning could cost him all
